G. Lavell, a prominent lumber-

days in town last week looking over  
the ground with a view of doing  
some business in this county. He  
was accompanied by his secretary,  
C. A. Crawford, and wife, who re-  
mained here, while Mr. Lavell  
went to Roseburg the last of the  
week en route to Portland to look  
after business matters there. He

started for Portland today by way  
of the bay and the Drain route to  
look after business matters con-  
nected with the construction of

The young man who was driving  
the mail stage between this place  
and Marshfield on Friday had a  
little run-away as he was passing  
the McQuigg place. Mr. Simpson,  
who at that place had been butch-  
ering some hogs near the road, at  
which the horses took fright. They  
had run only a short distance when  
one line broke, with the other line  
he soon managed to steer them in-  
to a fence where they halted till he  
thought he could get to their heads  
and manage them safely, but by the  
time he reached the ground they  
rushed away again, two wheels of  
the vehicle passing over his legs,  
he lost all control. Mrs. Forty was  
the only passenger on the stage  
and was taken a lively spin of  
several hundred yards, over grades,  
bridges and corduroy which gave  
her a terrible shaking up. Mr.  
Simpson was the first to reach her  
when the horses slowed down com-  
ing up this way, and found Mr. F.  
in a fainting condition.

Bret Clark arrived from Tacoma  
last week where he had been to  
deposit the ashes of his uncle,  
Jack Clark, at the grave of his  
wife who was buried there, in ac-  
cordance with his will. Bret ex-  
pects to return to California in a  
few days and will be accompanied

accompanied by his son and brother  
and nephew of Eastern Oregon,  
passed through town Friday on  
their return from a duck hunt on

good shooting on the bay. Dr. is  
a good man "behind the gun" and

A beautiful wedding took place  
at the M. E. church last Sunday  
evening after Rev. Myers' sermon,  
when our popular young marble  
man, A. O. Westgate, and Miss  
Lucy Lytton, of Fairview were  
joined in marriage. There was a  
large congregation and an impres-  
sive ceremony was performed by  
Mr. Myers. The HERALD joins a  
large circle of friends and well-  
wishers of these young people, in  
heartly congratulations.

Owing to the great expense to  
which we have been lately in put-  
ting in a new press we will be  
obliged to ask those in arrears with  
us to come forward and settle up.  
A newspaper is not run on wind  
alotgether. Some soft soap is re-  
quired; iye in considerable quan-  
tities is an absolute requisite; a lot  
of taffey comes in good once in a  
while and the devil is to pay once  
a week, so you see we must look to  
our patrons for something more  
substantial than a pleasant smile  
when a favorable mention is de-  
sired or a cordial shake of the hand  
when there is an ax to be ground.  
Remember, the HERALD has stood  
by the people and worked for the  
best interest of the county for a  
long time, and its best days are  
in the future if the people do  
their part.

The readers of this paper will be pleased  
to learn that there is at least one dreaded  
disease that science has been able to cure in  
all its stages, and that is Catarrh. Hall's  
Catarrh Cure is the only positive cure known  
to the medical fraternity. Catarrh being a  
constitutional disease requires a constitu-  
tional treatment. Hall's Catarrh Cure is  
taken internally, acting directly upon the  
blood and mucous surfaces of the system,  
thereby destroying the foundation of the  
disease and giving the patient strength by  
building up the constitution and assisting  
nature in doing its work. The proprietors  
have so much faith in its curative powers,  
that they offer One Hundred Dollars for  
any case that it fails to cure. Send for list  
of testimonials. Address,
