Killed by Falling Tree.

On last Wednesday afternoon while Perry and Charles McVey were engaged at slashing timber on their mother's place on Halls creek, a tree was felled which proved the death of the former. In falling the tree struck other trees, causeing the trunk to bound back, striking Wm. McVey on the shoulder and crushing him to the ground and causing instant death. Deceased was a single man, 43 years of age; was born in San Joaquin county California, but has been resident of Coos county for a number of years.

He was an honest, upright and industrious man who held the respect and esteem of all who knew him. His remains were laid to rest on Friday in the cemetery at Myrtle Point, Rev. Thomas Barklow conducting the funeral services.

No. 11. Corner business house, 6 rooms, 2 lots with residence and trees. All rented. $2000. Part time. Sanford.

About 10:30 o'clock last Saturday evening, while the residents of the quiet and peacable portion of town known as Sherwood heights, were resting from their labors and calmly reposing in the entrancing and refreshing arms of Morpheus, the stillness of the evenining was disturbed by the dulcet sounds of music, causing many to wonder from whence came those harmonious strains. Inquary developed the fact that it was February 22nd and was the 21st anniversary of the birth of Mr. W. Dale Strange, and that the band, of which he is a member, were giving him a serenade. After a few well selected pieces of music, whose harmonious notes fell pleasantly upon the appreciative ears of the people of that favored part of town, the boys were bidden to enter where a plesant hour was spent in social converse and where, to the delight of all, Dr. and Mrs. Strange served wholesome and delicious refreshments. At the midnight hour the boys left feeling well paid for their call and Dale duly happy because of the honor conferred on him by the call.

F. C. Brown, of the bay, brought over 200,000 young salmon from the Coos river hatchery, bringing a part by Friday's train and the balance yesterday. They were "planted" in the Coquille at or near Myrtle Point. The Coquille is an ideal stream for the rearing of young salmon. The three forks of the upper river with their pure, clear mountain water and shoals and sandbars, and the lower river with its thirty-five miles of tide water gives all the necessary range for young salmon that would be required to raise them by the millions. Now, if the authorities will see to it that these salmon are not destroyed before they are grown, there is no question but it will greatly augment the fishing interests of our river. There is a question in the minds of some as to whether or not the little "shiners" caught by our boys are young salmon, but it is the purpose of Mr. Brown to asertain this for a fact, and in case they are salmon, the laws against their destruction will be rigerously enforced.

Creamery Meeting.

The Carl Bros, of Norway have almost got their Butter and Cheese factory completed and are expecting the balance of their machinery on the coming trip of Mandalay, and they will call a meeting at there Creamery on Saturday, March the 1 at 10 a. m. for purpose of electing a board of directors and to explain to the patrons on what plan the factory will be run the coming season and the steamer Welcome will leave Coquille at 8 a. m. and take all those that want to attend the meeting the round trip for 25c each. They would like for every body that is interested in the dairy buisness to come.

H. G. & J. D. CARL, Props.

Saved Him From Torture.

There is no more agonizing trouble than piles. The constant itching and burning make life intolerable. No position is comfortable. The torture is unceasing. DeWitt's Witch Hazel Salve cures piles at once. For skin diseases, cuts, burns, bruises, all kinds of wounds it is unequalled. J. S. Gerall, St. Paul, Ark., says: 'From 1865 I suffered with the protruding, bleeding piles and could find nothing to help me until used DeWitt's Witch Hazel Salve. A few boxes completely cured me.' Beware of counterfeits. R. S. Knowlton.

Letter From San Jose

The following we take from a recent letter to our better half, which will interest many in this section.

I think this will be our home for some time as we like this city and have a good business, although Uncle still has very poor health, and I fear his health will never be very good again.

Earl arrived here all right on Tuesday evening, late, after leaving the city of Empire on the Thursday before. To say I was delighted to see him would not half express it. I have been so fearfully homesick, ever since I left dear old Coquille, I would rather live there today than any place I have see in all my wandering; I have never found any better people than the people of Coos County. This is a beautiful little city, just about two hours' run, by train, from here to San Francisco. The streets are dry and dusty, in fact the sprinkler runs nearly every day. I guess you do not have much use up there for a sprinkler; It does not seem like winter to me, I was out and visited Mr. and Mrs. McEwen since I came here. They have moved up to Kelsey Valley, this state, and Mr. McEwen intends to start a paper up there. H. H. Nichols and wife live here, also Mr. Thrift, father of Mrs. Dave Lowe. The young Mr. Thrift has been in several times to see Earl. Ed. Nichols and Harry Clinton and wife live up in Lake County, this state; Ned Lawrence is at Morgan Hill at work. Miss Sumner, of Bandon, lives here, also Mrs. Kinsman and Mrs. Merriman, of Myrtle Point. This is all the Coos County folks I have heard of living here. Earl will start in at the Pacific Bussness College, on the 21st of this month. I have finally received my pension. Please write me when my time is out on the HERALD. With love to all enquiring friends I am respectfully your friend,

MRS. VIOLA ELLIOTT.

Lee Items.

Beautiful weather at present whic makes the farmers wear a smi on their face a mile long, as it getting about time to mak garden.

Quite a number of logs wer run out of Middle creek on the last rise in the river. The logs belong to L. Lawhorn, James Byers and L. Heller.

Webb Mast visited Coquille on Saturdry.

BORN, Feb. 3rd, 1902, to Mr. and Mrs. R. G. Sumerlin, a daughter.

Miss Lizzy Myers, of this place attended the teachers' examination at Myrtle Point last week.

Henry Hervy paid Coquille a visit Saturday.

No smallpox in this part of the county yet. Several were vaccinated and the report is that it went pretty hard with them.

David Sumerlin made a flying trip to Myrtle Point Monday.

William Mhel, of Coquille City, is visiting his Uncle, James Hervy, and family at this place.

Mrs. C. H. Mast is somewhat on the sick list.

We haven't seen the charriot down this way this winter. It seems to have taken a new route.

With best wishes. TOPSY.
