A VALUABLE MEDICINE.
For Coughs and Colds in Children.

"I have not the slightest hesitation in recommending Chamberlain's Cough Remedy to all who are suffering from coughs or colds," says Chas. M. Cramer, Esq., a well known watch maker, of Colombo, Ceylon.

"It has been some two years since the City Dispensary first called my attention to this valuable medicine and I have repeatedly used it and it has always been beneficial. It has cured me quickly of all colds. It is especially effective for children and seldom takes more than one bottle to cure them of hoarseness. I have persuaded many to try this valuable medicine, and they are all as well pleased as myself over the results." For sale by R. S. Knowlton.

Notice to Debtors.

All persons knowing themselves to be indebted to me are respectfully called upon to make immediate settlement as I must have what is coming to me to enable me to carry on my business.

Yours, Respectfully,
W. H. SCHROEDER.

The story of some man feigning death to cheat justice or the insurance companies is on one of its periodical rounds. This time the late J. C. Paulsen, of Montana, figures as the fake dead man.

Booker Washington's autobiography is having remarkable wide renown. It has been translated into French, German, Spanish, Hindustani, and a Finnish translation is now in progress.

There is nothing original in the cry of "conspiracy" raised by the convicted Cuban postal thieves. There was unquestionably a conspiracy, but the conspirators are where they ought to be—in prison.

The Commoner.
(MR. BRYAN'S PAPER)

The Commoner has attained within six months from date of the first issue a circulation of 100,000 copies, a record probably never equaled in the history of American periodical literature. The unparalleled growth of this paper demonstrates that there is room in the newspaper field for a national paper devoted to the discussion of political, economic, and social problems. To the columns of The Commoner Mr. Bryan contributes his best efforts; and his review of political events as they arise from time to time can not fail to interest those who study public questions.

The Commoner's regular subscription price is \$1 per year. We have arranged with Mr. Bryan whereby we can furnish his paper and the HERALD together for one year for \$2. The regular subscription price of the two papers when subscribed for separately is \$2.50.
