Myrtle Camps Seventh Anniversary

There was a very interesting and enjoyable evening spent last Thursday by the members of Myrtle Camp and Evening Tide Circle, W. O. W. as well as a limited number of the members of their families, on the occasion of the celebration of the 7th anniversary of the former. This lodge is growing right along, enjoying a large and substantial membership, and has not, during its entire existence, lost a member by death. The program rendered was as follows: Song "Under the Banner of Woodcraft" by entire assemblage; Address on fraternalism, by Rev. C. H. Allen, song by Grace Skeels; recitation, Schneider's Party, by S. M. Nosler; original song, When Coquille City's Water Works is done" by W. J. Fairman, receiving exceedingly hearty applause. The woodsaving contest then created a lively scene, Percy Schroeder walking off with first prize, a fine new bucksaw and Jesse Hall got away with the booby prize, a pair of booties. Then the members of the circle showed their skill at driving nails. This was an exceedingly laughable sight, while the rat-tat-tat of the hammers made music for all. Mrs. J. T. Nosler proved the champion nail driver, receiving a beautiful table scarf as a prize, and Lily Way got the booby prize, a toy gun, while Miss Gertrude Johnson got a washed tub.

For the amusement of the little ones the doughnut eat was then announced, a long row of girls and boys lined up and took part in this to the delight of all. Master Bruce Johnson got away with the first doughnut, receiving a boys toy bank, and little Wan Nosler received the booby prize, a large spoon.

The affair wound up with a big eat, which had been prepared at Hotel Coquille, where all enjoyed a sumptuous supper, and returned homeward feeling highly pleased with the evening's entertainment.

Kodol Dyspepsia Cure cures all stomach troubles. You don't have to diet. Kodol Dyspepsia Cure digests what you eat. R. S. Knowlton.
