NOTICES ABOUT TOWN.

Circuit court adjourned yesterday until Monday at 1 o'clock. Dr. G. H. Lamberson, of Lebanon was in the city yesterday. The pro-batory of Oregon will convene in this city on April 10th. Wallis Nash and C. C. Hogue, of Corvallis, were in the city yesterday. Silk hats promise to be generally worn by young gentlemen in Albany this season. Reserved seats for the artistic entertainment at the opera house, are on sale at Blackman's. There will not be a finer building front in Oregon than will be presented by L. Finn's new brick when it is completed. C. S. Sayers, who was sentenced to the penitentiary for three years for horse stealing, was taken to the penitentiary yesterday. There has not been a vacant residence or business house in Albany for two years, and new buildings are constantly going up. These are the best indications of a steady and healthy growth. Some fun-loving individual yesterday tied a green ribbon to the end of a Chinaman's queue and the Mongolian went around for an hour or more before he espied the colors of the "ould soil" which he was wearing. He then indignantly tore it off, muttering something which was presumably a Chinese oath. The republicans of Lebanon have organized a republican club. The first regular meeting will be held next Friday and officers elected. This is setting a good example, which other precincts should follow. This is the first republican club organized in Linn county for the coming campaign. Albany should organize the next one. Sheriff Mackay and Wayman St. Clair, of Corvallis, went into the country Wednesday to serve some papers, driving Mr. McKay's fine black team. The horses were feeling their oats and ran away with the buggy, not stopping for half a mile, without doing any more damage, however, than throwing mud over the occupants of the buggy. The Albany delegation elected yesterday by the democrats, it is understood, are for Payne for clerk and Daly for sheriff. The Brownsville delegation is for Galbraith for clerk and the Lebanon delegation for Montague. The Harrisburg delegates are presumably for Douglas, or at least a part of it, for no particular candidate, unless it is to get into his back hair. The ladies of the W. C. T. U. will hold a series of prayer meetings during the coming week, beginning on Tuesday afternoon at three o'clock. The state president, Mrs. Riggs, is expected to be present on Thursday and Friday afternoons, at which time she will have charge of the meetings. She is a consecrated Christian woman and will interest and instruct all who hear her. All persons interested in temperance work, and particularly the departments conducted by the W. C. T. U. are cordially invited to be present, and unite with us in calling upon God to establish the work of our hands. Com. Fast Going. Ladies who desire to secure bargains in dress goods, millinery, trimmed hats, and all goods of that description, will do well to call at the old stand of Shane & Lonsway. The stock is full and complete at present, and by calling early satisfactory selections can be made, and rare bargains obtained. These desirable goods were bought at a great bargain and must be sold. They are going at almost unheard of prices, and these desiring choice bargains should call early. Come and see us and we will guarantee to treat you with courtesy and at all times aim to deserve your patronage. Brownell & Stanard.

THE DEMOCRATS.

Precinct Nominations Made at the Primaries Yesterday—The Delegates.

The democratic primaries were held in the various precincts of Linn county yesterday. In this city more than usual interest was manifested, and democrats quite generally attended the meetings. EAST ALBANY. R. A. Irvine was elected chairman. J. O. Wrightman was elected secretary and Geo. Chamberlain assistant secretary. Geo. Humphrey was nominated for justice of the peace and C. G. Burkhardt for constable. The following were elected delegates to the county convention, which meets next Saturday: John Hoffman, Geo. Chamberlain, Brice Wallace, C. P. Burkhardt, John Isom, L. Senders, Abe Hackleman, Phil Swank, A. E. Bloom.

WEST ALBANY.

A. J. Olin was elected chairman, with R. L. Dorris secretary, and L. V. Lonsway assistant. The nominations were made as follows: For justice of the peace, J. J. Beard. For constable, M. Moses. Delegates, E. J. Bryan, Uebe Peters, Geo. Oline, C. H. Stewart, Dr. J. L. Hill and J. L. Cowan.

OTHER PRECINCTS.

The delegates from other precincts as far as heard from by wire last night are as follows: HARRISBURG, March 17.—Delegates elected are: Enoch Hoult, D. S. Busby, Sam May, J. W. Grimes, Geo. M. Alford, William McCulloch, Oliver Hide, Geo. Huston. No precinct nominations were made, but a committee was appointed for that purpose. BROWNVILLE, March 17.—The delegates elected are: J. B. R. Morelock, E. C. Cable, J. D. Arthur, F. M. Jack, C. B. Michael, Wm. Cochran and O. P. Coshov. HALSEY, Ore., March 17.—Delegates: Robt. Andrews, W. J. Ribelin, T. J. Black, J. R. Bone.

