THE FAIR A SUCCESS.

Fine Weather, Good attendance and interesting Programs.

The fair passed off in good shape all the way through and again reflects great credit upon the management. Everything was done to make it a success by its promoters, and all that was lacking was the general interest by the people. As is often the case, too many go empty-handed, expecting the other fellow to furnish the exhibit. However, there was a creditable showing in all departments. As usual the races proved of the most interest of any feature of the fair, a concise report is as follows:

For the first day there was no set program of races, but a match took place, a 1/4 mile dash between saddle horses belonging to Hi Wright and O. Baynton, the latter winning. Purse \$40.

SECOND DAY'S RACES.

Race No. 1—Saddle horse race, 1/4 mile, purse \$60. Entries, J. L. Beckley's Cloud, A. Ogren's Fannie Tilden, F. P. Norton's Emblem, E. A. Anderson's Police, E. M. Rutherford's White Stockings, Jesse Norton's Tom Lewis. Five started and came under the wire in the following order: Tom Lewis first, Police second, Cloud third, Emblem fourth and White Stockings fifth. Time 54.

Special 1/4 dash, purse \$75. Entries, Geo. Turpen's Midget, McKay's Boy's Sox, Will Dixon's Goldie, Chas. Noble's Jessie.

The bull race, a very laughable affair, took place between W. H. Noble's Schley and Dewey and Capt. Harris Jersey, being won by the latter.

THIRD DAY'S RACES.

Race No. 1—Trotting and Pacing; 4:40 class; 3 in 5; purse \$200. Entries: G. W. Hughes's Douglass, F. P. Norton's J. C., Wm. McMullen's Grand Ronde, W. H. Noble's Klondike.

All the horses entered started in this race which was decided in four heats. Douglas took the first heat in 2:46; I. C. second, Klondike third and Grand Ronde fourth. The other three heats were taken by Grand Ronde in 2:37, 2:42 1-5 and 2:41. I. C. was second in the second and fourth also and took second money, Douglas taking third.

Race No. 2—Running one-half mile dash; purse \$100. Entries: F. P. Norton's Mary D., A. R. Kent's Durango, P. Hennessey's Matt, Wm. Dixon's Goldie.

Durango, Mab and Mary D started in this race and came under the wire in the order mentioned. Time 35.

Race No. 3—1/4 dash. Entries: H. Hill's Police, F. P. Norton's Tennessee Maid, Chas. Noble's Jessie, O. J. Seeley's Billy Lee, Wm. Dixon's Goldie.

Goldie, Tennessee Maid and Jessie ran and came in as named. Time 38. In the trot and pace, Senator T. M. Dimnick acted as one of the judges in place of L. M. Noble who was disqualified to act.

FOURTH DAY'S RACES.

Race No. 1—Trotting; 2:50 class; 3 in 5; purse \$200. Entries: Buzz Wm. McMullen; Bonner Oak, F. P. Norton; Dewey, E. Getty; Fannie H., C. A. Metlin.

Fannie H. was not started. Buzz took three heats and the race. Time 3:59, 2:57 and 2:56. Bonner Oak came second in the first heat, Dewey in the second and third.

Race No. 2—Running, one-half mile and repeat; purse \$150. Entries: Mary D., Norton; Mab, P. Hennessey; Billy Lee, O. J. Seeley; Durango, A. E. Kent.

In both heats Durango came in first. Mat second, Mary D. third and Billy Lee fourth. Time 53 and 52 2-5. The last named horse was a very bad actor and his antics caused much delay in starting throwing the last race very late.

Special trot—2 in 3; purse \$75. Entries: Bonnie Lass, G. W. Hughes, Jasper N. F. P. Norton, Hood C. A. Metlin.

Hood took the first heat and Jasper N. the second and third. Time 3:00 2-5, 3:02 and 2:59.

In the 100 yards footrace Hague, Snedden and Goodman. Goodman failed to start when the pistol cracked, and Hague took the race easily.

FIFTH DAY'S RACES.

Trotting, 3 minute class—3 in 5, purse \$150. Entries: Getty's Dewey Norton's Bonner Oak, C. F. McKnight's Fannie H.

Trotting and pacing, free for all 3 in 5, purse \$200. Entries: McMullen's Grand Ronde, Norton's I. C., Hughes Douglas.

Running, novelty, purse \$150. Entries: Chas. Noble's Jessie, P. Hennessey's Mab, Wm. Dixon's Goldie, A. E. Kent's Durango.

Fort Hall Indian Reservation to be Open.

391,680 acres of land reserved for the use of the Shoshone and Bannock Indians in southern Idaho will soon be thrown open to appropriation under the homestead, townsite, stone and timber and mining laws of the United States. This body of land takes in about one-half of the Fort Hall reservation which was created by treaty concluded at Fort Bridger July 3, 1858, and ratified by the United States Senate and also by Executive order February 16, 1869.

