Let us encourage the good work by all means.

Dangerous if Neglected

Burns, cuts, and other wounds often fail to heal properly if neglected and become troublesome sores. DeWitt's Witch Hazel Salve prevents such consequences. Even where delay has aggravated the injury DeWitt's Witch Hazel Salve effects a cure. "I had a running sore on my leg thirty years," says H. C. Hart, Yankee town, Ind. "After using many remedies, I tried DeWitt's Witch Hazel Salve. A few boxes healed the sore." Cures all skin diseases. Piles yield to it at once. Beware of counterfeits. R. S. Knowlton.

There is some doubt as to the private name of the King of England, although it is never used. Queen Victoria's name was Guelf but her husband's name was Wettin, and if royalty were guided by the same rules as the common people the children would naturally take the father's name; but as he never had any official connection with the throne of England the present King is generally considered as carrying on the Guelf line.

There have been 7 successive years of drouth over a large area in Australia and conditions this season are worse than ever. Unless a radical change in climatic conditions comes soon the commonwealth will receive a terrible setback as the condition are very discouraging.

The Other Side

From the Myrtle Point Enterprise by request. Editor Enterprise:—In as much as there has been unauthentic reports circulated that were intended to damage the reputation of S. C. Johnson as creamery expert and being actuated by a spirit of fairness and a desire to do justice to Mr. Johnson, I beg to submit a few facts on the other side.

An expert of creamery product from San Francisco, when asked to sample some cheese at S. E. Johnson's store pronounced it good enough for his house to handle and will take all of that kind of cheese they can get. A member of the House of Blum & Co. pronounced the product of the Star (Carl Bros') Creamery, first class. Mr. Bredford, of San Francisco, said the cheese and butter were No. 1.

With the permission of the undersigned I submit the following letter. "Having had an opportunity to examine your cheese, I wish to say that according to my judgement the quality is fully up to any samples that have been submitted to me in this part of the state. I am satisfied that when your cheese is thoroughly ripe you will be satisfied with the result." A. F. Horstman.

After writing the above Mr. Horstman brought all of the cheese then on hand; in fact those who have brought cheese, have expressed satisfaction.

Yours for justice, PAUCE ROBINSON.

(MR. BRYAN'S PAPER)

The Commoner has attained within six months from date of the first issue a circulation of 100,000 copies, a record probably never equaled in the history of American periodical literature. The unparalleled growth of this paper demonstrates that there is room in the newspaper field for a national paper devoted to the discussion of political, economic, and social problems. The Commoner's regular subscription price is \$1 per year. We have arranged with Mr. Bryan whereby we can furnish his paper and the HERALD together for one year for \$2. The regular subscription price of the two papers when subscribed for separately is \$2.50.
