

DOY. Let that cold of yours run on. You think it is a light one. But it may run into pneumonia. Or into consumption. Or into anything else. It is dangerous. Consumption is death itself. The breathing apparatus must be kept healthy and clear of all obstructions and adhesive matter. Otherwise there is trouble ahead. All the diseases of these parts, head, nose, throat, bronchial tubes and lungs can be destroyed fully and entirely by the use of Dr. Price's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it and "know how it is, themselves." Write only to cents. Ask any druggist.

What am I to do? The symptoms of biliousness are unimportant but too well known. They differ in different individuals to some extent. A bilious man is seldom a breakfast eater. Two frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, as if it were made of sand. The digestive system is wholly out of order and diarrhoea or constipation may be a symptom of the two may alternate. There are often hemorrhoids or even loss of blood. There may be dizziness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try Green's August Flower, it costs but a trifle and thousands attest its efficacy.

I have received my new stock of machinery under way. These goods are made on a lock stitch machine and are warranted to be full size and length and price reasonable. SAMUEL E. DORR.
