**MAY LOOSE HER MIND.**  
Miss Stone's Imprisonment is Affecting Her Reason.  
New York, Nov. 13.—Ivan Moloch, a Bulgarian clergyman from Uscub, in Macedonia, has just arrived from visiting Miss Stone, and is now in consultation with Mr. Dickinson, says a Sofia, Bulgaria, dispatch to the Journal and Advertiser.  
"Miss Stone," he said, "is in the house of Bekir Bey, in the town of Cesre, Macedonia. I left her two days ago, coming direct to Mr. Dickinson to try to arrange for her release. Miss Stone and Mme. Tsilka are well, but the strain is terrific, and there is danger that Miss Stone may lose her mind. To be always in the same surroundings is likely to drive her crazy; constantly looking at the same objects has semi-mesmerized her, and she had a presentiment that evil will befall her."  
**Jumped on a Ten Penny Nail.**  
The little daughter of Mr. J. N. Powell jumped on an inverted rake made of ten penny nails, and thrust one nail entirely through her foot and a second one half way through. Chamberlain's Pain Balm was promptly applied and in five minutes later the pain had disappeared and no more suffering was experienced. In three days the child was wearing her shoe as usual and with absolute no discomfort. Mr. Powell is a well known merchant of Forkland, Va. Pain Balm is an antiseptic and heals such injuries without maturation and in one-third the time required by the usual treatment. For sale by R. S. Knowlton.

**Good News.**  
Miss Bessie Heward has gone to San Francisco to visit her sister, Mrs. E. P. Lewis.

The Arcata was repaired and painted while on the drydock in the city, and looks good for twenty years more.

Arrivals by Arcata, Sunday: C. Bredhoff, P. Herberg, E. M. Galder, Mrs. Piper, J. A. Youkman, C. A. Johnson, C. Dalton, W. Holland, W. Irvine, Mrs. Irvine, J. Nelson, H. Hart, J. Beck, W. Young, J. Bush, and 14 in steamer.

In a scrimmage, during football practice, Sunday afternoon, George Herron was so unfortunate as to have his nose broken. A trifle like that doesn't dampen George's ardor, however, as he is built of the right kind of stuff for a football player.

Peter Michelbrink was down from North Coos river, Sunday. He says Fred Noah lately captured two of the panthers which were killing his sheep, by trapping them. He set some No. 4 beaver traps in a runaway used by the panthers, and was agreeably surprised at his success.

T. R. Sheridan, of Roseburg, has been investing heavily in Coos county apple crop. He shipped several thousands boxes lately to Portland, and is having many thousands more packed preparatory to shipping. It is said most of the apples are intended for the eastern market.

**The Commoner.**  
(MR. BRYAN'S PAPER)  
The Commoner has attained within six months from date of the first issue a circulation of 100,000 copies, a record probably never equaled in the history of American periodical literature. The unparalleled growth of this paper demonstrates that there is room in the newspaper field for a national paper devoted to the discussion of political, economic, and social problems. To the columns of The Commoner Mr. Bryan contributes his best efforts; and his review of political events as they arise from time to time can not fail to interest those who study public questions. The Commoner's regular subscription price is \$1 per year. We have arranged with Mr. Bryan whereby we can furnish his paper and the HERALD together for one year for \$2. The regular subscription price of the two papers when subscribed for separately is \$2.50.

**THE HOME GOLD CURE.**  
An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Their Reason.  
No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liquor Habit.  
It is now generally known and understood that Drunkenness is a disease and no weakness. A body filled with poison and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure," which has been perfected after many years of close study and treatment of inebriated men. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

Wives Cure Your Husbands! Children cure your fathers! This remedy is in no sense a nostrum, but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "Cure" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. Do Not Wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effective than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address: Dept. E849 ELYN N. GILLES, Company, 2330 and 2332 Market Street, Philadelphia, Pa. All correspondence strictly confidential.

