Doctors Didn't Know What To Do.

Dr. Miles' Heart Cure and Nervine Cured Me.

"For seven years I have been troubled with what the doctors called a fast heart,' going at once from the usual beat to twice as fast, which in a short time would exhaust me terribly and only after treatment by a physician it would get back to normal speed. These attacks increased in frequency and severity until December, 1901, when they came on once a week. Each atta would lay me up a day or more. The stitack beginning January 13th, 1902, lasted 150 hours (almost a week) my heart best almost one hundred and fifty per minute and some times more. During this week my physician consulted with four other doctors, but all to no purpose. My heart finally slowed up, and it was then a serious question with ray family what to do next; as for me, I was too far gone The boys and girls of the Christian Sunday School are making great plans for their choir which they are to organize next Sunday.
