Krausse & Klein,

One of the finest and most complete lines of spring and summer millinery has been opened by Mrs. E. J. O'Conner. Mrs. O'Conner has long stood in the lead as a dealer in fresh and late style millinery, and her efforts for the coming season are in no wise behind her former display. He stock embraces hats, bonnets, trimmings, tips, ribbons, plumes, etc., and ladies can always find just what they want.

Certain prominent citizens of this city have decreed that the stairs and vestibules of the court house, which are carpeted, need no fertilizer, also that the G. A. R. stairs, the public school entrance and other public entrance ways about the city need nothing of this kind, and that a certain untamed "Billee" goat unless he observes the curfew law is in imminent danger of a sudden and violent death, at the hands of an outraged populace.

A TRAMP ON THE WAR PATH.

He Wanted to Burn the Town, But is Landed Safely in Jail.

A tramp, giving the name of Michael Martin, was arraigned in Justice Humphrey's court yesterday charged with threatening to burn the houses of J. I. Livingstone, and the two night policemen, A. McLane and J. Jones. Martin was begging and the parties named refused to give him anything, when he grew violent and threatened to take their life and burn down their homes.

He was accordingly arrested and he was bound over to await the action of the grand jury on a charge of threatening to destroy the property of another.

THE LEBANON MAIL ROUTE.

Relative to the direct mail communication which will be established between this city and Lebanon on the O. & C. train, beginning on Monday, April 9, the following letter received from the second assistant postmaster general shows that Hon. Binger Hermann, who pushed the matter through, is alive to the interests of his constituents whenever an opportunity is afforded:

To Hon. Binger Hermann, Sir:—Referring to the matter of establishing railway mail service between Albany and Lebanon, Oregon via the Oregon & California railroad, which service the company declined to accept unless the department would provide for carrying the mails between the station and the postoffice at both Albany and Lebanon, I have the honor to inform you that, after consultation with the postmaster general, it has been decided to make an exception to the rule (which requires the service to be performed by the railroad companies at the terminal) in this case, owing to the peculiar and exceptional circumstances, and the service has been ordered to begin April 9, 1888, with the understanding that the department will provide for the terminal service. Very respectfully,

A. LEO KNOTT,
Second Ass't P. M. General.

A Sad Sight.

Mrs. Ricks, an indigent woman of Crawfordsville, appeared before the county court yesterday to plead her own cause in a petition for aid from the county. She has a family and her husband is dead. In January she was allowed $10, but subsequently the court withdrew further allowance. She appealed to the clerk yesterday, and bursting into tears said she had been sick and had lived solely upon bread and water during the past six weeks. It certainly seems that in this country of plenty, widows however lowly, ought not to be allowed to weep for food to eat. The court took a humane view of the case and appropriated funds for her relief. The sight of a woman in tears for food was certainly a sad one.

The public is cordially invited to these meetings.

Berry, James T.	Comstock, Ada
Costello, Wm.	Croinn, Sam
Dealy Miss Sarah I.	Davis, Miss Lilly A.
Grover, Mr.	Higgens, Abner
Meeker, C. R.	Means, Geo.
Ryan, Peter	Stevens, R. L.
Washburn, G. S.	Wire, Rev. M. C.
Geizentanner, Mrs M. A.	

REED'S THOMPSON, P. M

Whole cloves are now used to exterminate the merciless and indistrious moth. It is said they are more effectual as a destroying agent than either tobacco, camphor, or cedar shavings.

OREGON FORESTS.

They Should be Better Protected from Destructive Conflagrations.

Abner Gile and W. D. Fox, of La Crosse, Wis., are in Portland. The former is one of the most extensive lumbermen of Wisconsin and the latter is proprietor of the noted Cameron house, of La Crosse. These gentlemen left home on the 17th of January, and after a tour through Southern California came to Oregon.

Mr. Gile is astonished at the immensity and magnificence of Oregon forests, and says that in less than five years there will be more of a market for our lumber in the East than on the Pacific slope, as the forests of Wisconsin and Minnesota are fast being used up.

He says there are a number of Eastern lumbermen in the Northwest who are quietly buying up all the timber land they can secure. Mr. Gile is looking about and may in the future make some investments.

