The physicians say he will be well in a few months.

Christian Church Notes.

The minister will occupy the pulpit morning and evening next Sunday. Morning sermon, "The Lever that Moves the World," evening sermon, "Matthew, the Prophetic Gospel." All other services as usual. The evening sermon is the first of a series of four sermons on the gospels as follows: Matthew, the prophetic gospel. Mark, the pictorial gospel. Luke, the sinner's gospel. John, the doubter's gospel. The sermons will deal with the purpose and characteristics of each of the four writers and will aim to be helpful in securing a better understanding of the composite view of the Christ. One most important feature of the series is that they are delivered at the request of the Berean Club, which has undertaken the charge of the services in the way of music, ushers, etc.

The Berean Club was the guest of the Misses Ray on Tuesday evening. After a brief introductory study of Matthew and Mark, the evening was spent in a typical Berean good time.

The programme at the Masonic Hall, Thursday, was listened to by a most appreciative audience.

The Aid Society will meet at the church next Thursday at 2 p. m. for the election of officers and other business.

The C. W. B. M. met Thursday at the church. They are planning another open meeting for Jan. 31.

Found a Cure for Indigestion

I used Chamberlain's Stomach and Liver Tablets for indigestion and find that they suit my case better than any dyspepsia remedy I have ever tried and I have used many different remedies. The Y. P. S. C. E. "T" Social at the Masonic Hall last Thursday was highly enjoyed by those present. The readings by Miss Mulkey, Mrs. Thompson, and Mr. Handsaker received hearty encores and Miss James was heard with pleasure in instrumental and vocal solos. A "cull'd individual, recently arrived, gave some characteristic plantation hymns. The "Ten Virgins" was a pleasing representation of the Bible story. The Pink "T" feature was a fitting close to a most pleasant evening.

One Minute Cough Cure

For Coughs, Colds and Croup.

Congratulations

Mr. John H. Cullom, Editor of the Garland, Texas, News, has written a letter of congratulations to the manufacturers of Chamberlain's Cough Remedy as follows: "Sixteen years ago when our first child was a baby he was subject to croupy spells and we would be very uneasy about him. We began using Chamberlain's Cough Remedy in 1887, and finding it such a reliable remedy for colds and croup, we have never been without it in the house since that time. We have five children and have given it to all of them with good results. One good feature of this remedy is that it is not disagreeable to take and our babies really like it. Another is that it is not dangerous, and there is no risk from giving an overdose. I congratulate you upon the success of your remedy." For sale by R. S. Knowlton.

Cured After Suffering 10 Years

B. F. Hare, Supt. Miami & Cycle Mfg. Co. Middletown, O. suffered for ten years with dyspepsia. He spent hundreds of dollars for medicine and with doctors without receiving any permanent benefit. He says, "One night while feeling exceptionally bad I was about to throw down the evening paper when I saw an item in the paper regarding the merits of Kodol Dyspepsia Cure. I concluded to try it and while I had no faith in it I felt better after the second dose. After using two bottles I am stronger and better than I have been in years, and I recommend Kodol Dyspepsia Cure to my friends and acquaintances suffering from stomach trouble." Sold by R. S. Knowlton.

Dragging Pains

2325 Keeley St., CHICAGO, ILL., Oct. 2, 1902.

I suffered with falling and congestion of the womb, with severe pains through the groin. I suffered terribly at the time of menstruation; had blinding headaches and rushing of blood to the brain. I wanted to try I knew not for it, but I had tried all and failed, but I had never tried Wine of Cardui that blessed remedy for sick women. I found it pleasant to take and soon knew that I had the right medicine. New blood seemed to course through my veins and after using eleven bottles I was a well woman.

Mrs. Bush is now in perfect health because she took Wine of Cardui for menstrual disorders, bearing down pains and blinding headaches when all other remedies failed to bring her relief. Any sufferer may secure health by taking Wine of Cardui in her home. The first bottle convinces the patient she is on the road to health.
