SECURING FAST ARMED CRUISERS.

Many Arrests in Southern Russia—Military Loan Bill Passed—The Crown Prince's Illness.

[The HERALD's Special Dispatches.]

ST. PETERSBURG, Feb. 9.—Gen. Van Nooski, minister of war, issued an order to-day in accordance with the decision of June 1887, forming a mobilizing section at the artillery headquarters. The Grachdarien says that a number of patriotic St. Petersburg capitalists are forming a company for the purpose of acquiring fast steamers which can be easily converted into armed cruisers. Many arrests have been made in Southern Russia owing to the discovery of an extensive agrarian movement.

THE CROWN PRINCE.

A Successful Operation Performed Upon His Throat.

SAN REMO, Feb. 9.—The breathing of the crown prince is much worse to-day, and a telegram has been sent to Prof. Bergman urging him to hasten his arrival. It has been decided by the physicians in attendance upon the crown prince that the operation of tracheotomy must be performed to-day. The noon bulletin says the doctors are doubtful whether it will be safe to await Dr. Bergman's arrival. It is probable that either Dr. McKenzie or Dr. Braman will operate immediately on the crown prince. He breathes with great difficulty.

SUCCESSFULLY PERFORMED.

LATER—11:50 P. M.—Dr. Braman has successfully performed the operation of tracheotomy on the crown prince. The patient is progressing nicely.

FAULTLESS FAMILY MEDICINE

"I have used Simmons Liver Regulator for many years, having made it my only Family Medicine. My mother before me was very partial to it. It is a safe, good and reliable medicine for any disorder of the system, and if used in time is *a great preventive of sickness.* I often recommend it to my friends, and shall continue to do so.

"Rev. James M. Rollins,
Pastor M. E. Church, So. Fairfield, Va."

TIME AND DOCTORS' BILLS SAVED by *always keeping Simmons Liver Regulator in the house.*

"I have found Simmons Liver Regulator the best family medicine I ever used for anything that may happen, have used it in *Indigestion, Colic, Diarrhœa, Biliousness,* and found it to relieve immediately. After eating a hearty supper, if, on going to bed, I take about a teaspoonful, I never feel the effects of the supper eaten.

LINN COUNTY BUSINESS COUNCIL.

Council convened with Harmony grange on Saturday February 4th at the proper hour called to order by J. G. Powell, president, Miss Kate Price, secretary, being prompt in her place and officially preforming the duties of the office.

The hall was filled to full seating capacity at the opening hour and a full quorum of granges represented.

An intermission was taken and Harmony grange spread the tables with a bountiful dinner which was partaken of with evident pleasure.

On assembling after dinner, work was resumed and on motion the next meeting of the council was voted to be held with Tangent grange.

On motion the report of a special committee made at the last meeting in reference to marketing produce, was taken from the table and discussed by A. B. Morris, E. H. Doughton, N. P. FROM GILLIAM COUNTY.

MAYVILLE, Jan 30

Perhaps a few lines from this vicinity would interest some of your readers.

We have had about one month of snow this winter but the ever welcome chinook has come and the snow and cold weather has gone and the grass is beginning to grow, and the stockmen feel easier than they did two weeks ago. During the cold snap the the mercury registered 30 and 32 degrees below zero, a few of the coldest mornings.

On the 3d Saturday of this month Mayville grange met with about the usual number of members, in spite of the snow and had a good and interesting meeting and installed the following officers, O. F. Kizer, M.; W. Edwards, O.; Mary Edelman, L.; L. G. Edelman, S.; O. J. Kizer, A. S.; Jane Edwards, Treas.; C. S. Perin Sec.; W. E. Thornton S. K.; L. M. Kizer, Ceres.; Sarah Thornton, Flora.; and Maggie Kizer L. A. S.; Ellen Perin, Chaplain.; and Ella Thornton, Pomona.: being absent.

Mayville lodge, I. O. O. F., installed their officers on last Saturday night. They have a pretty strong lodge, and I think the only one in Gilliam county.

I think a good blacksmith would do well in Mayville now provided he be a temperate man, as the gin shop keeps our present smith unfit for business most of the time, the aforesaid gin shop is a public nuisance which Mayville could get along without.

The mail arrives here every evening but owing to the road being washed out between Condon and this place it does not get here until about 9 o'clock, due at 6 o'clock regular time.

