THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves.

No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liqueur Habit.

It is now generally known and understood that Drunkenness is a disease and no weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure," which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

Wives Cure Your Husbands! Children cure your fathers! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "Cure" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. Do Not Wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. 2849 EDWIN B. GILLES & COMPANY, 2330 and 2332 Market Street, Philadelphia.

All correspondence strictly confidential (Port Orford Tribune.)

An effort is being made to have the Ophir postoffice re-established.

Born—At Elk River, Sept. 5th 1901, to Mr. and Mrs. A. J. Marsh, a son.

Mrs. McKeil departed for the Coquille yesterday, to remain indefinitely. She was accompanied as far as Dairyville by Mrs. Neygreu.

James W. Curry died at his home on Eucbre creek, Sept. 4th, 1901, aged 69 years. Although having been in poor health for some time, his death was sudden, and came as a shock to his friends and neighbors. Deceased was born in Ohio in 1832, was married in 1858 to Francis A. Coolman, and moved to Oregon in 1875, coming to Curry county the same year, where he continuously resided up to the time of his death, his wife having died in 1893. He leaves three sons, eleven grandchildren and a large circle of friends to mourn his loss, for he was a good citizen, who was universally respected and esteemed.

A Certain Cure for Dysentery and Diarrhoea.

"Some years ago I was one of a party that intended making a long bicycle trip," says F. L. Taylor, of New Albany, Bradford county, Pa. "I was taken suddenly with diarrhoea, and was about to give up the trip, when Editor Ward, of the Laceyville Messenger, suggested that I take a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I purchased a bottle and took two doses, one before starting and one on the route. I made the trip successfully and never felt any ill effect. Again last summer I was almost completely run down with an attack of dysentery. I bought a bottle of this same remedy and this time one dose cured me." Sold by R. S. Knowlton.

High Praise for Oregon Timber.

Washington, Sept. 9.—There can be no doubt but what the sterling worth of Oregon timber is recognized throughout the world over. This fact is unmistakably attested by a recent report to the State Department from Consul-General J. G. Stowe, of Cape Town, South Africa. He says that the lumber trade of South Africa for the past year has been highly gratifying, and that the United States has had the bulk. "The lumber is principally Oregon pine," he adds. At the date of his report, July 13, 12 American sailing vessels were awaiting discharge at the Cape Town wharves. His only regret is that more of the American lumber shipped to South Africa has to be carried in foreign vessels.

The remarkable showing of the American lumber trade is all the more pleasing, he says, in view of the fact that trade with the United States, on the whole, shows a decided falling off for the past year.

Water Cure for Chronic Constipation.

Take two cups of hot water half an hour before each meal and just before going to bed, also a drink of water, hot or cold, about two hours after each meal. Take lots of outdoor exercise—walk, ride, drive. Make a regular habit of this and in many cases chronic constipation may be cured without the use of any medicine. When a purgative is required take something mild and gentle like Chamberlain's Stomach and Liver Tablets. For sale by R. S. Knowlton.

Pennsylvania Anarchists Celebrate.

M'Keesport, Pa., Sept. 8.—Two hundred anarchists celebrate President McKinley's assassination today at Guffey Hollow, a mining hamlet across the Youghiogheny river from Buena Vista. Beer, whisky, speeches, songs and praises for Czolgosz were the order of the day. This is one of the largest anarchist groups in the country. It was started and led by Garcia Ciameville, who now lives at Spring Valley, Ill., and edits the Firebrand, the anarchist organ. When Bresci assassinated King Humbert, Ciameville declared that McKinley would be the next victim of the anarchist plots.

A Communication.

Mr. Editor—Allow me to speak a few words in favor of Chamberlain's Cough Remedy. I suffered for three years with the bronchitis and could not sleep at nights. I tried several doctors and various patent medicines, but could get nothing to give me any relief until my wife got a bottle of this valuable medicine, which has completely relieved me.—W. S. Brockman, Baguel, Mo. This remedy is for sale by R. S. Knowlton.

Great floods in China have drowned thousands of inhabitants along the Yangste river as well as the rice crop about Wuhu. Famine is probable.

Carnival Coming on.

On Wednesday evening, Sept. 18, the Portland Carnival will open in a brilliant array of splendor such as is seldom seen in the northwest. The great exposition building will be illuminated by nearly 3800 electric lights, while the adjoining Multnomah Field, with its five acres, will have lights equaling 40,000 candle-power. The Carnival will afford a whole month of pleasure and interesting instruction. The railroads and steamboats are going to carry people to and from the Carnival at one and one-third fare for the round trip, and their excursion ticket will be good for 7 days. There will not be a dull moment at the Carnival—some sort of entertainment will be going on all the time, afternoon and evening, with two full military bands, discoursing music. The array of attractions will be unsurpassed, and the Carnival will last a month.
