REPUBLICAN PRIMARIES.

Harmonious Meetings Held Throughout the County—The Delegates.

Republican primaries were held throughout Linn county yesterday, and delegates to the county convention were elected and precinct nominations made.

The meetings were well attended, harmonious, and satisfactory nominations were made, which still further strengthens the belief that a portion at least of the offices in Linn county will be filled this year by republicans.

Following are the nominations in East and West Albany and the county at large, as far as heard from last night by wire:

EAST ALBANY. The precinct convention for East Albany met at the court house and was called to order by Thos. Froman, member of central committee.

On motion C. I. Wolverton was elected secretary and S. S. Train assistant secretary.

The meeting then proceeded with the nomination of 9 delegates to the county convention, the following being duly elected: L. E. Blain, Stranor, Froman, J. G. Powell, C. E. Wolverton, Walter Settelman, S. S. Train, S. A. Dawson, Samuel Conn, L. W. Decker, R. M. Huston was nominated for justice of the peace and N. D. Conn for constable.

WEST ALBANY. The republican convention for West Albany was called to order by committee man S. S. Train.

H. H. Hewitt was chosen chairman, W. B. Barr, secretary and C. W. Watts assistant secretary.

The meeting then proceeded to the election of delegates to the county convention as follows: J. W. Blain, Henry Freerkson, John Barry, S. E. Young, A. S. Looney, D. B. Monteith and B. A. Weitzel.

The meeting then proceeded to the nomination of precinct officers, resulting in the nomination of M. E. Brink for justice of the peace and F. M. Westfall for constable.

A resolution was adopted recommending to the county convention the selection at large of delegates to the state convention.

SHEDD, March 31.—The following delegates were elected at the primaries to-day: E. B. Holmes, Jno. W. Pugh, W. B. McCormick, H. B. Springer and G. W. Davis.

HARRISBURG, March 31.—The following delegates were elected at the primaries to-day: E. E. Upmeyer, D. Smith, Harvey Sommerville, J. L. Fuiler. Geo. Isham was nominated for justice of the peace.

SYRACUSE, March 31.—At the republican primaries held to-day J. J. Graham and W. E. Fisher were chosen delegates to the county convention.

HALEY, March 31.—The following delegates were elected to the county convention: A. M. Witten, W. W. Francis, S. T. Smith, T. F. Smith, Frank R. Thompson, John R. Pearl.

Death of Frances Hoffman. Frances Hoffman, eldest daughter of John and Mary Hoffman, died at the home of her parents in this city yesterday morning at 6:30 o'clock, of pulmonary disease. She had been ill with measles, and caught cold, resulting in her death, after an illness of but a few weeks.

The bereaved family will have the sympathy of the entire community. The funeral will occur at 10 a. m. to-morrow from the Catholic church.

Mail Change. The change in the mail route from this city to Lebanon, which is to be made by the Lebanon branch of the O. & C. railroad carrying mail on the train, seems likely to leave Tallman out entirely, as the service by the narrow gauge is uncertain to rely on and is to be discontinued for that office, and no orders have been given to leave the mail from the Lebanon train.

This matter should be looked after immediately, and a patch made up for Tallman from this office.

Died at Roseburg. Virtue Skipton, daughter of E. E. Skipton, county assessor of Benton county, died of spinal meningitis at the residence of her brother-in-law, Prof. J. B. Horner, at Roseburg, Thursday night, aged 18 years.

The remains were brought through this city yesterday on the way to the home of her parents in Benton county, where the funeral will be held to-day at 11 o'clock. The remains will be interred in the Pleasant View cemetery.

Prof. Horner and wife and Mrs. Skipton accompanied the remains.

Meeting of Oregon Presbytery. The Presbytery of Oregon of the United Presbyterian church will meet in Albany on Tuesday, April 3, at 7:30 p. m., and will be opened with a sermon by the moderator, Rev. W. G. M. Hays, of Waitsburg. A sermon will be preached to the Ladies' Missionary Society on Wednesday at 2:30 p. m. by Rev. A. M. Acheson, of Oakville. Rev. W. R. Stevenson, of Portland, will preach on Wednesday evening.

Wholesale Arrest of Vags. Five vagrants were arrested yesterday by Marshal Hays and sentenced in the recorder's court to five days' labor upon the streets. The fellows when arrested showed fight, and Constable Burkhardt assisted in leading them to jail. About a dozen of these tramps arrived on yesterday morning's train, and several more are likely to be arrested.

THE ELECTRIC LIGHTS.

The New Plant Started Up Last Night With Satisfactory Results.

The electric lights, which N. H. Allen has just completed putting in at this city, were started up last night with most satisfactory results.

The plant, which cost \$12,000, consists of two systems—the Schuyler arc light and the Heiser incandescent lamps. The whole, it is needless to say, is driven by water power furnished from the Santiam canal.

Seven-eighths of the large 2000 candle power lights were in the circuit last night and the streets were beautifully lighted. The lights are steady and are powerful, yet mellow. Persons who have seen different kinds of electric lights pronounce them the best they have ever seen. They are certainly second to none in Oregon.

The incandescent lights, of which about 100 were burning, are a fine indoor light, ranging in m 30 to 75 candle power.

