HAVE YOU A COLD in the head which does not get better? Have you an excessive secretion of mucus or matter in the nasal passages which either must be blown from the nose or drop back behind the palate, or hawked or snuffed backward to the throat? Are you troubled by hawking, spitting, weak and inflamed eyes, frequent soreness of the throat, ringing or roaring in the ears, more or less impairment of the hearing, loss of smell, memory impaired, dullness or dizziness of the head, dryness or heat of nose? Have you lost all sense of smell? Have you a hacking cough? Have you dyspepsia? Is your breath foul? IF SO YOU HAVE THE CATARRH. Some have all these symptoms, others only a part. The leading symptom of ordinary catarrh is increased secretion of mucus of yellow or greenish colored matter.

Foul breath is caused by the decomposing secretions exuded from festering ulcers far back in the head; sometimes the membrane covering the bones is eaten away and the bones themselves gradually decay. Such cases are indeed objects of pity, as stench from corroding sores reveal the corruption within.

As every breath drawn into the lungs must pass over and become polluted by the secretions in the nasal passages, it must necessarily follow that poisoning of the whole system gradually takes place, while the morbific matter that is swallowed during the sleep passes into the stomach, enfeebles digestion, and often produces dyspepsia, and finally great debility, nervousness and consumption.

DO NOT PROCRASTINATE.

If you have experienced any of the above symptoms do not delay, but try CALIFORNIA CAT-R-CURE at once. We positively guarantee a few applications to relieve, and a thorough treatment to cure. Six months treatment for $1.00; sent by mail $1.10.

The Devil Fish Described by Hugo

Is not a more tenacious monster than malaria, whether it takes the form of chills and fever, billious remittent, ague cake or dumb ague. Like the octopus of the story it clasps the victim in its tentaculæ, and folds him closer and closer in a horrible embrace. Attacked with Hostetter's Stomach Bitters, however, it gradually relaxes its tremendous grip, finally abandons it, and the quondam sufferer, liberated at last, rejoices in the sense of new born freedom, engendered by the restoration of complete health. Dyspepsia, too, and constipation, those old and remorseless enemies of the human family, give ground, and are finally driven from the field by this Napoleon of remedies, the greatest, the purest in the family pharmacopœia. Rheumatism succumbs to it, so do kidney troubles. The nerves, when overstrained, regain quietude and vigor by its aid, and the ability to rest tranquilly and eat with zest are increased by it. Resort to it in time and avoid unnecessary suffering.

GENERAL NEWS.

Spreckles' Vessel Strikes a Rock In the Golden Gate.

$10,000 WORTH OF SUGAR LOST.

Maine Republicans Declare for Blaine—A Big Bank Suit Terminated with a Verdict of $103,000.

The HERALD'S Special Dispatches.]

SAN FRANCISCO, April 26.—The John D. Spreckles loaded with sugar from Hawaiian island struck on Mile Rock near the Golden Gate during a storm. A hole was knocked into her bottom and $10,000 worth of sugar was damaged. She afterwards floated off and was towed into the harbor by the steamship Queen of the Pacific.

A BIG BANK SUIT.

It Terminates With a Verdict For Over $103,000.

NEW YORK, April 26.—In 1886 the national bank at Albin, New York, failed and was placed in the hands of a receiver. President Warner had ran away to Canada after having lost $23,000, of the bank's money, stocks, specie, etc., through Kissman, Whitney & Co., stock brokers of this city. The receiver began suit against Kissman, Whitney & Co. for the recovery of the funds, and to-day the jury brought in a verdict in favor of the bank for $103,000 and $4,000 interest.

Indiana Democrats.

INDIANAPOLIS, April 26.—The state democratic convention which assembled here this morning was largely attended, more than usual interest being manifested in the outcome of to-day's work, by reason of the bitter feeling that has been engendered between friends of Gov. Gray and ex-Senator McDonald, and which culminated on Wednesday in an address by the latter to his friends throughout the state, in which the ex-senator said some very uncomplimentary things about the governor. The committee on permanent organization then reported recommending I. Jewett for chairman, D. W. Voorhees, David Turpi, John G. Shanklin and John H. Bass for delegates at large to the national convention. Various committees were then announced and their reports adopted. Chairman Jewett then addressed the convention. In the course of his remarks he paid a glowing tribute to the administration of President Cleveland, and when he suggested that the next ticket might be Cleveland and Gray, he was greeted with wild cheers and continued applause. The same was the case when the name of Hendricks was mentioned. Courland Matson was nominated for governor. The nomination of Matson was made unanimous, and Wm. R. Myers was nominated for lieutenant-governor.

