

DO NOT.
Let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or consumption.
Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.
The breathing apparatus must be kept healthy and clear of all obstructions and offensive matter. Otherwise there is trouble ahead.
All the diseases of these parts, head, nose, throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it is, themselves." Bottle only 75 cents. Ask any druggist.

What am I to do?
The symptoms of biliousness are un- happily but too well known. They differ in different individuals to some extent. A bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids, but none for solids of a morning. His tongue will hardly bear inspection at any time; it is not white and furred, it is rough, at all events. The digestive system is wholly out of order and diarrhea or constipation may be a symptom of the two, may alternate. There are often hem- orroids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this, take a little of Boschee's Ger- man Syrup. It costs but a trifle and thousands attest its efficacy.

I have received my new stock of men's underwear. These goods are made on a lock-stitch machine and are warranted to be full size and length and price reasonable. SAMUEL E. YOUNG.