CIRCUIT COURT.

The following cases were disposed of yesterday: W. D. Hannon vs. Olive J. Hannon et al., partition; decree granted. In the matter of the assignment of W. E. Price, continued. State vs. C. Sayers, horse stealing; sentenced to three years in the penitentiary. State vs. Ludwig Hauser, alias Louis Handle, obtaining money under false pretenses; dismissed on account of insufficiency of indictment. GRAND JURY'S REPORT. We the undersigned grand jury for the March term of circuit court beg leave to submit this, our final report: We have carefully examined into the commission of all crimes committed or triable in Linn county, which has come to our knowledge. We have also examined into the condition and management of the county jail, and the various offices of the county, and find the jail in good condition and repair, and the various offices and the records therein neatly and orderly kept. Having completed our labors, we ask to be discharged. (Signed) JOHN BUYAST, Foreman.

Death of Wm. Garret.

Information has been received in this city announcing the sudden death of Wm. Garret of Peoria on Thursday. He had been attending court in this city and was in his usual health. He started to return home Thursday, and while going from Peoria to Peoria he suddenly fell dead. The deceased was one of the pioneers of Linn county, being nearly 70 years old. He was a most respected and upright citizen, and by his sudden death the community has lost one of its best and most honored members. Geo. Humphrey of this city went to Peoria last evening and will conduct the funeral services under the auspices of the Masonic order.

Linn County Republican Convention

A republican convention for Linn county is hereby called to meet at the court house in Albany on April 4th at 10 a. m. for the purpose of electing delegates to the state republican convention, which convenes in Portland April 11th, and for the purpose of placing in nomination candidates for the various county offices, and to transact such other business as may properly come before the convention. The convention will consist of 79 delegates, appointed as follows: West Albany 7, Halsey 6, Harrisburg 4, Brownsville 4, Shedd 5, Lebanon 7, Scio 3, Waterloo 4, Orleans 3, Crawfordville 3, Sweet Home 2, Fox Valley 3, Center 3, Santiam 3, Franklin Butte 2, Syracuse 2, Liberty 2, Brush Creek 2, Rock Creek 2.

Total 79. The committee recommend that the primaries be held on March 31st, at 2 P. M. S. S. Train. G. W. DAVIS, Sec. Chairman.

THE SPICER MAIL ROBBERY.

The Young Offender Skips and His Father Arrested by his Bondsmen.

It is learned that Deputy U. S. Marshal Myers has gone to Newberg, in Yamhill county, to serve a warrant charging Benjamin Jaeneway, father of the Spicer mail robber, with perjury in connection with an indemnity bond for \$500. It will be remembered that when young Jaeneway was arrested and bound over to await the action of the grand jury, Mr. J. F. Holston, a Newberg farmer, was prevailed upon to furnish the required bond upon the representations of young Jaeneway, and H. S. Hayworth, a son-in-law. The men signed the indemnity bond, and afterwards, Mr. Holston says, disposed of their property and assisted the culprit to escape. Hayworth also left the country. Upon learning these facts the bondsmen went to Portland and laid the matter before District Attorney McArthur. The arrest was accordingly made. At the preliminary examination before U. S. Commissioner Lanson Mr. Jaeneway stated that his arrest was entirely uncalculated for and that he can easily disprove the charge against him. He denies that his son is hiding, and is confident that when the time comes the accused will appear promptly for examination. As to the alleged statement on his part to the effect that his property was in such shape that neither the bondsmen nor the government could levy upon it, he pronounced it unqualifiedly false, and said that he did not tell Mr. Holston to choose between searching for the missing man and losing the forfeited money, and doing nothing toward recapture and receiving only a part of the bonded sum.

The father of young Jaeneway is a farmer by occupation. He is also an exhorter of the Methodist persuasion, but not a regularly ordained minister, and in consequence of having friends and being in a position to answer to the allegations brought against him, expresses great hopes of acquittal.

Artistic Entertainment.

A few days since a very large audience in Corvallis greeted Mr. C. C. Hogue in the role of a cartoonist. For over two hours he kept the house in delight with the creations of his brush. He draws as rapidly as the famous Th. Nast, and owing to the more humorous character of his sketches many enjoyed Mr. Hogue's efforts more than that of Mr. Nast. His local portraits of a few of the leading men of Corvallis, although done with a few strokes of the brush, were recognized before half done and were greeted with cheers. Mr. Hogue has consented to repeat his entertainment at the opera house in this city on Friday night, March 23d, for the benefit of the ladies aid society. He will try to draw the portraits of some of Albany's notables in addition to the regular programme. Tickets—Reserved seats, 50 cents; gallery, 25 cents. For sale at Blackman's drug store.

