Congratulations

Mr. John H. Cullom, Editor of
the Garland, Texas, News, has writ-
ten a letter of congratulations to
the manufacturers of Chamberlain's
Cough Remedy as follows: "Six-
teen years ago when our first child
was a baby he was subject to croupy
spells and we would be very uneasy
about him. We began using Cham-
berlain's Cough Remedy in 1887,
and finding it such a reliable remedy
for colds and croup, we have never
been without it in the house since
that time. We have five children
and have given it to all of them with
good results. One good feature of
this remedy is that it is not dis-
agreeable to take and our babies
really like it. Another is that it is
not dangerous, and there is no risk
from giving an overdose. I con-
gratulate you upon the success of your
remedy." For sale by R. S. Knowlton.

What's in a Name?

Everything is in the name when
it comes to Witch Hazel Salve. E.

ered some years ago how to make a
salve from Witch Hazel that is a
specific for Piles. For blind, bleed-
ing, itching and protruding Piles,
eczema, cuts, burns, bruises and all
skin diseases DeWitt's Salve has no
equal. This has given rise to num-
erous worthless counterfeits. Ask
for DeWitt's—the genuine. Sold

Found a Cure for Indigestion
I used Chamberlain's Stomach
and Liver Tablets for indigestion
and find that they suit my case bet-
ter than any dyspepsia remedy I
have ever tried and I have used
many different remedies. I am near-
ly fifty-one years of age and have
suffered a great deal from indiges-
tion. I can eat almost anything
want to now. Geo. W. Emory, Rock

Cough Remedy with instruction to
closely follow the directions and I
wish to state that after the first day

Cured After Suffering 10 Years

B. F. Hare, Supt. Miami & Cycle
Mfg. Co. Middletown, O. suffered
for ten years with dyspepsia. He
spent hundreds of dollars for medi-
cine and with doctors without re-
ceiving any permanent benefit. He
says, "One night while feeling excep-
tionally bad I was about to throw
down the evening paper when I saw
an item in the paper regarding the
merits of Kodol Dyspepsia Cure. I
concluded to try it and while I
had no faith in it I felt better after
the second dose. After using two
bottles I am stronger and better
than I have been in years, and I
recommend Kodol Dyspepsia Cure
to my friends and acquaintances suf-
fering from stomach trouble." Sold

During the past year the ex-
penditures of this nation amount-
ed to \$118,619,000; the expenses
for the navy were \$82,618,000.

Senator Hale of Maine says that
when the additions to the navy now
authorized are completed, this
country will rank next to Great
Britain in naval strength. This, we
suppose, assuming that the ship-
yards of other nations are idle in
the mean time.
