It Needs a Tonic.

There are times when your liver needs a tonic. Don't give purgatives that gripe and weaken. DeWitt's Little Early Risers expell all poison from the system and act as tonic to the liver. W. Scott, 531 Highland ave., Milton, Pa., says: "I have carried DeWitt's Little Early Risers with me for several years and would not be without them." Small and easy to take. Purely vegetable. They never gripe or distress.

The hunting parties report good times and plenty of game. I. M. Weekly and a cinnamon bear had a lively foot race down the mountain side and across Elk creek. I. M. was getting out some timber when a small dog that was with him found Bruta. Bruin made for the dog and the dog came to I. M. with Bruin in pursuit, and I. M. took leg bail with the bear following close. He ran as far as Elk creek where a flock of geese attracted the bear and said bear made a half, and Mr. Weekly made him safe by running still further. He said he ran as fast as he could and a little faster.
