The Belvidere Carpet Stretcher and Tacker is a household necessity for which Rev. C. A. Stine is taking orders in this section. He has taken quite a number of orders already, and from present indications few houses will be without one in a short time. It is certainly the neatest and most successful labor-saving device we have seen lately, and all who use carpets can ill afford to be without one.

From a recent letter written by Master Norman Mace, of Oregon City, to Miss Leona Dean, of this place, we learn of the death of little Marlin, the five-year-old son of Mr. and Mrs. Dr. Moore, formerly of this place, who will be well remembered by his many little friends and playmates here, while his parents will have the sympathy of a large circle of friends in this county.

Astoria, July 15.—Salmon fishing boats gold mining when fish are plentiful, and if the run of salmon continues to improve proportionately for a few weeks as it has for the past one, Astoria's gill-netters will have money to burn. Already a few of the fishermen have earned almost incredible sums for a single night's work, and should the expectations of many students of the habits of the salmon be realized, others will reap the golden harvest.

A nice garden lot of about one acre in a beautifully located and well sheltered place near the Bandon beach will be sold very cheaply if a buyer be found soon. For full information and terms call at the HERALD office.

A WORTHY SUCCESSOR. "Something New Under the Sun."

All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and druggin paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SUFFLES" the GUARANTEED CATARRH CURE, and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect cure.

"SUFFLES" is the only perfect CATARRH CURE, ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and when full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SUFFLES" the "GUARANTEED CATARRH CURE."
