succeed Penrose. Stone does not want to offend the laboring element 25 cents.

and has refused the demand of the coal corporations to have a regiment at every mine, while on the other hand he has not called the Legi-lature in session to take such measure with corporations as might end the strike.

Under these circumstances what can the President do, since not ing is to be hoped reasonably of Gov-ernor Stone and the State of Pennsylvanta? It is answered by lawyers of distinction that the President can have notice served on the coal com-\$68965 40 panies that unless they proceed to 4800 oo operate the mines he will use all the power and influence residing in his office to force the corporations into \$73765 40 a receivership, and that in any event

proceedings will be instituted to test the legality of the combination which exists in the anthracite business. Whatever is done must be done quickly. The power residing in the Government at Washington is the only power that can now be made adequate to this great public emergency. If the Government at Washington does not rise to the \$ 2950 56 emergency and allows what is practically civil war to continue in Pennsyivania because Governor Stone is playing politics in this strike, the Republican party will be beaten in the Congressional elections, and if it were, in 1904 it might be beaten

\$12950 56 in the National election .- Oregon-\$60814 84
