GENERAL SICKLES

General Daniel E. Sickles, who is
accused by the New York state author-
ities of misappropriation of funds.

Brief News of the week

"The Merchant of Venice" has been
barred from New York public schools,
upon request of prominent Jewish pa-
trons of the schools.

The Diamond Match company paid
fines aggregating \$2000 for violations
of the Wisconsin child labor law. The
complaint alleges 224 infractions.

That a girl who does her hair up,
wears a hobble skirt and is commonly
known as "Miss," is too old to be
spanked, is the ruling of Police Judge
Thompson as Elgin, Ill. A father who
spanked was fined.

The Women's Recall league of San
Francisco, which is seeking the re-
moval of Police Judge Charles L. Wel-
ler, has 12,000 names on the recall pe-
titions, 5000 more than are necessary
to compel a recall election.

The Minneapolis, St. Paul & Sault
Ste. Marie railroad will spend \$25,000,
000 in building 725 miles of new road,
which will cross Montana and strike
the Canadian Pacific railroad some-
where near the Montana-Idaho bound-
ary line.

Enormous frauds committed against
the government through illegal traf-
ficking in stolen postage stamps have
been discovered by postoffice inspect-
ors. Postmaster-General Hitchcock
says they involve at least \$2,000,000
annually.

The woman suffrage amendment to
the constitution giving women the bal-
lot is the first amendment of eight
which have been introduced in the
Montana assembly to pass both houses
and it may be the first on the ballot
at the election in November, 1915.

The National American Woman's
Suffrage association, as such, will take
no part in the inauguration of Pres-
ident-elect Wilson on March 4 next.
Nor will "General" Rosalie Jones and
her "army" of marchers have anything
to do with the inaugural parade. The
women say the inauguration is a parti-
san affair and the association is a non-
partisan body.

People in the News

H. R. Williams was elected at New
York a vice president, director and
member of the executive committee of
the Chicago, Milwaukee & St. Paul
railroad. Formerly he was president
of the Puget sound division.

Senator Kenyon, before the Iowa
legislature, pledged himself to do all
in his power to aid the Wilson admin-
istration, "not from a partisan stand-
point, but when the measures advocat-
ed by the democratic president
would produce the greatest good for
the greatest number."

Senator La Follette announced in a
letter to Governor Carey and other
progressives of Wyoming that he
would contest Senator Warren's elec-
tion on the ground that his preferen-
tial election was granted through al-
leged extensive frauds in the coal min-
ing districts of Uintah county.

Gustav Carl Luders, one of the best
known composers of comic opera and
musical comedy in America, died sud-
denly of apoplexy in New York while
calling on friends. He was 49 years
old. Among his popular successes
were "The Burgomaster," "The Prince
of Plisen" and "The Fair Co-Ed."

Eugene V. Debs, candidate for pres-
ident of the United States on the so-
cialist ticket at the recent election,
was arrested at Terre Haute, Ind.,
charged with obstructing justice by
corrupting a witness in the govern-
ment's case against the Appeal to
Reason. The newspaper was attacked
by the government for violation of the
postal laws.

The participation of subsidiaries of
the United States steel corporation in
pools organized for the purpose of fix-
ing prices was known to Judge Elbert
H. Gray, chairman of the corporation,
long before he gave orders that the
pools should be abolished, according
to William E. Corey, former president
of the organization, in his testimony
in the government's suit to dissolve
the corporation.

**ENGLISH CABINET
DROPS SUFFRAGE**

**Outbreak Follows and Suffrage
Leaders are Arrested for
Advocating Violence**

London.—England is on the brink of
another campaign by the suffragettes
in comparison to which former out-
breaks of the militant women will ap-
pear insignificant. Two thousand po-
lice were required to disperse
huge crowds near the parliament
buildings, while shopkeepers boarded
up windows and excited women were
making incendiary speeches.

The women believe that the politi-
cians have played a carefully-studied
trick upon them and the decision of
the government to drop the franchise
bill is likely to lead to serious conse-
quences.

The suffragettes held heated meet-
ings when the government's decision
was announced. Mrs. Emmaline Pank-
hurst and other leaders denounced the
enemies and supporters of suffrage in
the cabinet for their treachery. They
declare an end of the truce, which the
women had observed while awaiting
parliament's action on the bill.

"Deeds, not words," was the motto
displayed above the platform where
Mrs. Pankhurst spoke. She asserted
that the women would consider hu-
man life sacred, but would do as much
damage to property as possible.

