THE WEST SHORE. ESTABLISHED 1875. The West Shore is the only illustrated magazine published on the Pacific coast, and aside from its excellent literary features, its object is to convey information by both pen and pencil, of the great resources of this region, and the progress of their development. Special illustrated articles appear in each issue; also, several pages of notes of the progress being made in every section. Oregon, Washington, Idaho, Montana, Alaska, Utah, California, British Columbia, and the Pacific Northwest in general, are being illustrated. The subscription price is only \$2.50. This not only the cheapest illustrated magazine in the United States, but contains articles and engravings of great interest to every resident of this region, which can not be found in any other publication. Subscribers for 1888 receive a large and beautiful oblong of the "Entrance to the Columbia River," printed in nine colors, and each of the others represents some feature of our sublime scenery. The supplements are alone worth more than the price of the magazine. Try it for 1888, and after reading, send it to your friends elsewhere. You will find it both entertaining and instructive. L. SAMUEL, Publisher, 171-175 Second St., Portland, Oregon.

148 Degrees. Very respectfully yours, CHARLES J. WOODBURY. Oregon Peach Bitters. About eighteen years ago I received a hurt in my back from a pile of lumber falling on me, and ever since had been troubled with weak kidneys more or less; and the last year very much. Through the recommendation of Henry Keeney, I bought a bottle of H. K. Oregon Peach Bitters, and before I had taken half the bottle I found great relief from it. I believe it to be a splendid remedy for the kidneys, and heartily recommend it for the same. J. H. PORTER, Astoria, January 12, 1888.
