 Carl Danielson, nephew of our ship carpenter, S. Danielson, of the lower river, who recently returned from a six months sojourn in the arctic region, was up to town Friday. He, like many others from that section, expresses the opinion that that is a good country to keep away from.

Andrew Olsen, of Langlois, came up Thursday expecting to take a steamer for San Francisco, but the Alliance having sailed, he concluded to go out overland, and might take a notion to go north instead of below. He will spend the winter visiting about either at Portland or San Francisco.

160 acres for sale. 3/4 of a mile from river. Enough red cedar to cut 1,000,100 shingles, good grazing and fruit land with fine bottom land garden of about 3 acres, and 100 young fruit trees set, few bearing. Fine coal on place. Would take good team as part pay, and give time on part. Inquire of the HERALD.

Our popular teamster, Will Mansell, came near being seriously hurt Friday while transferring the piano of J. B. Sweet from the depot to the steamer landing. At his arrival at the wharf he proceeded to unload the instrument which got the advantage of them, sliding out of the wagon a little more rapidly than was expected, and coming onto slanting ground, it fell over backwards, catching Mr. Mansell fully under it. He received considerable of a squeeze but no permanent injury, as the instrument's motion was slow. Otherwise it would have crushed him. However, he considers he got off luckily.

 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & Co., Toledo, O.
 Sold by druggists, 75 cents. Hall's Family Pills are the best.

A WORTHY SUCCESSOR.

"Something New Under the Sun."

All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and druggin paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES THE GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine, sufficient for a full month's treatment and everything necessary to its perfect use. "SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD. CATARRH when neglected often leads to CONSUMPTION. "SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE." Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. E849 EDWIN B. GILES & Co., 2330 and 2332 Market Street, Philadelphia.
