J. R. Bonham, of dora, was in town the forepart of last week, and reported all well in his neighborhood. W. H. Weaver, electrical engineer at the power plant of Mr. Morse at the Johnson Mill made us a pleasant call on Friday.

FOR SALE OR TRADE—A first-class Camera. Will take in exchange a good typewriter. Call on F. M. Stewart, Coquille City. F. A. White has on hand a lot of excellent waterproof boot and shoe dressing of his own manufacture. Just the thing for your foot ware this wet weather.

Charles Magee, of Empire City, who has been employed on the stranded Baroda for some time, returned to his home Wednesday by way of this place. FOR SALE—A first-class, fire-proof safe, of the Hall pattern with two sets of double doors, weighing 5,000 pounds, as good as new, for \$150. Inquire at the HERALD office.

Carbonate Items.

Many changes have taken place in our quiet vicinity within the last year. The coal mine promises to be a great success. One 7-foot vein, one 4 feet and one 3 feet have been opened.

Mr. Sweet is improving his ranch in many ways, indicating an enterprising citizen as well as a desirable neighbor.

Charles Randleman has purchased a part of the Goram ranch and is erecting a frame house which it is supposed he will occupy as a residence soon and the young folks are looking forward to a house-warming.

W. M. Burgess is building a residence on his ranch just across from Carbondale, and will occupy it some time this month.

The Messrs. Welch who bought the W. H. Waddington ranch, have also purchased the O. P. Ellingson ranch. They are well pleased with Oregon.

Mrs. Burgess has just returned from Norway, where she has been visiting her daughter, Mrs. Finley Schroeder. She reports Finly and wife moved to their new house on the Grady place. Finly has completely remodeled his house, and contemplates many other improvements in the near future.

GESCOIGNE.

Clerk's Wise Suggestion.

"I have lately been much troubled with dyspepsia, belching and sour stomach," writes M. S. Mead, leading pharmacist of Attleboro, Mass. "I could eat hardly anything without suffering several hours. My clerk suggested I try Kodol Dyspepsia Cure which I did with most happy results. I have had no more trouble and when one can go to eating mince pie, cheese, candy and nuts after such a time, their digestion must be pretty good. I endorse Kodol Dyspepsia Cure heartily." You don't have to diet. Eat all the good food you want but don't overload the stomach. Kodol Dyspepsia Cure digests your food. R. Knowlton.

From the Coos Bay News.

Coos Bay Camp, W. of W., is making arrangements to appropriately celebrate their anniversary on March 8th. Henry Sengstacken contemplates building a residence on his lots on Myrtle street. He sold his property on the savdust last week to J. C. Brown.

Geo. Farrin has accepted the position of steward at the Central dining rooms. Mr. Farrin has had nine years' experience in some of the best hotels in San Francisco, and is exceptionally well qualified for such a position. He makes a specialty of course dinner and banquet.

News was received Saturday of the death of Mrs. Thomas, which occurred at the residence of her daughter, Mrs. Jennie Hutcheson, Shotwell street, San Francisco. Mrs. Thomas was 82 years old, and made her home with relatives on Coos bay, most of the time, for the past 30 years.

Favorite Nearly Everywhere.

Constipation means dulness, depression, headache, generally disordered health. DeWitt's Little Early Risers stimulate the liver, open the bowels and relieve this condition. Safe, speedy and thorough. They never gripe. Favorite pills. R. S. Knowlton.

A rousing citizens meeting will be held Tuesday evening for the purpose of perfecting the organization of a board of trade. It is to be hoped every business and professional man in town will attend. Considerable interest has been awakened in this very commendable movement since the preliminary meeting of last week and a live board of trade is assured for Roseburg.

The Evening Telegram of the 6th inst. gives full description of the Crescent Coal company's mine at Coos City, this county. This paper takes occasion frequently to give our section favorable notice of which our people should take account. Beside, it reaches us with the news of the world 12 hours sooner than any other leading paper. You should try it for a short time, at least.

Saved Him From Torture.

There is no more agonizing trouble than piles. The constant itching and burning make life intolerable. No position is comfortable. The torture is unceasing. DeWitt's Witch Hazel Salve cures piles at once. For skin diseases, cuts, burns, bruises, all kinds of wounds it is unequalled. J. S. Gerall, St. Paul, Ark., says: "From 1865 I suffered with the protruding, bleeding piles and could find nothing to help me until used DeWitt's Witch Hazel Salve. A few boxes completely cured me." Beware of counterfeits. R. S. Knowlton.

The Foresters purpose giving their Annual Ball, Saturday evening, March 1st.

Bert Harrington and George Lorenz took a trip into Northern Carry last Wednesday duck hunting, in tending to return Friday on the stage. They missed the stage by a few minutes and got home about 9 o'clock with 31 ducks and a goose after a walk of about sixteen miles, six of which was accomplished after dark and thought a thunder storm. Well the boys think "good ducks are worth it."

E. Dyer & Shoemaker are experimenting upon cutting matches. They are preparing the wood for shipment in boxes. This product when it reaches its destination will be dried, separated into squares and dipped in the proper mixture, after which the finished article will be made up in packages ready to be placed on the market. Just what this experiment will amount to remains to be developed. This section can furnish an immense amount of matchwood and if it can be worked up at home and shipped at a profit, it opens up possibilities for the employment of a large number of men.

Port Orford Tribune.

Hon. J. H. Upton has suffered a good deal lately from an attack of nervous chills. He is now much improved.

A paper is being circulated and liberally signed, providing for the organization of the Port Orford Society of Natural Science and Literature." A meeting will be called soon, for the purpose of organizing.
