take him two months to go and come. We are on the very head of one of the forks of the river Negro, and he is going to get in a small skiff with August Nelson of Marshfield, and go to New Cain and from there take the train to Buenos Ayres, itor here last week. it is about 500 miles down the river to New Cain and they will travel 10 hours a day and get there in 5 days but it is very dangerous as the river is so very swift no steamer can go up it at all. It takes three days to go to the Pacific ocean from here and costs 16 Argentine dollars, but there is no direct route of steamers and it would do a person no good to go that way as our places are 145 the next three months.
