PUSH CLUB BUILDING

To Be Erected at the Louisiana Purchase Exposition

The Oregon commission to the St. Louis Exhibition have offered to Washington. to allow Coos county to construct a pavillion within the stockade of the Oregon building. The Oregon building will consist of a block house and stockade. and Coos county will be the only county in the state to have a building within the A Dr. was summoned in haste Sun-Oregon headquarters, hence it is very important that the people of Coos connty seize this opportunity as it will be the one great opportunity to advertise the resources of the county, and the good results will many times repay the outlay. This building will be used exclusively to display the Coos county exhibit. In order to take advantage of this offer it will be necessary for our people to furnish the material framed ready to be constructed. Mr. Peter Loggie is drawing the plan for a suitable building along the lines of the North Bend pavillion. This building is to be 46x60 feet of this place. and the inside will be surfaced and a hard oil finish. The interior will Another Case of Rheumatism Curbe finished in native Coos county woods, finished natural and polished, a section being devoted to each of the many varieties of valuable timber found in Coos county. This

building will contain the dairy, mineral, horticultural, fish and Knowl.on. manufacturing exhibits. Without a Coos county building these exhibits would be scattered throughout the different buildings at the ing the usual preaching services Mr. and Mrs. Whitney took the exposition and would be lost sight will be held. There will also be famong the large number of other preaching the following Sunday in so's visit, after which they departed left California recently. exhibits.
