

BEAUTY ON THE STAGE. Actresses and Dancers Overpriced by Newspaper Writers.

Theodore Child in N. Y. Sun. Critics do not concern themselves sufficiently with the analysis of the beauty of actresses; they discuss, indeed, their talent and their manner, but rarely ever consider them from a purely plastic point of view.

Among dancing women in particular beauty is certainly rare. In the first place, the stock from which they come is poor and peculiar, and in the second place the training develops to excess the legs and the calves, while the arms remain thin, the breast flat, and the shoulder-blades often stick out like the stumps of torn off wings.

The electric trumpet of M. Zigan—which is adapted to useful service for signaling ships, railways, etc.—consists of a brass tube mounted on wood and containing an electro-magnet whose ends face a vibrating plate bearing a small piece of soft iron.

CALL FOR REPUBLICAN CONVENTION.

A republican convention for the state of Oregon is called to meet at the city of Portland, Oregon, on Wednesday, the 11th day of April, A. D. 1888, at 11 o'clock A. M. for the purpose of nominating candidates for the following offices, to-wit: Representative in Congress, three presidential electors, supreme judge and district officers, and to select six delegates to attend the national republican convention.

Table listing names of delegates and their respective counties: Baker, Beaverton, Clatsop, Clatskanie, Clifton, Coos, Curry, Douglas, Gilliam, Harney, Jackson, Josephine, Klamath, Lake, Lane, Lincoln, Marion, Morrow, Multnomah, Polk, Tillamook, Union, Wasco, Washington, Yamhill.

The same being one delegate at large from each county and one delegate for every 150 votes and one for every fraction over one-half thereof, cast for Hon. Binger Hermon, congressman, at the last general election. The committee recommended that the primaries be held March 31, 1888, and the county conventions April 4, 1888, unless otherwise ordered by the county central committee.

Republican electors are invited to the state, without regard to past political affiliations, who are the American principle of protective tariff and dignifying American labor, giving free, popular education to the masses of the people, effectively protecting all human rights in every section of our common country, and who desire to promote friendly feeling and permanent harmony throughout the state by maintaining a government pledged to these objects and principles, are cordially invited to unite in selecting delegates to the republican state convention. Respect fully submitted, L. T. BROWN, W. R. ELLIS, H. B. MILLER, H. HURLEY, W. M. SIMPSON.

Who is Your Leif? Your stomach of course. Why? Because it is out of order you are one of the most miserable creatures living. Give it a fair, honorable chance and see if it is not the best friend you have in the end. Don't smoke in the morning. Don't drink in the morning. If you must smoke and drink wait until your stomach is thorough with breakfast. You can drink more and smoke more in the evening and it will tell on you less. If your food ferments and does not digest right—if you are troubled with heartburn, distension of the head, coming up of the food after eating, biliousness, indigestion, or any other trouble of the stomach, you had best use Green's August Flower, as no person can use it without immediate relief.

Oregon Peach Bitters.

Avent children were sign received a hurt in my back from a pile of lumber falling on me, and ever since had been troubled with weak kidneys more or less and the last year very much. Through the recommendation of Henry Keene, I bought a bottle of H. Keene's Oregon Peach Bitters, and before I had taken half the bottle I found great relief from it. I believe it to be a splendid remedy for the kidneys, and heartily recommend it to my friends. J. H. POYTER, Astoria, January 17, 1888.