Women's Foreign Mission.

ASHBURY PARK (N. J.), April 26.—The Women's Foreign Missionary Society of the Presbyterian church is being held in the educational hall, it being the eighth annual session. The society embraces the Presbyterian churches of New Jersey, Pennsylvania, Delaware, Maryland, Eastern Ohio and California. Four hundred delegates are present. The annual address was made by Mrs. W. E. Schenk, of Philadelphia, president. The treasurer's report showed that the society raised and expended last year $154,000.

Maine Republicans.

BANGOR, Maine, April 26.—The Republicans of the fourth congressional district this morning nominated C. A. Boutelle for congress by acclamation, and Fred A. Powers to the Chicago convention, and passed resolutions strongly endorsing Blaine.

Machine Works Burned.

BOSTON, April 26.—The Atlantic machine works at the corner of Border and Maverick streets burned this morning. Loss, $150,000. The supposition is that the fire was caused the wire of the arc electric light.

Negotiating for Peace.

ROME, April 26.—San Marzano telegraphs from Massowah that King John has received negotiations for the conclusion of peace between Italy and Absynnia.

The Gulf Stream Blown out to Sea.

Philadelphia Record.

Captain Griffin of the barkentine Clara McGilvery, which arrived in port on Thursday from Porto Rico, says that the Gulf Stream is more than sixty miles out of its usual course. It is supposed that the recent blizzard has had some effect in driving the stream to the eastward and southward of where it is usually found. Captain Griffin says that a cold current of water surrounds the stream, registering as low as 49° Fahrenheit. Masters of vessels bound from Cuba to New York and Philadelphia have been warned of this change. In order to get the full benefit and strength of the current, vessels must keep at length to the eastward of the usual course. The McGilvery encountered hurricanes on four occasions on the trip from Cuba, and narrowly escaped destruction.

THE SOLDIER VOTE.

Apropos of the claim of the democratic press that there were as many or more democrats in the union ranks as there were republicans, it is well once in a while to refer to the official figures.

In 1864 there were eleven states which had passed laws allowing their soldiers in the field to vote at the presidential election, and thus express their party preference. McClellan was the democratic candidate, and he was a great favorite among the boys in blue. Many a republican soldier in the Virginia camps voted for "Little Mac," because of a personal liking for his old commander. Yet with this advantage the soldier vote was tremendously large for Lincoln. Here are the figures:

State	Lincoln	McClellan
Maine	4,174	741
New Hampshire	2,066	690
Vermont	243	49
Pennsylvania	26,712	12,349
Maryland	2,800	321
Kentucky	1,194	2,823
Ohio	41,146	9,757
Michigan	9,402	2,959
Iowa	15,178	1,364
Wisconsin	11,372	2,458
Kansas	2,876	543
California	2,604	237
Total	119,763	34,291

It may be of additional interest to recall that in October 1863, the Ohio troops vote at the state election, which was the famous Brough Vallandingham campaign. The election was held in October, shortly after the bloody defeat of Rosecrans at Chicamauga. The Ohio soldiers cast their ballot thus:

Brough	41,467
Vallandingham	2,288

These are official figures, and we know of no other trustworth way of telling the politics of the men who composed the union armies than by the record of their votes. Until our democratic brethren can invent one as satisfactory we shall take the liberty of disbelieving all their statements to the effect that "democratic soldiers saved the nation." The man who says so in good faith is not mentally above the capacity of a gibbering idiot. —Toledo Blade.

THE ENGROSSMENT OF CHESS.

Historical Players Who Declined to be Interrupted.

James Payne in Illustrated London News.

Chess is full of historical associations. Al Amin, the great Khalif of Ragdad, was so fond of it that when told that his city was being carried by assault, he cried, "Let me alone, for I see checkmate against Kuthar." Charles I continued his game when the news was brought to him that the Scotch were going to sell him to England. John Frederic, elector of Saxony, did the like with his fellowprisoners, the elector of Brunswick, when informed that the sentence of death was passed on him. Chessplayers seem, as a rule, to be cool people. On the other hand, Fernand, Count of Flanders, and his wife used to quarrel over chess so violently "that it engendered a mutual hatred" between them, and when he was taken prisoner she remembered his behavior at the unsocial board and took no steps to release him.

Don John of Austria and the Duke of Weimar were so devoted to the game that each had a room in his palace with a pavement of black and white marble, where living men, in fancy costumes, went the moves at the word of command. I should like to have seen the knights move.

We keep the largest and best assortment of groceries and provisions in Albany, and sell them at reasonable rates, and that is the reason our store is always crowded with shrewd buyers. Wallace & Thompson.
