Benjamin McClure, who has resided at the Johnson Mill for some five years, dropped dead of heart failure at the railroad depot at Beaver Hill, last Wednesday afternoon at about 2 o'clock. It seems that Mr. McClure left his home in the morning feeling as well as usual, going to Beaver Hill on horseback on business, and departed this life as before stated. He leaves a wife, three sons and two daughters to mourn his death, all of whom live at the home at the mill. This is an extremely sad occurrence, this bereft mother being blind. The noble-hearted operatives of the Johnson mill got up a purse for the immediate relief of these stricken people, donating thereto to the amount of upwards of fifty dollars. Deceased was laid to rest in the Norway graveyard. The family have the heartfelt sympathy of the entire community.

In Memory of Daisy Edwards.

Step softly, speak lowly, not a word must be said. Our home is so lonely since Daisy is dead. Dearest Daisy she has left us, And our home is so lonely. For on earth no more we'll meet her, And her voice no more we'll hear. She was weary and God called her, Called her to the realm above; Where in angel robes he dressed her, With a crown upon her brow. Dearest Daisy, how we miss thee, And the future seems so dear; But we hope to meet thee Daisy, In the realms of endless love. Isa. C. H.

C. M. SKEELS,

SUDDEN PASSING AWAY.

Hon. S. H. Hazard Succumbs After a Short Illness.

County Clerk S. H. Hazard, of this city, received the sad intelligence of the death of his father yesterday evening, the old gentleman having passed suddenly away after a short illness. He was over to visit him only a few days since, and came home leaving him, as he thought, out of danger, but the summons came without warning, thus summarily taking off one of our most honored and respected citizens. He leaves a wife and one son to mourn his death.

The following sketch of deceased we take from the January Special Edition of the Marshfield Sun:

There is probably no member of the legal profession better or more favorably known throughout southern Oregon than is the subject of this sketch, by reason of his long and intimate acquaintance with its leading men, and active participation in all matters of public import that have tended to advance the interests of this portion of the state. His ability and integrity have made for him friends in all classes of society. Mr. Hazard is a native of Louisiana, being born in Baton Rouge on the sixteenth day of June, 1838. When but six years old his parents removed to New Jersey, remaining but a short time they again removed first to Pennsylvania, then to Mississippi, and in October, 1848, located in Iowa City, Iowa. Mr. Hazard received his preliminary education in the public schools in Iowa City, and in 1855 entered the University of Iowa, where he remained for two years. He then accepted a position in the mercantile house of his brother-in-law, G. D. Palmer, where he remained for the next eighteen months. Resigning this position, he went to work on the farm where he remained until 1860, at which time he began the study of law under the well-known firm of Patterson & Robinson of Iowa City, where he remained until he was admitted, January 23, 1864. Shortly after being admitted, Mr. Hazard made a trip across the plains to San Francisco. In 1865 he returned to Iowa and purchased a farm. While living on this farm he continued to devote a part of his time to the practice of law, and in 1869, on account of the rapid increase of his practice, he was, in justice to himself and his clientele, compelled to give up farming and devote his time to his law practice. In 1873 he removed to Oregon, and located in Empire City (then the county seat of Coos county). In June, 1876, Mr. Hazard was elected district attorney and re-elected in 1878. On the twenty-fifth of July, 1900, Mr. Hazard removed to Marshfield and opened his office in the Bennett Walters building. Mr. Hazard has decidedly one of the finest law libraries in southern Oregon if not in the state (outside of Portland). His library is very conveniently arranged along the walls of his suite of four office rooms, and consists of something over 2,000 volumes. Mr. Hazard is a member of the A. O. U. W.

As we mentioned a week or so ago, it being necessary that our popular taylor, Mr. Slagle, get more help to conduct his fast-growing business here, Geo. W. Weiler, jr., of Roseburg, joined him yesterday, thus adding to his ability to meet the demands for the output of this shop.