The city of Poentello is located in about the center of the district that is to be opened. There are five hundred and two Indians and their friends who are entitled to allotment on the Fort Hall Reservation. Those of them who have settled upon the lands that are to be opened may, if they choose, transfer their claims within the limits of the reduced reserve. Their improvements will be appraised and sold to the highest bidder and the money received from this source will be paid over to the Indian. If he refuses to change his location, an allotment will be allowed him for the land settled upon. The purchaser of such Indian's improvements will be allowed preference right of entry for thirty days, not to exceed 160 acres.

After all allotments have been made to such of the Indians as prefer to retain their claims beyond limits of the new reservation, the lands will be classified by an employee of the General Land Office under the supervision of the Secretary of the interior.

The law provides for the following classification on those of lands that are susceptible of irrigation from the canal of the Idaho Canal Company, must be paid for at the rate of ten dollars per acre; all agricultural lands not under this canal will cost two dollars and fifty cents per acre; and grazing lands at the rate of one dollar and twenty-five cents per acre; one-fifth of the total amounts must be paid at time of entry and the remainder on the day of final proof. No person is allowed to enter more than 160 acres of this land, except those who acquire title to the land by the use of Soldier's Additional homestead scrip, in which case there is no restriction as to the quantity. The party using scrip will be required to pay the regular rate per acre (\$10, \$2.50 or \$1.25 as the case may be), in addition to the use of the scrip.

The further provisions are that sections sixteen and thirty-six are reserved to the State of Idaho for public school purpose, that no land shall be sold under any of the townsite laws for less than ten dollars; that all of the land within five miles of Poentello shall be sold at public auction; that none of the land shall be sold under any of the mineral land laws for less than ten dollars per acre.

Theory of Koch Ignored.

Chicago, Aug. 28.—Dr. Arthur R. Reynolds, Health Commissioner of Chicago, has returned from England, where he attended the sessions of the British congress on tuberculosis at which Dr. Koch expounded his tuberculosis theory. Whether the tests which are to be made of Koch's theory that animal tuberculosis is not communicable to human beings succeeded or not, according to Dr. Reynolds the inspection of animals by the Health Department will continue, and those infected with tuberculosis will be condemned and disposed of as before.

"So long as I am Health Commissioner," said Dr. Reynolds, "the rigid inspection will continue. Animals infected with tuberculosis will be disposed of."

R. W. Pursell, Kinterville, Pa., says he suffered 25 years with piles and could obtain no relief until De Witt's Witch Hazel Salve effected a permanent cure. Counterfeits are worthless. R. S. Knowlton.

Mosquitoes and Fever.

Havana, Aug. 27.—Of the eight persons bitten by infected mosquitoes in connection with the experiments conducted by the yellow fever board during the last three weeks, three have died. Three others, who took the fever, are expected to recover. Two have not developed the disease. Surgeon-Major Reed intends to continue the investigations.

Carnival At Portland.

The business men of Portland have subscribed \$15,000 to guarantee the expenses of a Carnival to be held in the Exposition building from Sept. 18 to Oct. 19.

A notable exhibit of all the industries of the Pacific Northwest will be made in the big exposition building, and athletic exercises, a horse show, and a military tournament will be held on Multnomah Field adjoining. Two full military bands have been engaged, and there will be many fine features in the amusement line.

The Carnival is in charge of a committee comprising 28 representative business men, of which Gen. Owen Summers is president, I. N. Fleischner vice-president, A. B. Steinhilber treasurer, and J. D. Mann secretary.

With such men at the head of the affair, the Carnival is sure to be well worth visiting.

Sid Darling, 102 1082 Howard St. Port Huron, Mich., writes: "I have tried many pills and laxatives but De Witt's Little Early Risers are far the best pills I have ever used." They never gripe. R. S. Knowlton.

Trouble Brewing in Salvador.

San Francisco, Aug. 27.—The steamer San Jose, from Central America, reports that at Acapulco it was said that another revolution for the purpose of overthrowing the government of Salvador was imminent, though no outbreak had yet taken place.

Chas. Farris, of Bandon, was in town today.

Jesse Clinton, of Arago, who has been ailing for several weeks, started for Portland recently with the intention of entering a hospital, but we understand stopped at Eugene, where he is improving.

Don't wait until you become chronically constipated but take De Witt's Little Early Risers now and then. They will keep your liver and bowels in good order. Easy to take. Safe pills. R. S. Knowlton.

A large district in Russia is being threatened again with famine.

Henry Braydon, Harris N. C., says: "I took medicine 20 years for asthma but one bottle of One Minute Cough Cure did me more good than any thing else during that time. Best Cough Cure. R. S. Knowlton."

Congressman Hull says the Philippines are an ideal field for American enterprise.

George Martin is yet on the road with his hack ready to do a general passenger and freighting business, regardless of reports to the contrary. He expects to be in Roseburg for the three last days of the street fair. Those wishing to visit that place at that time will have an opportunity to do so.

The present Astoria regatta easily surpasses those held heretofore.
