J. W. Nesler returned from Roseburg Thursday whither he had taken Miss Maggie Copley and Arthur Long, bringing in with him Miss Etta Pope and Dike Long. The former coming from Albany while the latter returns from the Valley where he had gone to spend the 4th.

Gene Robison, of this place made a trip down the coast last week, and as he was returning, making a night drive between Dairyville and Bandon he saw considerable frost on the ground. Considerable complaint is heard from all directions on account of the cool weather and slow growth of crops.

The meeting of the Southwestern Oregon Veterans' Association at Myrtle Point on August 7th, 8th, and 9th should be borne in mind by the citizens of the county, and also that it is not a meeting of the old Union soldiers, only but all war veterans are specially requested to take part, and the people at large may do a great deal toward making this meeting a success.

I wish to truthfully state to you and the readers of these few lines that your Kodol Dyspepsia Cure is without question, the best and only cure for dyspepsia that I ever used in contact with and I have used many other preparations. John Beam, West Middlesex, Pa. No preparation equals Kodol Dyspepsia Cure as it contains all the natural digestants. It will digest all kinds of food and can't help but do you good. R. S. Knowlton.

Dora Celebration.

The celebration of the 4th at Dora was a grand success. W. H. Bunch delivered a fine address to the many people assembled. A fine march with Uncle Sam, Gods of Liberty and Angel of Peace in the lead and 13 little girls with sashes and caps marched to instrumental music. We were entertained by a good choir. Two stands were on the ground with free lemonade at both; about fifty gallons were drunk, the day being warm and delightful. A beautiful dinner was spread and every body expanded to the fullest extent and still there was left on the tables enough to feed as many more. Dora, Brewster and Gravel Ford are hard to head when it comes to setting a fine table. At one thirty came the hobo exhibition which made old and young assume a hearty laugh which was healthy so soon after a hearty meal. Next in line was the races which were won by the following parties: Young mens race, Haskins; boys race 10 to 12, Tom Weekly, girls 10 to 12, Laura Sturdivant; young ladies' race, Miss Dunbar; boys' race 12 to 15, Tommy Sturdivant; egg race, Fanny Sturdivant; 3 legged race, Walter Laird and partner; sock race, Walter Laird; shoe race, Erny Folsom; bicycle race, Walter Laird, time one mile in 3 minutes and 13 seconds.

A bad complexion generally results from inactive liver and bowels. In all such cases, DeWitt's Little Early Risers produce gratifying results. R. S. Knowlton.

COOS BAY NEWS.

F. X. Hofer, of the Mail, returned Thursday from Salem, bringing his son Fred with him.

The old cannon at North Bend exploded while a salute was being fired, early on the morning of the 4th. Fortunately nobody was injured.

Wright Allen, while working in the lath mill, at the stove mill, on Friday last met with an accident, which caused the loss of the thumb of his right hand. Dr. Tower dressed the wound.

One of Capt. Edward's houses, Alleghany, caught fire, Thursday night, and was burned with nearly all its contents. It was occupied by Harm Edwards, and it is thought firecrackers are responsible for the disaster.

Willie Weir, aged 14 years, son of Wm. Weir, of Haynes slough, was drowned in Tenmile lake on Wednesday last. He was in a skiff with another boy, Jack Davis, of West Marshfield, and while changing seats, Willie fell backwards and overboard, capsizing the skiff. Jack managed to reach shore, but Willie was not so fortunate, and it is supposed that he sank in the neighborhood of where the skiff was upset. The body was recovered on Friday, and was brought to Marshfield, where the funeral was held Saturday. Services were held at the M. E. church, Rev. R. C. Lee, officiating, and much sympathy was expressed for the bereaved relatives.

Helena, Mont., July 9.—W. W. Wylie, who has just returned from Mammoth Hot Springs in Yellowstone Park brings the report that two women, who are believed to be Mrs. Zabriskie and daughter, of Brooklyn, met with a shocking accident while inspecting the boiling mud "Paint Pots" at the Thumb on Yellowstone Lake Saturday afternoon. The women who entered the Park by the Mouda route, fell into the natural cauldron, where the boiling mud was waist deep, and could only be rescued with great difficulty. They were taken to the Lake hotel, where a physician said their injuries might prove fatal.

It is probably true that almost every man has in him certain qualities which would draw some woman to him, but it is difficult to frame a statement in general terms of "What Women Like in Men." This is the task which a very well-known author, under the nom-de-plume of Rafford Pyke, has undertaken in The Cosmopolitan for July in a clear essay, which proves him to have made woman the subject of thorough observation and comprehensive study. "The foreign girl," says the author, "marries the man with whom she will be happy, the American marries the man without whom she will be unhappy."

Anyone in Coquille City who has property to exchange for property in Bandon will do well to call at the HERALD office.

A WORTHY SUCCESSOR. "Something New Under the Sun."

All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, and the powders and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES the GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE, ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE." Sent prepaid to any address in the United States or Canada on receipt of One dollar. Address Dept. E849 EDWIN B. GILES & Co., 2320 and 2332 Market Street, Philadelphia, 1901.
