JOTTINGS ABOUT TOWN.

Paul Boulon Wednesday night.

Sam May, of Harrisburg, was in the city Monday.

There is talk of a steam ferry being put in at this city.

Look out for the parade by the ladies band to-morrow.

W. W. Crowder is selling shingles at $2.50 per thousand.

It is feared strawberries were somewhat injured by the frost Sunday night.

A discount of 5 per cent. will be allowed on all cash purchases at the store of Brownell & Stanard.

Admission 25 and 50 cents for the Boulon musical comedy company Don't fail to see them.

Regular meeting of the Y. W. C. T. U. will be held at the W. C. T. U. hall this evening at 7:30 o'clock.

Ladies, call at F. M. French's and see those new "Chatelaine" watches in gold, silver and nickle.

The Juvenile band will give a grand ball at the opera house on Friday, April 20. All are cordially invited to attend.

The sale of groceries at cost at Julius Joseph's will only continue a few days longer. Those desiring to purchase should call early.

We start this week a new system which we shall adhere to in the future. It is to allow each cash purchaser 5 per cent. on all goods bought of us. Brownell & Stanard.

The republican and democratic candidates will meet in the arena before the voters of Linn county on May 21st, beginning at Fox Valley and closing at Albany on Saturday, June 3rd, two days before the election.

A tender company for Linn Engine Co. No. 2 will be organized to-morrow. All boys between the ages of 14 and 16 desiring to join are requested to meet at the hall of the company at 7 P. M. By order of the company.

The fire companies were all out for drill last evening, and the manner in which the fire lads handled themselves showed that they have lost none of their skill, although Albany has hardly had five fires within five years.

We keep the largest and best assortment of groceries and provisions in Albany, and sell them at reasonable rates, and that is the reason our store is always crowded with shrewd buyers. Wallace & Thompson.

Mr. Jonas Davis, of Shedd, recently returned from Tacoma, where he purchased three head of Polled Angus cattle. The stock raisers of Linn county are paying more attention than ever before to thoroughbred stock, which is a most desirable tendency.

The public will be pleased to learn that Wm. Simpson has received another large invoice of goods for his 5, 10, 15, 20 and 25 cent counters. Rare bargains in these goods will continue at his store at Shane & Lonsway's old stand adjoining the Crawford block.

Mr. J. A. Gross has returned from a trip to the Klamath hot springs in Siskiyou county, Cal., where he went for the benefit of his health. He returned much improved and reports a most enjoyable time, having found excellent fishing and healthful hot bathing. He presented this office with a fine sample of salmon trout, of which he got a large number.

In a recent sale of fine thoroughbred trotters by Jay Beach we notice the purchase of "Multnomah," an Altamont 2 year-old stallion, by Barrows Bros., of Linn county. They paid for the horse $1000 and by doing so got a fine horse. Mr. Barrows and sons also bought of Mr. Skillman a fine Norman stallion which weighed 1700 pounds, for which they paid about $1 per pound. These thoroughbred horses will be a valuable addition to the horse interests of Linn county.

An Optical Illusion.

A remarkable instance of optical illusion occasioned by the brilliancy of the electric lights occurred in this city Saturday evening, which caused a young lady to take a chilly bath in the Beautiful Willamette. As a prominent young law student, accompanied by a lady friend, were stepping out of a skiff on to the landing at Monteith's mill, the lady, mistaking the brilliantly reflected shadow of the landing for the actual one stepped out of the boat and at once went out of sight in a considerable depth of water. The young man, possessing all the presence of mind characteristic of the legal fraternity, immediately dived after her, and after considerable difficulty rescued her. This incident affords a very curious instance of optical illusion, and should also serve as a warning to those boating on the river in the moonlight to exercise care in landing when within the brilliancy of the electric lights, and the shadows of objects brightly reflected in the water.

Finger Shot Off.

A sixteen-year-old son of J. R. Stewart, of this city, met with a severe accident Sunday while fooling with a giant powder cartridge. He attempted to ignite it with a match when it exploded and took off a finger and a thumb and lacerated his hand. Dr. Wallace amputated one of his fingers and bandaged up his hand.