**AGENTS WANTED.**—To sell "MCKINLEY'S Dying Words," the latest, greatest and most pathetic copyrighted song of the day. Over 15,000 were sold in Chicago during first 3 days of publication. Smith, the noted band leader and musical composer. A financial harvest can be made by energetic canvassers. Send 25 cents for sample copy and terms to agents and retail dealers. Address, THE BEST MUSIC CO., Kingsley, Iowa.

"Last winter an infant child of mine had croup in a violent form," says Elder John W. Rogers, a Christian evangelist of Filley, Mo. "I gave her a few doses of Chamberlain's Cough Remedy and in a short time all danger was past and the child recovered." This remedy not only cures croup, but when given as soon as the first symptoms appear, will prevent the attack. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult.  
For sale by R. S. Knowlton.

**ARE YOU DEAF? ANY HEAD NOISES?**  
ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE by our new invention. Only those born deaf are incurable. HEAD NOISES CEASE IMMEDIATELY.  
F. A. WERMAN, OF BALTIMORE, SAYS:  
Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.  
About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.  
I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.  
I then saw your advertisement, accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and today, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours,  
F. A. WERMAN, 730 S. Broadway, Baltimore, Md.  
Our treatment does not interfere with your usual occupation.  
Examination and treatment at a nominal charge.

The Improved "Arlington" Sewing Machine  
NEW HOME STYLE LATEST BEST CHEAPEST  
Shipped to anyone, anywhere, in 10 days' time, in your own home, without making any credit advance.  
10 Years' written guarantee of workmanship.  
A strictly high-grade Sewing Machine, built throughout in the best possible manner. It possesses all the modern improvements and its mechanical construction is such that it is able to stand up to the most severe use of running, darning, and quilting. It is possible for the machine to be put out of order. It never rusts and all kinds of thread and all classes of material. Always ready for use and guaranteed for speed, durability and quality of work. Notice the following points of superiority:  
The Head of the "Arlington" swings on patent socket hinges, firmly held down by a thumb screw. Strong, substantial, neat and handsome in design, and beautifully ornamented in gold. Its plate has rounded corners and is self or counterbalanced, making it dash with top of table. Highest Arm—select under the arm is 5 1/2 inches high and 3 inches long. This will admit the largest skirts, and even quilts. It is Self-Threading—Absolutely no holes to put thread through except eye of needle. Shuttle cylinder, open on end, entirely self-threading, easy to put in or take out. Bobbin holds a large amount of thread. Stitch Regulator is on the bed of the machine beneath the bobbin winder, and has a scale showing the number of stitches to the inch, and can be changed from 8 to 22 stitches to the inch. Feed is double and extends on both sides of needle; never fails to take goods through; never stops at seams; movement is positive; on springs to break and get out of order; can be raised and lowered at will. Automatic stop on both sides, not run while winding bobbin. Light Running—Machine is easy to run, does not fatigue the operator, makes little noise and runs rapidly. Stitches in a double lock stitch, the same on both sides, will not ravel, and can be changed without stopping the machine. Tension is a flat spring tension, and will admit thread from 8 to 20 pound cotton without changing. Never gets out of order. The Needle is a straight, self-cutting needle, flat on one side, and cannot be put in wrong. Needle Bar is round, made of case-hardened steel, with oil cup at the bottom to prevent oil from getting on the goods. Adjustable Bearings—All bearings are case-hardened and polished. A primary screw, with a screw driver, all led motion can be taken up, and the machine will last a lifetime. Attachments—Each machine is furnished with necessary tools and accessories, and in addition we furnish an extra set of attachments in a velvet lined metal box, free of charge, as follows: One roller and pathner, one blinder, one shirring plate, one set of four hemmers, different widths up to 3/4 of an inch, one linker, one under hander, one short or attachment foot, and one thread cutter. Woodwork of finest quality oak or walnut, gaiter cover and drawers, nickel-plated rings to drawers, dress guards to wheels, and device for replacing belt.