Forest fires have played havoc with our forests and Mr. Gile thinks that the laws protecting forests from the wanton acts of incendiaries should be rigidly enforced, as what is already valuable and which will be worth millions of dollars in a few years is often thoughtlessly destroyed. He thinks it should be a matter of patriotism and public policy to prevent the destruction of our forests by fires. Mr. Gile's criticism is a pointed one and the matter he draws attention to is an evil which is worth giving thought to with a view to immediate abatement. If the forest burner is permitted to go on unmolested no one will purchase timber land, as there will be no assurance that the trees upon it will not soon be destroyed by fire.

It is a well known fact that large bodies of valuable timber situated in the Coast range of mountains has been destroyed by fire. In the Cascades east of Albany are large quantities of fine timber, through which the Oregon Pacific railroad passes. Saw-mills are beginning to find a location there, and it is to be hoped the wanton fire fiend will not find a field of operation in that district.

EUGENE CITY ITEMS.

EUGENE, April 5.

Lieutenant. Col. Patterson, of the Bishop Scott grammar school and Col. Smith, of Salem, spent Saturday and Sunday in Eugene.

S. M. Yoran, chairman of the republican central committee for Lane county, has called the convention to meet at Eugene, April 14th.

Mr. Henry McClure, a student of the state university law school came up from Portland Saturday and visited with parents and friends till Wednesday morning.

City election was held last Monday, Messrs J. H. McClung, B. D. Paine and J. Matlock were elected councilmen to serve for two years. T. W. A. Crain was elected treasurer, B. F. Dorris city recorder, and Henry Day marshal, all to serve for one year.

It is reported that Mrs. Prof. Spiller has resigned her position in the state university as professor of elocution. and that Miss Sabin, principal of North Portland school has been elected by the board of regents to fill the vacancy. Prof. Spiller's resignation will date from the first of next July.

FROM GILLIAM COUNTY.

CLEM, April 1.

Howard Propst is trying his hand at sheep herding this spring.

There is quite a large portion of good vacant land in this section to be had for the taking.

Fall wheat is not looking very well; it is thought spring crops will be the best this season.

H. T. Propst started for Arlington for the purpose of proving up on his pre-emption land claim.

Mr. I. Donaldson, formerly of Albany, who was in the restaurant business in Arlington, lost everything except his clothing by the recent fire at that place. Mrs. Jane Crowder also lost all except her organ.

We have been having cold, windy, disagreeable weather for the past month. Stock looks well. Grass is good and everybody is happy. Almost every one in this neighborhood have been putting out fruit trees and shrubbery this spring.

Mr. H. C. Powell, of Matney Flat, spent the night with us last night on his way to Arlington as a delegate to the county convention on the 2d. He reports a great deal of sickness in his neighborhood, principally among chilpren. His little daughter Savilla has been quite sick, but is improving now.

The stockmen of this country are preparing for a grand encampment near Olex on Rock Creek, about twelve miles south of Arlington, commencing May 1st and lasting five days. The programme will be characteristic of the life of the stockman.

There is now in circulation a petition to divide our school district, in order to have a school house inside of seven miles, as is now the case. We hope to have a school near. Perhaps that will induce families to take land in this vicinity, and will help build up a church, a grange, temperance and other good organizations, for we need them badly.

Gold Watch Given Away.

Francis Pfeiffer has placed in his show case at the Albany soda and candy works a $50 gold watch, which will be given away to the customer who purchases of him the most cigars. Every person who buys a cigar will receive a ticket. At the end of ninety days the one holding the largest number of tickets will receive the watch. It is warranted to be a genuine gold watch worth $50. His cigars are the best in the market. This is a rare chance to get a gold watch free.

RARE CHANCE FOR SHOPPERS.

Some Surprising Reductions Offered by A. B. McIlwain.

Mr. A. B. McIlwain, who has frequently agreeably surprised his customers by his custom of cutting prices to the lowest margin, is now making the best offer yet given. To begin with is his

Simpson has removed his stock of tinware, hardware and notions into the old Shane & Lonsway store, where he will keep up the full stock of goods, and maintains the popular fixed price counter arrangements he had adopted at his old stand. He will continue the sale of the Shane & Lonsway bankrupt stock at cost.

W. O Tuggle, LaGrange Ga., writing about Darbys Prophylactic Fluid, says: "It is a priceless jewel as a disinfectant and deodorizer. My wife states for the benefit of young mothers that it is a valuable adjunct to the nursery." It is equally so to parents traveling with children. Not only is the Fluid invaluable as a deodorizer, but a few drops added to the water in bathing will remove all eruptions from the skin, chafing, etc., and greatly refresh and soothe.