Several women were arrested, some
of whom declined to give their names.
One, believed to be Miss Sylvia Pank-
hurst, was captured in St. Stephen's
Hall, leading to the house of commons,
where she was making a determined
attack on a large painting.

Balkan Conference Declared Off

London.—The Balkan plenipotenti-
aries, who have received full powers
from their respective governments, ap-
pointed a committee to draft a note to
the Turkish plenipotentiaries, explain-
ing why the peace conference must
now be considered broken off.

Wilson Observes Landing of Aliens

New York.—Hundreds of aliens,
many of them still clad in the garb of
distant lands, stood before the immi-
gration officials in Ellis Island, seek-
ing admission to the country, while
Woodrow Wilson, president-elect, ob-
served with a scrutinizing eye the
manner of their welcome.

RAILROADS TO BE DIVORCED

**Kruttschnitt Says S. P. Will Treat U.
P. as Eastern Road**

San Francisco.—Julius Kruttschnitt
of the board of directors of the South-
ern Pacific company, succeeding Robert
Lovett, who resigned to take the
chairmanship of the Union Pacific
board, has written a letter to execu-
tives of the Southern Pacific in this
city advising that on February 1 the
Southern Pacific will operate inde-
pendently of the Union Pacific in ev-
ery way.

On that date, Mr. Kruttschnitt says,
the complete divorce of the Southern
from the Union Pacific will be estab-
lished. In all such matters as rout-
ing or shipping contracts, the South-
ern Pacific will be expected to consid-
er the Union Pacific, if an eastern line
must be considered therein, on an
equality with such roads as the Den-
ver & Rio Grande. Preferential clauses
in contracts or agreements favoring
the Union Pacific will be under the
Southern Pacific ban, it is understood.

Mackinaw Strikes Going Out of Port

Los Angeles.—The steel freight
steamer Mackinaw, en route from Bal-
boa, Panama, to San Francisco, via
Los Angeles, struck the breakwater
at the entrance to San Pedro harbor
in a heavy fog and came into the har-
bor after several of the crew had been
taken in the boats in the belief that
the vessel was sinking.

SICKLES' ARREST ORDERED

**Accusation Comes as Climax of Dis-
tinguished Career.**

Albany, N. Y.—Upon application of
the state authorities, the supreme
court issued an order for the arrest of
General Daniel Sickles, of New York,
who as chairman of the New York
Monuments commission is alleged to
have failed to account for \$28,476 of
the commission's funds.

The total amount of the alleged
shortage was \$33,476, but on December
20 last Stanton Sickles, a son of the
general, paid the state \$5000 and prom-
ised to make good the remainder as
soon as certain property in Spain,
owned by Mrs. Sickles, could be sold.

Mrs. Helen D. Longstreet, widow of
the famous Confederate general, came
to the aid of her husband's civil war
offer to raise \$23,476 among the "rag-
ged and maimed followers of Lee" to
pay General Sickles' alleged debt to
the state of New York.

A surety company gave a \$30,000
bond for the veteran's freedom.

LISTER REMOVES OFFICIAL

**State Industrial Insurance Commis-
sioner Ousted Following Letter**

Olympia, Wash.—Governor Lister
removed from office State Industrial
Insurance Commissioner Hamilton
Higday, of Seattle, who resigned last
Saturday and gave his letter of resigna-
tion to the newspapers. In the letter
Higday called attention to the fact
that Lister had intimated to him that
at the expiration of his term next June
he would not be reappointed, and then
said that representatives of big mill
and factory interests had called on
Governor Hay on November 19 and
demanded removal of Higday on ac-
count of his advocacy of first aid to
the injured as part of industrial in-
surance.

Lister considered the letter an af-
front and removed Higday with a
sharp letter.

Serum is Held at Million

Berlin.—That Dr. Friedmann wants
\$1,000,000 for the American rights to
his tuberculosis serum, is the state-
ment made here. German physicians
strongly condemn what they call his
"un-ethical attitude." They go so far
as to say that he is more concerned
in the monetary aspect than the hu-
manitarian of his discovery.

Floods in South

Memphis, Tenn.—The entire delta
section of four states was under water
from 1 to 15 feet deep and families
by the thousands were fleeing in ter-
ror from a wall of water that is pour-
ing through a gap 1000 feet wide in
the levee at Beulah, Miss.