WILL OPEN THE CAMPAIGN.

The Date on Which the Republican and Democratic Candidates Will Speak.

The democratic candidates of Linn county met in this city yesterday and arranged the dates and places for political speaking in the coming campaign. An invitation was extended to the opposing candidates to meet at the same places and dates and join in the discussion on the political issues of the day. The republican candidates will of course accept, and make a joint discussion with the democratic candidates. The dates and places are as follows:

Fox Valley,	May 21,	at 1 P. M.

COAST NOTES.

The spring clip of wool will soon be sheared in Southern Oregon.

Gardening is in active progress all through the Willamette valley.

The snow on the mountains is rapidly disappearing.

Great quantities of hay are being shipped out of the Grand Ronde valley.

From all accounts, the grain prospects for the inland empire are very flattering.

The area of plowed land will undoubtedly be doubled this year, says the Arlington Times.

The Astoria Pioneer devotes a column of space in telling the many things which that town needs.

Some of the large cattle ranges in Grant and Malheur counties are said to be very dry and greatly in need of rain.

Nearly every orchard in the valley is in full bloom, and predictions of a full crop are plenty, says the Medford Advertiser.

Farmers in some localities in Jackson county have been complaining that it has been too dry to start the late sown grain.

According to an exchange it will require about an eight foot rise in the river to set the salmon wheels in motion at the Cascades.

Rain is needed, but on the better portion of agricultural land crops will not suffer for some time yet without rain, says the East Oregonian.

According to The Dalles Times Mountaineer there are more buildings now in course of erection in that place than there was during the whole year of 1887.

Fruit prospects still continue good, and there will be an abundance of everything, unless the late frosts again interiere, says the Jacksonville Times

Reports from all sections of the Willamette valley this year are favorable to a big crop. There has just been about enough rain to keep things growing nicely.

The Ilwaco & Oysterville railroad company, having opened the bids for construction and considered them, having rejected all bids and will do the work themselves.

The loggers on the Mohawk river have had bad luck in running their logs out this year. There has been no high water so that the logs could be run. About 900,000 feet were got out, leaving nearly 2,000,000 feet over for another year.

Bunch Grass Blade: Mr. Holcombe, engineer of the O. R. & N., with a staff of assistants, arrived in Lexington on Tuesday and has begun cross-sectioning for the graders. Another party is at work near the mouth of Willow creek.

Work on the new court house at Corvallis is proceeding with activity. The work of preparing the foundation has been completed and the concrete work of the foundation is being prepared ready for the stone masons to commence their work.

Mrs. A. J. Apperson met with quite an accident the other day, at McMinnville. She was returning from a neighbor's house, when she was suddenly seized with a fainting spell and fell with considerable force on the sidewalk, bruising her face severely.

A barn belonging to George Armitage, in Lane county, was destroyed by fire a few days ago. Two fine reapers were also destroyed. The fire probably was caused by children playing about the barn. The loss amounts to $700, with no insurance.

What Albany Needs.

Woolen mills.
A board of trade.
A public square or park.
Water works owned by the city.
Judicious advertising of the city and county's advantages in the East, and more manufactories to employ people who come here.

Cut His Throat.

A. J. Stewart, a painter of Corvallis, attempted to commit suicide Sunday evening by cutting his throat. It is thought he cannot recover. The cause assigned is despondency caused by sickness and hard drinking. He resided in Albany for a short time, where he gained an unenviable reputation.

City Tax Roll.

City Recorder Henton and a corps of clerks are busily engaged in making out the city tax roll. The assessment is considerably higher this year than ever before, owing to the increase in property values and a much larger fund will be turned into the city treasury from taxes. The roll will be completed within a few days.

STATE DISPATCHES.

News from the State Capital—Rich Gold Discovery at Gold Hill.

