From a reliable source comes the information that a large lot of grading implements had reached Drain and were being dumped off there, supposedly for the railroad which is to be built to Coos Bay. The same informant gives out the news that two survey parties are out on the ground and about to begin between Drain and Elkton to set the grade stakes so active work can commence soon.

Washington Shaken up.

Seattle, March 17.—The directions of the undulations in different north western points where last night's earthquake was felt, show that it was caused by some subterranean disturbance with Mount Ranier as center. People fear that Ranier may become an active volcano.

Proper Treatment of Pneumonia.

Pneumonia is so dangerous a disease for anyone to attempt to doctor himself, although he may have the proper remedies at hand. A physician should always be called. It should be borne in mind, however, that pneumonia always results from a cold or from an attack of the grip, and that by giving Chamberlain's Cough Remedy the threatened attack of pneumonia may be warded off. This remedy is also used by physicians in the treatment of pneumonia with the best results. Dr. W. J. Smith, of Sanders, Ala., who also is a druggist, says of it: "I have been selling Chamberlain's Cough Remedy and prescribing it in my practice for the past six years. I use it in cases of pneumonia and have always gotten the best results." Sold by R. S. Knowlton.

A Favorite Remedy for Babies.

Its pleasant taste and prompt cures have made Chamberlain's Cough Remedy a favorite with the mothers of small children. Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased. Mr. D. Kauble, of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspeptic Cure for about four months and it cured me."

Kodol Digests What You Eat and relieves the stomach of all nervous strain and the heart of all pressure. Bottles only \$1.00 Size holding 2 1/2 times the trial size, which sells for 50c. Prepared by E. O. DeWITT & CO., CHICAGO.
