A Letter from Rev. Stine.

Yreka, Oct. 8th, 1901.

EDITOR HERALD: I will just drop you a few lines to say that we got here all safe and sound, and find a nice little town of about two thousand people, all snugled in the hills so neat and cozy that they all seem at home. Business is said to be quiet just at the present, as mining is nearly suspended for want of water. The fall rain has not fairly set in yet, and until that occurs all will be quiet. Yet to a Coos county moss back things seem lively. We enjoyed the trip quite well. Got through without rain except a little sprinkle the second day out from Coquille. We had a good deal of innocent sport while we were all in the wagon "taking a ride." I must mention Mrs. White as an excellent lady with whom to journey. My wife and I enjoyed her company very much. We all enjoyed each others companionship all the way, and George Martin takes good care of his passengers on the way. At the Sheep Ranch we had a lively time; about 2 o'clock a. m. one of the ladies slept in the next room to ours and at the above hour I was far away in dream land and in a plaintive voice I heard a call as of some female in distress: Mrs. Stine, Mrs. Stine—what is the matter? I called out, what is the matter? The answer came from under the covering in the adjoining room there is some dreadful thing in this room. I said it is a rat; no it is some big thing. So wife and I got out in our long priestly robes and went to investigate, and lo there it was a green eyed monster of a skunk, and I opened the outside door and I traveled after him around the room and he became frightened at my long robe and fled outside to the great relief of said female, who had not yet slept any on account of the dreadful pat-a-pat of this dreadful monster. Women are brave you know. No names. We will move onto other scenes after a while. To all our friends we say, God bless and keep you.

Respectfully, C. A. STINE.

Coos Bay News.

The berry pickers have finished harvesting C. D. McFarlin's crop of cranberries. The weather has been very favorable this year, and the berries are of an extra good quality. J. W. Quick, who is employed at Noble & Sons' logging camp, near West Marshfield, met with a painful accident Friday evening. He was coming down from the camp on the logging train, and in getting off one of the trucks, near the landing his foot slipped and he fell on the track. The wheel passed over both thighs, breaking no bones but badly bruising the limbs. Dr. Horsfall attended him and anticipates no serious results.

Coquille Council, Fraternal Aid Association, is now enjoying quite a rapid growth through the efforts of State Organizer J. H. Frederick. On the night of the 5th inst, there were 21 new members initiated and there are still more to come. This is the only lodge of this order in the state of Oregon, but through the efficient work of Mr. Frederick we feel confident that in the very near future there will be many councils within the borders of our state. This gentleman has spent the last nine years past in California in the work of organizing for this order and is an experienced and energetic worker. This is an exceedingly interesting order to belong to, as men and women join the same lodge on the same terms and in all ways receive the same benefits. Men may take their wives and young fellows their best girls and all enjoy all the benefits of the order, social and otherwise, all together. This is a feature worth consideration.

\$100—Reward—\$100. The readers of this paper will be pleased to learn that there is at least one diseased person that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O.

A WORTHY SUCCESSOR.

"Something New Under the Sun."

All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack, open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their members have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specially of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the affected parts. This wonderful remedy is known as "SNUFFLES THE GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment, and everything necessary to its perfect use. "SNUFFLES" is the only perfect CATARRH CURE, ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION. "SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE." Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address: Dept. E846 EDWIN B. GILES, Co., 2339 and 2342 Market Street, Philadelphia.