CLEM, Oregon Feb. 5

We are having some fine weather after the cold snap. Fall wheat is beginning to grow, and looks well. Farmers are all busy plowing and preparing ground for spring seeding. Cattle and horses look well considering the severity of the recent storm.

The recent high waters from the melting snow carried away the new bridge below Olex. In crossing Scott's canyon during the high waters one of the stage horses fell and came near drowning.

The country around here is fast filling up. Bad roads and high waters, have caused late stagging, one driver getting no sleep for thirty-six hours.

Mr. Tylor, brother of Jos. Tylor lost over two hundred head of sheep during the storm. Numbers of persons are looking for land in this vicinity.

Mr L. Ground county surveyor is going to start on a surveying trip to-morrow and will be gone most of the week.

Mr. J. H. Ground has been quite sick, but is now convalescent.

Mr. Daniman our postmaster is fatening some fine stears for market.

A PROMINENT POLITICIAN DEAD.

Half a Dozen Constables Take Possession of a Chicago Theater—A Murderer Hanged in Jail.

[The HERALD'S Special Dispatches.]

KANSAS CITY, Feb. 9.—A conference was held last night concerning the opening of Indian Territory. It was completed by the adoption of a memorial to congress and a series of resolutions, which favor the opening of the territory for actual settlers only. A committee of fifteen was appointed to present the memorial and resolutions to congress.

A THEATER SEIZED.

Officers Take Possession of the Columbia Theater for Rent.

CHICAGO, Feb. 9.—Half a dozen constables took posession of the Columbia theater at night on a warrant for a month's rent, served on the theater by James B. Carson, a railroad magnate, who owns the theater. Daniel Shelly was requested by Carson to continue as manager. Shelly says the embarassment is due to G. M. Hill, one of the stockholders, who had charge of the booking at the theatre. The theater was originally built for Jack Haverly, who transferred it to a stock company composed of G. M. Hill, Margaret Mather and others. Hill put Shelly in as manager, but ever since the latter has had charge matters have gone from bad to worse. Shelly is the man who a few months ago offered each purchaser of a seat a deed to a lot in California.

Notable Dead.

CINCINNATI, Feb. 9.—Benjamin Eggleston died this morning aged 72 years. He served thirty years in the city council, two terms in congress, three terms in the senate, and was always prominent in political works.

Executed in Jail.

UTICA, Feb. 9.—Clement Arthur was executed in Utica jail to-day for the murder of his paramour, Johanna Rose Cross, on the 6th of June last.

FROM CROOK COUNTY.

BEAVER CREEK, Feb. 3, 1888.

The snow is all gone from off the valleys and surrounding foot hills since the past week. No rush of waters. The stock that were gathered to hay look well although the cold was so intense about the 8th to the 15th of January, 38 to 42 degrees below zero, it verily seemed they would freeze to death. While stock out on the range were compelled to browse on brush and sage which is very bitter, half starved along and but few dying, yet many of the cows are very poor and will perish breore spring it it should be unfavorable. The loss of sheep to the flock so far is very light except in a few instances it has been 100 to 150 head.

The mercury for the past week has been up in the 40's. Eighty degrees makes a perceptable difference on the temperature out here to us mortals.

The measels have been raging in the vicinity of Prineville proveing fatal as we learn only in the case of Mrs. Charles Lister nee Clara, eldest daughter of D. Claypool who has many relatives and friends in Linn county, The deceased leayes three little boys, the youngest a babe.

Peace on Earth

Awaits that countless army of martyrs, whose ranks are constantly recruited from the victims of nervousness and nervous diseases. The price of the boon is a systematic course of Hostetter's Stomach Bitters, the finest and most genial of tonic nerviness, pursued with reasonable persistence. Easier, pleasanter and safer this than to swash the victualling department with pseudo-tonics, alcoholic or the reverse, beef extracts, nerve foods, narcotics, sedatives and poisons in disguise. "Tired Nature's sweet restored, balmy sleep," is the providential recuperant of weak nerves, and this glorious franchise being usually the consequences of sound digestion and increased vigor, the great stomachic which insures both is productive also of repose at the required time. Not unrefreshed awakens the individual who uses it, but vigorous, clear headed and tranquil. Use the Bitters also in fever and ague, rheumatism, kidney troubles, constipation and billiousness.