The machinery when started up worked smoothly, and the lights proved to be all that was expected. Mr. Allen certainly deserves much credit for the superior system of electric light with which Albany is now provided. Beginning with to-morrow night the lights will be run all night.

AN IMPORTANT MATTER. A Chair Factory with Proper Inducement Can Be Located Here.

A representative of the firm of Mount & McMillan, whose chair factory was recently burned down at Salem, is in the city for the purpose of seeing if arrangements can be made for re-establishing the factory at this city. Salem offers some inducements for reopening the factory there, but in view of the water power and other advantages afforded here, they will, if proper encouragement is given, remove the factory to this city. This assurance was given by a prominent business man who had a conversation with the proprietors. The establishment would employ from 25 to 50 workmen, and would be a desirable addition to the industries of this city. The matter should receive prompt encouragement. A suitable site has already been offered, and it is understood steps will be taken during the coming week to secure if possible its location at Albany.

PERMANENTLY ORGANIZED. The Willamette Valley Hopgrowers' Association Meets in Salem.

A meeting of the hopgrowers of Willamette valley, called at a similar meeting on February 16th, when a temporary organization of the Willamette Valley Hopgrowers' Association was effected, was held at Salem Friday. There were present: H. D. Mount, of Silverton; F. Levy, Salem; Geo. Williams, Salem; John Newsome, Willamette; J. O. Beardsley, Wheatland; R. F. Myers, Jefferson; John Brewer, Switzerland; F. M. Egan, Silverton; I. W. S. Geer, Silverton; Lewis Pettijohn, Salem.

Upon motion, the association proceeded to the election of permanent officers, with the following result: President, H. D. Mount; vice-presidents, W. E. Iler, F. X. Matthien, John Newsome; secretary, W. J. Herren; treasurer, George Williams.

It was moved and carried that the standard box for picking hops as fixed by statute be adopted as the box to be used by members of the association.

It was moved and carried that when the meeting adjourns it adjourn to meet on Friday, July 13, 1888, at 1 p. m., in Salem.

It is expected that when the association meets in July it will fix a uniform price to be paid by members for the picking of hops. Arrangements will also be made by which the secretary will receive and furnish each member with reports of the conditions of the hop market in New York, London, and Liverpool, and also the condition of the growing crops so far as can be ascertained. The organization will result in much mutual benefit to its members. Each member, having direct advices from the principal markets of the world, will be much better informed concerning the situation and prospects for hops generally, and will be able the safer to form a conclusion as to what disposition to make of the hops he himself holds. Any hop grower in the Willamette valley is eligible to membership, and can become a member at any time by calling at the office of Secretary Herren, and registering his name.

THE YACHTING JETTY. One More Appropriation Will Finish it—Jetty Seeded on North Side.

Mr. J. S. Polhemus, who is in charge of the jetty work at Yaquina bay, is in the city and will probably remain here for some time, work having been suspended at the bay until the appropriation, \$120,000, becomes available. He says that since July 1, 1887, the jetty has been lengthened 400 feet, and is now out about 3000 feet. During this period 22,000 tons of rock were deposited in the jetty tramway. A further addition of 1200 to the jetty will complete it, but Captain Polhemus thinks that an appropriation of \$120,000 is not sufficient to do the work remaining to be done. Provided it is, the work will be finished by July 1, 1889.

No soundings were made at the close of the season to ascertain the depth of water on the bar, but that of last spring showed twenty-one feet of water at high tide, and a gratifying increase.

Concerning the proposed jetty on the north side of the bay, in front of Newport, Captain Polhemus said: "I think it is necessary and that it would prove advantageous. It would prevent the waste of water over the north reef, confine the water and concentrate the outflow."—Oregonian.

Who is Your Best Friend? Your stomach of course. Why? Because if it is out of order you are one of the most miserable creatures living. Give it a fair, honorable chance and see if it is not the best friend you have in the end. Don't smoke in the morning. Don't drink in the morning. If you must smoke and drink wait until your stomach is through with breakfast. You can drink more and smoke more in the evening and it will tell you less. If your food ferments and does digest right, if you are troubled with heartburn, flatulency, or the bad coming up of the food after eating, Biliousness, indigestion, or any other trouble of the stomach, you had best use Green's August Flower, as no person can use it without immediate relief.

PERMANENTLY ORGANIZED. The Willamette Valley Hopgrowers' Association Meets in Salem.

A meeting of the hopgrowers of Willamette valley, called at a similar meeting on February 16th, when a temporary organization of the Willamette Valley Hopgrowers' Association was effected, was held at Salem Friday. There were present: H. D. Mount, of Silverton; F. Levy, Salem; Geo. Williams, Salem; John Newsome, Willamette; J. O. Beardsley, Wheatland; R. F. Myers, Jefferson; John Brewer, Switzerland; F. M. Upon motion, the association proceeded to the election of permanent officers, with the following result: President, H. D. Mount; vice-presidents, W. E. Iler, F. X. Matthien, John Newsome; secretary, W. J. Herren; treasurer, George Williams.

It was moved and carried that the standard box for picking hops as fixed by statute be adopted as the box to be used by members of the association.

It was moved and carried that when the meeting adjourns it adjourn to meet on Friday, July 13, 1888, at 1 p. m., in Salem.
