BY ROBERT ROLAND.

"Mr Chairman: The subject for discussion this evening, is just now one of engrossing interest, are a lot of young folks, under the guidence of Uncle Robert Roland, out for a vacation. It is a time when we are not expected to study, and though we hope to learn many things not found in books, before we return, we are ill prepared to discuss a question which our enthusiasm has sprung upon the club, and which has been as promptly met by our able apponents, of the negative, but as is usual in such cases, the weight of argument must prevail, and the affirmative is very hopeful of gethering in the "persiommons." (faint applause among the hunters,) "Now as hunting" he continued, "was among the first employments of man, (Caleb now began to take notes,) it follows that

distinguished Club. I think you must all agree with me, that the great race of hunters is not yet exthe woods. He has traps set in rules! (applause.) sly places. He has a gun, and 1 sly places. He has a gun, and I supplied the river for the 'sport' of others, is (laughter) but he hunts. His traps (laughter) but he hunts. His traps (laughter) but he hunts and his gun of the definitions of 'sport' is already onerflowing, we are complete that has a gun, and I supplied the river for the 'sport' of others, is not all there are of the definitions of 'sport' is already onerflowing, we are complete that has a gun, and I supplied to the river for the 'sport' of others, is not all there are of the definitions of 'sport' is already onerflowing, we are complete that has a gun, and I supplied to the river for the 'sport' of others, is not all there are one-specific to the definitions of 'sport' is already onerflowing, we are complete that has a gun, and I supplied to the river for the 'sport' of others, is not all there are one-specific to the definitions of 'sport' is already onerflowing, we are complete that has a gun, and I supplied to the river for the 'sport' of others, is not all there are one-specific to the definitions of 'sport' is already onerflowing, we are complete that has a gun, and I supplied to the river for the 'sport' of others, is not all there are one-specific to the definitions of 'sport' is already onerflowing, we are complete the river for the 'sport' of others, is not all there are one-specific to the definition of 'sport' is already onerflowing, we are complete the river for the 'sport' of others, is not all there are one-specific to the definition of 'sport' is already onerflowing, we are complete the river for the 'sport' of others, is not all there are one-specific to the river for the 'sport' of others, is not all the river for the 'sport' of others, is not all the river for the 'sport' of others, is not all the river for the 'sport' of others, is not all the river for the 'sport' of others, is not all the river for the 'sport' of others, is not all the river for the 'sport' of others, is not all the river for the 'sport' of others, is not all the river for the 'sport' of o

was promptly called to order,) and the grandeur of nature expands—
expands his—his— ("stomach" sled-lengths ahead of our opponprompted Roger,) soul sir, if you ents on the question at this date.

The whole matter is new and as to deeper cancer cases, it would be premature to say anything. please, until he -until he forgets all else, except the glory of his -calling, and the vast-the vastamount of game he is about to swipe. (applause) He climbs mountains until the inspiration of his calling fits bim like a summer cloud. He fears nothing. Mountain bear and the roaring lion are __ " and thus alike to him .-

Harry went on soaring, until some

of us began to wonder where he

would light.

most successful specialist in San Frarcisco, still continues to core all Sexue? and Seminal Diseases, such as Gonorhes Gleet, Stricture, Syphilis. in all it forms, Skin Diseases, Nervous Debility, and excesses producing the following sympa the ears, loss of confidence, difficence, in approaching strangers, palpatation of the heart, weakness of the limbs and back, loss of memory, pimples on the face, conghsconsumption etc.

I cannot pretend to a complete report of this speech, or the many concasion. The many others made on this occasion. The many others made on this occasion. The many of the many of the symphilis is and concluded by saving: "The true hunter is a man with a large soul, a brave man seeking his game in dangerous places. He shows his hand. He don't go like shows his hand. He don't go like and that is another reason why fishing is a better sport than hunting to begile harmless fish with nothing better than worms or grass-hoppers to offer in exchange for the life he takes, and — "time because out in the rhapsody of song:

(applause)

Hh how I do wish

That I was a fish

To be caught by my sweet Kitty Clyde.

And so the girls went fishing in the long ago, just as they do now, and that is another reason why fishing is a better sport than hunting to begile harmless fish with nothing better than worms or grass-hoppers to offer in exchange for the life he takes, and — "time because of the many As our stenographer was absent.

his time, but the 'careful' boy had guess she can tell you what sport been taking notes, and we were not it was, ("Hurrah for Gertie.) long left in doubt. He began at

if you, or any one of the audience portant employment of man, my one of the most dangerous and facan tell what he said about the able(?) opponent shows his lack of tal diseases to which infants are sub'sport' of hunting. I'd like to have Bible reading. Can he tell us when ject. It can be cured, however,

did not talk to the question, and that of the earth? and the first weapon being true, he has not said anything. (laughter) Now before we go any further at sea, I will read the tory. And at the beginning of our true, he has not said anything. (Cain killed his brother? Sad history. And at the beginning of our methods a good deal has been written of late, are for the most part The Great Debate.

Harry Happyland, ir, his place, with a handful of notes arose, and without any show of that diffidence which had marked his effort when he assumed the Presidency of the Club, said:

"Mr Chairman: The subject for "Mr Chairman: T

it, because he never got near enough to use my imagination as my op- ed for some time in the west. It to the earth to tell us what 'sport' ponent has when he thinks about wasn't successful long here because is. Now I looked into a dictionary the vast amount of game he is about American women are harder headed not two hours ago, and found this to swipe. (Laughter) Suppose than their French sisters, and undefinition put down for the word: I talk about the 'sport' I am about like the latter, do not assist the Sport: diversion; to play; to make to have in swiping a vast amount of merry; and if there is any of that sort of thing about hunting, I wish laugh, and you have a right to laugh,

A simple little swindle that was successful. be would tell us where it comes in. because such gammon is not argu-On their first trip out with Capt ment. It proves nothing. It is worked by a man and a boy. The Sol they 'played' and 'made merry,' but did'nt get any venison. The next trip, after Captain Sol's scolding and orders, they worked at it, and brought home a deer! Now I think that does up Cousin Harry's high fallutin, and that thus far, as he has not got in a single argument. It proves nothing. It is boy would walk up the street swing-boy would walk up the street swing-boy would walk up the street swing-boy would call attention to the larged arguments (?) of my opponent, I may as well take my seat; but before doing so I would like to boy would break the pitcher before he reached the corner. The crook

"The Charing Cross case was one of rodent cancer of the nose, superman. Is lugging a heavy gun ficial cancer, that is to say. After through the brush, and over logs, unsuccessful treatment with the Xrays, the cancer was exposed for a short time to radium. Four exposures taking about an hour althe angler? My worthy opponent together were given at intervals of truly says of the hunter, the works a few days. In three weeks the at it," and as I have said before, diseased surface was healing satis-'work is not sport,' and never was factorily and within six weeks, with but the angler as he trips along two further exposers, the growth has been smitten with the charm of on which side of the nose the canwas quite gone. You could not tell of this elegant amusement, and eer had been, there is nothing left."

Live Stock Sale.

The Breeder's Combination auction sale of live stock to be held at the Oregon state fair this fall will be one of the gre test sales ever held on the Pacific coast. All of the large breeders, such as Chas. E. Ladd, W. O. Minor, C. B. Wade, Alex, Chalmers, D. H. Looney, Chas. Cleveland, P.A. Frakes, Hazelwood Company, W. J. Townley, J. Matty. J. B. Stump, Atkinson Bros., are sending some of the best stock on their respective farms to this sale, which will give the farmer and small breeder an opporunity of buying some choice stock right at home.
