Educational Exhibit.

October 16, 1903. To the School Directors, Principals and Teachers in the Public Schools of Oregon:

The Louisiana Purchase Exposition is to be held in St. Louis in 1904, and for the first time in the history of enterprises of this kind, the Department of Education has been assigned first place, and a separate building has been provided for the educational exhibit and a comparative display from all the leading nations of the world.

It is earnestly desired by this department that Oregon shall take its proper place as a leading exhibitor in that department. The great interest heretofore manifested by the people of Oregon in all matters pertaining to education, justify the expectation of hearty co-operation in the preparation of an educational display that will intelligently and effectively illustrate Oregon's school system and the results achieved in all lines of work.

Prof. F. G. Young has been appointed as the educational exhibit commissioner for Oregon, and Supt. H. S. Lyman as superintendent, and these gentlemen have, in conjunction with the committee appointed for this purpose by the State Teachers' Association, prepared a circular containing suggestions and plans for preparing a creditable exhibition, which you will receive in due time. All inquiries and communications should be addressed to Supt. H. S. Lyman, 208 Vine street, Portland, Oregon.

Firmly believing that all will take hold of the matter with zeal and enthusiasm to the end that this exhibition of school work will be the best in the history of the State, I am, Yours truly, J. H. ACKERMAN, Supt. Public Instruction.

A Startling Test.

To save a life, Dr. T. G. Merritt, of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has had no attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at R. S. Knowlton.

Flipped Up by a Falling Tree.

Glen B. Cox, living near Prosper, where he has been logging during the summer, met with a severe accident Monday evening, which might have proven worse, but which will retire him from labor for a few days, or perhaps weeks.

He was helping to fall a tree which fell across a log upon which he was standing. Mr. Cox was thrown into the air, and fell back upon the log with a force sufficient to jar him up severely, while two of his ribs were cracked by the fall. Dr. Kime was called and looked after the injuries.—Recorder.

Stripped Against a Hot Stove.

A child of Mrs. Geo. T. Beeson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had had a bottle of Chamberlain's Pain Balm in the house, she thought she would try it. In less than half an hour after applying it the child was quite and asleep, and in less than two weeks was well. Mrs. Beeson is a well known resident of Kellar, Va. Pain Balm is an antiseptic liniment and especially valuable for burns, cuts, and sprains. For sale by R. S. Knowlton.

Body Found on Beach.

Dave Holden, who is driving the stage on the beach to the Umpqua, reports finding the body of a man on the beach about 1 1/2 miles beyond Tenmile creek, on his trip north Wednesday. The head and feet were gone, and the body was in an advanced stage of decomposition, having evidently been in the water about three weeks. Mr. Holden estimates the man to have been about 5 feet 9 or 10 inches in height and well built. On the body was found blue silk underclothing, a pair of gray pants and a brown leather belt, and these articles may lead to identification of the body, which is supposed to be that of a passenger on the ill-fated South Portland. Mr. Holden moved the body to the top of the sea wall and notified the Douglas county authorities. Later he employed some fishermen to bury the body on the sea wall.—Coast Mail.

The Best Remedy For Croup.

(From the Atchison, Kan., Daily Globe.) This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies almost as sure to be lost, in case of croup, as a revolver is sure to be lost in case of burglars. These used to be an old-fashioned remedy for croup, known as hive syrup and tulu, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by R. S. Knowlton.

Try for Health

222 South Peoria St., CHICAGO, ILL., Oct. 7, 1902. Eight months ago I was so ill that I was compelled to lie or sit down nearly all the time. My stomach was so weak and upset that I could keep nothing on it and I remained frequently. I could not urinate without great pain and I coughed so much that my throat and lungs were raw and sore. The doctors pronounced it Bright's disease and I had ever tried Wine of Cardui. I told her I had not and she bought a bottle. I believe that it saved my life. I believe many women could save much suffering if they but knew of its value.

Don't you want freedom from pain? Take Wine of Cardui and make one supreme effort to be well. You do not need to be a weak, helpless sufferer. You can have a woman's health and do a woman's work in life. Why not secure a bottle of Wine of Cardui from your druggist today?

A Good Name.

From personal experience I testify that De-Witt's Little Early Risers are unequalled as a liver pill. They are rightly named because they give strength and energy and do their work with ease.—W. T. Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, putting it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Dr. D. K. Noble, of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodal Dyspepsia Cure for about four months and it cured me."

Kodal Digests What You Eat and relieves the stomach of all nervous strain and the heart of all pressure. Bottles only \$1.00. Size holding 2 1/2 times the trial size, which sells for 50c. Prepared by E. C. DEWITT & CO., CHICAGO.
