Now that the political campaign is approaching it is a seasonable time to subscribe for the Daily HERALD. It will contain a full report of political conventions and elections, and a candid discussion of questions at issue, and will be delivered anywhere in the city at 15 cents per week, or sent by mail for $5.00 per year.

Gold Watch Given Away.

Francis Pfeiffer has placed in his show case at the Albany soda and candy works a $50 gold watch, which will be given away to the customer who purchases of him the most cigars. Every person who buys a cigar will receive a ticket. At the end of ninety days the one holding the largest number of tickets will receive the watch. It is warranted to be a genuine gold watch worth $50. His cigars are the best in the market. This is a rare chance to get a gold watch free.

G. A. R. Entertainment.

On Friday evening, February 17, 1888, McPherson Post, G. A. R., and W. R. C. will play at the opera house the drama entitled, "The Veteran of 1812; or Kesiah and the Scout." The play is a very interesting one, depicting scene supposed to have transpired during the late war. in the states of Virginia and Massachusetts, and has been carefully prepared and will be put on in good style. The price of admission will be twenty-five cents, with reserved seats at fifty cents. The proceeds of the entertainment will be devoted to completing and furnishing the hall lately erected, and forms a most worthy object of your patronage. By order of committee.

Remains Interred.

The remains of the late Mrs. Jesse McGee, of Tangent, whose death was announced yesterday, were interred in the cemetery near this city yesterday. The funeral was attended by a large number of relatives and friends.

RAILWAY POSTAL SERVICE.

Something About the Mail Service Over the Oregon & California Railroad.

Since the completion of the O. & C. railroad railway postoffice service has been established between Portland, Oregon and Sacramento, a distance of 660 miles. The line is to be known as the "Portland and Sacramento R. P. O." "Northern," "Middle" and "Southern" divisions. Clerks between Red Bluff and Sacramento will run on the same trains as formerly and comprise the "Southern division."

The middle division, receiving connection from the southern division, Delta & Sacramento R. P. O., and express train 15, will make close connection with the northern division at Ashland.

In connection with the above it may be stated that the Short Line circuit employed during the blockade has been discontinued and through mails for California were started yesterday by way of the Oregon & California railroad, and the first through mail was received yesterday morning from San Francisco.

Will Be Decided this Morning.

The case of the city against H. Backensto, of the firm of Williams & Backensto, for violation of the ordinance forbidding minors from visiting or loitering about any saloon, was tried in Recorder Henton's court yesterday. The city was represented by D. R. N. Blackburn and Capt. N. B. Humphrey appeared for the defendant. The only point at issue is whether or not the defendant's ignorance of the presence of the boys in the saloon constitutes a sufficient defense. Three policemen testified that two boys, Osborn Davy and A. Boenicke entered and remained for about half an hour in the saloon, and the mother of the former testified that he was a minor. The defendant testified that he was not aware of the presence of the boys, and had strictly enforced the rule to allow no minors in the saloon, which was corroborated by other witnesses. The case was argued at length and submitted. The court will render a decision in the case at 9 o'clock this morning.

Grand Concert.

Prof. R. B. George and his immense chorus, assisted by some of the local talent of the city will give another concert on Saturday evening of this week. An entire change of programme with new specialties, solos, etc., will be rendered. And as the chrous has been under instruction and training for some time, a musical treat may be expected. The concert is for the benefit of the W. C. T. U. the proceeds to be devoted to discharging the debt on the new hall. Tickets can be purchased for 25c each, certainly cheap enough for all. We bespeak for the professor and the ladies a full house. Further particulars to-morrow.

Too Bad.

With their usual unreliability both the Albany papers claim that one E. H. Bahr has purchased the Express. Such isn't the case at all. Mr. Bahr merely made a proposition, which has not been accepted. That's all. — Lebanon Express. And that is all the HERALD said, that such negotiations were pending. But since we think of it someone will will have to buy the Express or it will expire, as Mr. Stine must by this time be nearly ready to move on and start another paper.

Rooms Wanted.

The seventh annual encampment of the department of Oregon, G. A. R. and W. R. C., will convene in this city on the 22d inst., and as the hotels are inadequate to accommodate all who may attend, we would most respectfully request those who have rooms to rent or can furnish lodging, to report by postal card or in person to S. S. Train, chairman of committee, or to B. F. Tabler, adjutant of McPherson Post.

No Humbug About This.

It is a straight business proposition, easily comprehended and worth giving attention to, that the entire stock of boots and shoes at A. B. McIlwain's is now offered at twenty-five per cent. discount. This sale is positive, as the entire assortment is offered without reserve at this slaughter in prices.