Ten thousand acres of winter wheat
in western Kentucky, southern Mis-
souri and part of Tennessee are sub-
merged in water and the loss in crops
will be enormous.

**TAFT DEFENDS HIS
POSITION ON CANAL**

Baltimore.—President Taft, speak-
ing at the annual banquet of the Mer-
chants and Manufacturers' association,
defended the administration's attitude
in the Panama canal disagreement
with England. He declared that its
position was not unpatriotic or dis-
honorable and asserted there was no
reason for anyone to oppose the pro-
posal for arbitration by an impartial
tribunal.

"Whether you call it a subsidy or
not, I am in favor of making the rates
between the coasts through the Pana-
ma canal lower," he said. "Now the
question is, can we do that under our
international obligations? I think we
can, and if you read the authorities I
think you'll find that we may. But if
we are bound not to exempt coastwise
vessels we can agree to submit the
question to an impartial tribunal."

The president concluded his speech
with an appeal for constitutional gov-
ernment, endangered in the last few
months, he said, by those who propos-
ed remedies but who could not furnish
concrete examples of their proposed
reforms.

Baker Will Vote On Water Bonds

Baker.—A special election for the
purpose of voting on bonds for the
sum of \$165,000 to complete the Baker
water system will be held in the near
future, the city attorney having been
instructed by the board of commis-
sioners to prepare an ordinance to that
effect. Two questions will be submitted.
One will authorize the issue of \$94,703
to repair six and three-quarters miles
of line between the settling tank and
reservoir, and the other the issuance
of the whole amount of \$165,000 to do
the work and construct new feeders
to several other streams to which the
city has title.

Medford Plan is Unique

Medford.—Medford's newly-elected
mayor, W. W. Eilert, launched what is
believed to be an innovation in Ameri-
can municipal government when at his
formal installation he announced that
in addition to the office of mayor and
council he would appoint an advisory
cabinet of prominent citizens from dif-
ferent walks of life who would be ask-
ed to attend every meeting of the city
council and confer with the city offi-
cers regarding all matters of munic-
ipal administration.

MERCHANTS END SESSION

**Le Grande Chosen for Next Meeting
at Oregon Retailers Convention**

Albany.—After recommending im-
portant legislation affecting mercan-
tile conditions, electing officers for the
ensuing year and choosing Le Grande
as the meeting place of next year's
convention, the Oregon Retail Mer-
chants' Association adjourned its sev-
enth annual convention here.

J. L. Stockton, of Salem, was unani-
mously re-elected president of the as-
sociation and Leo R. Merrick, of Port-
land, was unanimously re-elected sec-
retary for the ensuing year. Other offi-
cers were chosen as follows: W. A.
Bell, of Eugene, first vice-president;
F. J. Fletcher, of Albany, second vice-
president; J. G. Snodgrass, of La
Grande, third vice-president; Thomas
C. Watts, of Reuben (re-elected) treas-
urer; W. F. Isaacs, of Medford, C.

"Movies" to Depict Poultry

Corvallis.—Professor James Dryden,
head of the department of poultry hus-
bandry, will spend the next three
weeks in touring the state, giving lec-
tures on poultry-raising and illustrat-
ing the subject by means of the mov-
ing picture film which was made at
Oregon Agricultural college and which
has proved an innovation in teaching
the lessons of proper methods in poultry
husbandry.

LABOR DIVIDED ON BILL

**Oregon Federation Repudiates Meas-
ure as Ambiguous**

Salem.—The State Federation of Labor
concluded its annual session Sat-
urday after a four days' discussion of
the problems before organized labor.
The matter which brought out the
liveliest discussion and produced the
widest divergence of opinion was the
employees' compensation act, now be-
fore the legislature. By a vote of 54
to 23 the convention repudiated the
bill, and by a vote of 43 to 28 passed a
resolution severely condemning Rep-
resentative A. W. Lawrence, of Mult-
nomah county, for introducing the
measure before having consulted the
labor forces. This is the bill which
was drawn by a composite committee
representing both employers and the
labor people.

The principal arguments used by the
opponents of the bill, aside from its
doubtful constitutionality, are the
claims that some parts, particularly
section 15, are ambiguous, and that
room is left for doubtful constructions
by the courts.

In lieu of the rejected bill, the fed-
eration decided to frame its own meas-
ure, and have it ready for introduction
at the next legislative session or im-
tiate it at the general election in 1914.
