opinion of the two of them-but Pat is doing that every day in Parliament.

American gunners have the "luck" that follows training. Corporal Regan, of the Presidio, California, fired a 12-inch gun at a pyramidal floating target 8 feet high and 12 feet broad at the base, which was moving at 7 miles an hour, three miles away. His first shot struck the water eight yards astern of the target and the second shot destroyed