BROWNSVILLE NOTES.

BROWNSVILLE, Feb. 9.

I see a sketch in the Oregonian and other papers giving some items about the Calapooia and Blue River mines, and being personally acquainted with the parties from this place, and knowing them to be truthful and reliable men, thought it would not be amiss to drop you a few lines concerning the mines. To prove their statement one should call at Mr. G. A. Dyson's tinshop and see their gold just from the ledge. These parties say if one-tenth of the claims that have been discovered will pay, this camp will be the best in Oregon. There is one ledge known as the Lucky Boy, which shows a very fine prospect. The discoverers and locators are N. B. Standish, G. A. Dyson, J. W. Moore and H. M. Williams. The ledge is about seven or eight feet wide and shows up fine for over one thousand feet. There is a good show to work with some other claims near by. The Eureka, Last Chance, the Monday and several others are within less than one mile, in fact there are claims enough for a No. one camp if they prove good when prospected. Messrs. Standish, Dyson and Moore are making preparations to start back just as soon as they can get to the top of the mountains with horses. They have a cabin and plenty of tools, and have a trail cut into the mines. They have run a tunnel in ninety-two feet and think they will not have to tunnel much farther. They find the ledge straightening up, and when they get in they will be between eighty and ninety feet on a perpendicular line.

There is some talk of building a wagon road up the Calapooia to the mines next summer. We will expect our brother towns and neighbor farmers and the community in general to turn out and give a lift, which will help all and make things lively.

Mr. Geo. Coshow, son of O. P. Coshow, was kicked by a horse yesterday just above the temple on the left side of the head. The doctor was summoned and done all he could to relieve his suffering, but blood was running from his ears and nose and he seemed very badly hurt. He is resting some easier to day.

Times are quite dull at present. There is considerable sickness and several deaths.

Startling--A Terrible Fall!

A wonderful offer! Cloaks, jackets and wraps, of every description, at sweeping prices. Desiring to greatly reduce our stock on these lines before taking inventory, we will offer our entire line of Springer Bros. tailor made garments at cost or less. This is a rare chance. Call early while the assortment is large.

MONTEITH & SEITENBACH.

Scarlet Fever.

Darby's Prophylactic Fluid is unequalled in the treatment of scarlet Fever. Used as a garlic it prevents the throat from becoming diphtheritic allays the inflamation and subdues the pain. Used to sponge the body it allays the itching inflamation of the skin and destroys infection.

Exposed in the sick room it will prevent the spread of contagion, and keep the atmosphere wholsome.

The Ounce of Prevention.

The satisfaction of feeling safe from catching any disease from drinking water, from impure air, from a sick person, from contact with foul clothing, infection or contagion from any source, is complete and all anxiety allayed by the use of Darbys Prophylactic Fluid. A bottle will give more safety, comfort and confidence than all the doctoring in the world.

What am I to Do?

The symptoms of biliousness are unhappily but too well known. They differ in different individuals to some extent. A bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events. The digestive system is wholly out of order and diarrhea or constipation may be a symptom or the two may alternate. There are often hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try Green's August Flower, it costs but a trifle and thousands attest its efficacy.

An Excellent Medicine.

"My wife and myself were in bad health for some fifteen years. I chanced to be looking over one of Simmons Liver Regulator Almanacs and saw A. H. Steven's and Bishop Pierce's names to testimonials. I then obtained some the Regulator, and can heartily recommend the Liver Regulator to my friends as an excellent medicine."

Oregon Peach Bitters.

About eighteen years ago I received a hurt in my back from a pile of lumber faling on me, and ever since had been troubled with weak kidneys more or less; and the last year very much. Through the recommendation of Henry Keene, I bought a bottle of H. Klas's Oregon Peach Bitters, and before I had taken half the bottle I found great relief from it. I believe it to be a splendid remedy for the kidnays, and heartily recommend it for the same. J. H. PORTER.

Warranted Seed.

I have founded my business on the belief that the public are anxious to get their seed directly from the grower. Raising a large proportion of my seed enables me to warrant its freshness and purity, as see my Vegetable and Flower Seed Catalogue for 1888, FREE for every son and daughter of Adam. It is liberally illustrated with engravings made directly from photographs of vegetables grown on my seed farms. Besides an immense variety of standard seed, you will find in it some valuable new vegetables not found in any other catalogue. As the original introducer of the Eclipse Beet, Burbank and Early Ohio Potatoes, Hubbard Squash, Deephead Cabbage, Cory Corn, and a score of other valuable vegetables, I invite the patronage of the public.