SALEM, April 16.—Mrs. Mary Erler, a German woman aged 56, was to-day committed to the asylum. She came from Michigan recently and is crazy from homesickness. She is the mother of nine children.

A SHOT GUN WEDDING.

Andy Osburn, of that contemptible genius known as a lady killer, and who earns a precarious living by the exercise of his miserable wits, was to-day arrested on the charge of seduction, preferred by a young woman named Annie Kelly. Osburn saved himself from the penitentiary by marrying the girl, the ceremoney being performed in Justice Arnold's court this morning.

ARTICLES OF INCOPORATION.

Articles were to-day filed in the office of the secretary of state, incorporating the Pendleton Hotel company. The incorporators were: W. H. Mattock, R. Sargent, L. Blum, D. W. Bailey, J. Diamont. The capital stock is $50,000. Also the Spaulding Chapel of the M. E. church, of Upper Hay Canyon, Wasco county. The incorporators were P. T. Starr, W. V. Johnson, R. M. Starr The capital stock is valued at $675.

RICH GOLD FINDS.

GOLD HILL, April 16.—Rich gold discoveries have been made in the old Gold Hill quartz claim, which yielded a fabulous amount of gold at one time, and the claim will again be worked. A quartz crusher was received here to-day for that purpose. There is no little excitement over the discovery, as the old claim was one of the richest ever discovered in Oregon.

Heavy Real Estate Sale.

Dr. G. W. Maston purchased yesterday of the real estate firm of Messrs. Curran & Monteith, 409 and a fraction acres of land situated three-fourths of a mile east of this city, owned by Mrs. L. A. McConnell, paying for the same $20,487.50. The purchase of this valuable tract of land is evidence that the doctor is confident of the growth of the city. It is only a question of time when he will be selling town lots out there, and probably not a very long time either.

Crackers and Cakes.

Several families in town will use some of our crackers and cakes for lunch to-day, and we are sure they will be pleased with them, because they are the very best obtainable and are clean and fresh. Our assortment of this class of goods is very complete.

KENTON & CHASE.

Removed.

Wm. Simpson has removed his stock of tinware, hardware and notions into the old Shane & Lonsway store, where he will keep up the full stock of goods, and maintains the popular fixed price counter arrangements he had adopted at his old stand. He will continue the sale of the Shane & Lonsway bankrupt stock at cost.

Pickles.

We sell good pickles. We have them by the bottle keg or barrel. Large ones and small ones, strong ones and mild ones, plain ones and an extra qualty of fancy ones, sweet ones and sour ones, good ones for breakfast and good ones for luncheon, good ones for dinner, and we sell them just as we do everything in our store, at the lowest rates for cash.

KENTON & CHASE.

The Devil Fish Described by Hugo

Is not a more tenacious monster than malaria, whether it takes the form of chills and fever, billious remittent, ague cake or dumb ague. Like the octopus of the story it clasps the victim in its tentaculæ, and folds him closer and closer in a horrible embrace. Attacked with Hostetter's Stomach Bitters, however, it gradually relaxes in tremendous grip, finally abandons it, and the quondam sufferer, liberated at last, rejoices in the sense of new born freedom, engendered by the restoration of complete health. Dyspepsia, too, and constipation, those old and remorseless enemies of the human family, give ground, and are finally driven from the field by this Napoleon of remedies, the greatest, the purest in the family pharmacopœia. Rheumatism succumbs to it, so do kidney troubles. The nerves, when overstrained, regain quietude and vigor by its aid, and the ability to rest tranquilly and eat with zest are increased by it. Resort to it in time and avoid unnecessary suffering.

The finest grocery store in the valley can be seen at Wallace & Thompson's, and their facility of treating every customer alike, and selling the highest grade of goods at the lowest living prices, has gained for them a prosperous business.

Every merchant should be awake to the wants of the public. We had this in view when we decided to give a discount of 5 per cent. for cash. Brownell & Stanard.

The Paul Boulon musical comedy company will play in the opera house on Wednesday night at popular prices, 25 and 50 cents. No extra for reserved seats.