Appleton's Cyclopedia of American Biography.

Edited by James Grant Wilson and John Fiske. The only national standard. Contains over 25,000 articles, giving full biographical sketches of every man and woman in America prominent in any relation of life. Illustrated with numerous steel plate engravings and vignettes. To be published in six royal octavo volumes. Volumes 1, 2 and 3 now ready. The grandest achievement of the great publishers. No family can do well without it. Its sale is enormous. For further particulars, call or address W. W. Beck, Gen'l Agt. for Oregon and Washington Territory, care this Office.

Notice to Strangers.

Persons just locating in Albany or vicinity will find at the new store of Kenton & Chase, between the opera house and postoffice, a good place to purchase their supplies of groceries and provisions. They have first-class goods there and the prices are reasonable. If articles sent from their store do not give entire satisfaction they cheerfully refund the money.

Great Revolution in Albany Market.

Another invoice of Kenton's Baking Powder has arrived at Julius Gradwohl's. Only 25 cents in one pound cans. It sells on its own merits. Julius Gradwohl warrants every can. If not satisfactory the money will be refunded. The reason he was out of this popular baking powder for a few days was due to the unprecedented sale created by the constantly increasing demand for it.

Not a California Bear.

Anybody can catch a cold this kind of weather. The trouble is to let go, like the man who caught the bear. We advise our readers to purchase of Foshay & Mason a bottle of Santa Abie the California King of Consumption, Asthma, Bronchitis, coughs and Croup Cures, and keep it handy. 'Tis pleasing to the taste and death to the above complaints. Sold at \$1.00 a bottle or for \$2.50. CALIFORNIA CAT-R-CURE gives immediate relief. The Catarrhal virus is soon displaced by its healing and penetrating nature. Give it a trial. Six months treatment \$1.00, sent by Mail \$1.10.

A LEAP TO DEATH.

A Man Leaps 55 Feet from the Salem Bridge—Marion County Democrats.

SPECIAL TO THE HERALD. SALEM, March 17.—An unknown man jumped from the bridge across the Willamette to-day with suicidal intent. He was seen by several small boys, and after he was in the water by several others. He floated down below the bridge and then sank from sight. The alarm was immediately given and several parties in boats began searching for the body, but so far to no purpose. No one knows who the suicide is, but it is thought it may be a tramp. The jump of the suicide was about 55 feet. He climbed up the railing of the bridge and stood on the iron braces and deliberately leaped off, lighting feet foremost in the water.

MARION COUNTY DEMOCRATS.

The democratic primaries were held to-day and delegates to the county convention named.

COAST NOTES.

Jackson county scrip now brings 98 and 99 cents the dollar. Baker City will probably soon have a city park. The subject is being agitated and some steps will no doubt be taken in that direction. Jacksonville Sentinel: It is said that about a dozen democrats are on a still hunt for the Jacksonville post-mastership. Max Muller's term of office expires April 1. Wells Fargo & Co. have established a station at the Summit with Mr. Crane as the agent. This will be a great convenience, as heretofore no matter could be billed to that place without charges prepaid. Mr. W. W. Cochran of Eugene City, has been appointed deputy U. S. marshal for the counties of Lane, Douglas, Coos, Curry and Benton. A. R. Pygall has held that position for a number of years. This is the way a Salem paper gives it to the Salvation Army. The Salvation Army is to have a solo concert a knee drill, a heel and toe walk around, and a collar-and-elbow wrestle to-night at the barracks. The coffee and cake will be the only intoxicants allowed. Grant's Pass Courier, Judge Webster is quietly mentioned as a candidate for the supreme judge. The judge is said to be one the brightest legal lights in Southern Oregon—which section ought to have a representative.

Peace on Earth

Awaits that countless army of martyrs, whose ranks are constantly recruited from the victims of nervousness and nervous diseases. The price of the boon is a systematic course of Footelet's Stomach Bitters, the finest and most general tonic nervine, pursued with reasonable persistence. Easier, pleasanter and safer than that to wash the vitiated department with scotch-tonics, alcoholic or the reverse, beef extracts, nerve foods, narcotics, sedatives and poisons in disguise. "Tired Nature's sweet restored, balmy sleep," is the providential recuperant of weak nerves, and this glorious franchise being usually the consequences of sound digestion and increased vigor, the great stomachic which insures both is productive also of repose at the required time. Not unrefreshed awakens the individual who uses it, but vigorous, clear headed and tranquil. Use the Bitters also in fever and ague, rheumatism, kidney troubles, constipation and biliousness.
