JOHN P. IRISH.

He Addressed a Fair-Sized Audience in the Court House.

Mr. Irish met his appointment at the court house in this city yesterday and was greeted by a good sized audience.

The witty orator was introduced by Hon. J. K. Weatherford, who, in a few well chosen words opened the way.

Mr. Irish had been made quite a martyr by the charge that he had come to Oregon to influence the election.

Mr. Irish amused and pleased his audience, and was closely listened to throughout.

The burden of his argument was taxes, taxes, taxes, and the statement that the republican policy had been to reduce the taxes upon the rich and increase and continue to increase upon the poor.

All of the specious views of the case that his vivid imagination could invent, he tried to evolve to establish the claim that he and his party were the only ones in favor of reduction of taxation.

Mr. Irish is a very eloquent, witty and versatile speaker, and possesses to a remarkable degree the power to sway and carry his audience with him.

At the conclusion of Mr. Irish's speech, Ex-Governor L. E. Grover occupied a few moments in the usual free trade talk.

THE EXCURSIONISTS.

At 7 o'clock yesterday morning the steamer Wm. M. Hoag left this city with a gay party of 200 excursionists for Salem.

The steamer had been handsomely decorated with flowers by the firemen, under whose auspices the excursion was given.

The excursionists arrived at Salem at 10:45 and were met at the wharf by the Salem firemen, headed by the Second Regimental Band.

The grand procession then marched through the principal streets, and after listening to Mayor Murpley's address of welcome dispersed and proceeded at once to have a good time.

During the day the excursionists walked and drove about the city. The Capitol and other state institutions were visited by many.

At noon a complimentary dinner was served at the W. C. T. U. rooms on Court street.

In the afternoon the Capital's fine La France engine was brought out, steam gotten up, and an exhibition drill given.

The excursionists started back at 4 p. m. all expressing themselves as much pleased with their day's fun.

The entire affair was a complete success. The excursionists returned at 11 o'clock last night.

AN IMPORTANT MATTER.

An Enterprise Talked of Which Would Produce Beneficial Results.

A new enterprise that would be of great importance to the locality where operated, and indirectly of much advantage to the county at large, is talked of being started at Sodaville, in this county.

A gentleman from Lane county, on hearing of the prospect of the extension of the railroad to Sodaville, the first of the week visited the proposed terminus with a view of purchasing large tracts of fir timber in that vicinity and convert it into coal.

He has had a proposition to furnish sufficient charcoal for the Reduction Works at Portland. His enterprise would give employment to a number of men and be an item of interest to the railroad company.

The gentleman says the timber is as good as he ever saw for the purpose, and as soon as the railroad problem is settled he will go to work.

He estimates the amount of coal required at near \$100,000 worth annually. It would be a very proper thing for the Board of Trade to use some efforts to secure the building of the proposed branch.

Dallas is to have a new hotel. Work has now been commenced on the foundation of the building, at its location opposite the new city hall, adjacent to the narrow gauge.

The structure will be three-stories, of modern design, with accommodations for 100 guests, waiting, dining, billiard, bar, and other rooms, and it is expected that it will be completely finished and furnished by the middle of August.

The entire cost will be about \$75,000.

DECORATION DAY.

How It Will Be Observed in This City—'T' Co. Will Participate.

Memorial Day will be observed in this city in an appropriate manner.

At the opera house this evening the memorial sermon will be preached by Rev. H. P. Webb.

The members of McPherson Post will attend in a body in full uniform.

On Wednesday the Decoration Day exercises will begin at 9:30 o'clock. The procession, which will be headed by the band, followed by McPherson Post, Women's Relief Corps, Co. "F," O. N. G., and as many societies, Sunday schools and citizens as desire to participate, will form on Ferry street in front of the G. A. R. hall and march to the cemetery.

There will be over 100 men in uniform and the procession will be an imposing one, which will unite in the beautiful custom of bedecking with flowers the graves of the country's fallen heroes.

The address of the day will be delivered by Hon. L. H. Montanye at the cemetery, where the usual military and other exercises will occur.

An invitation has been extended to the clergymen of the different religious denominations of the city, to the various Sabbath schools in charge of superintendents and teachers to attend and participate, also to the teachers and pupils of the public school and college.

All old soldiers are expected to be present and give their aid and assistance.

Company "F," O. N. G., have accepted an invitation, and, as above stated, will be present on the occasion.

Donations of flowers for decorative purposes are most earnestly solicited to be delivered at the G. A. R. hall the evening before Memorial Day.

The time for the assembling to form the procession in front of the G. A. R. hall has been fixed at 9:30 a. m. and the procession will start at 10 o'clock sharp.

The decoration of graves at the cemetery will be by detail of members of the G. A. R. assisted by the ladies of the W. R. C. and others.

The G. A. R. Post has requested that the flags of the city be placed at half-mast on that day, and that the stores and places of business be closed from 10 a. m. to 12 m., which will doubtless be observed.

New Snag Boat.

The government snag boat, being built at Portland, is rapidly approaching completion.

The upper works are badly needed in the upper Willamette, and it is hoped the officers in charge will not overlook the dangers to navigation on the upper river among the first to be operated upon by the new snag boat.

Who Lied?

The Evening Democrat's editor interviewed Col. Irish at the Revere House yesterday afternoon, and after putting their heads together they agreed that the Herald had lied, because we said that Mr. Irish canceled his appointment the evening previous at Halsey and went to Corvallis.

Mr. Irish said he had no appointment there at all. That certainly seems strange, since the Democrat published his appointment and advertised a big excursion up there, which it afterwards said was declared off.

If Mr. Irish and the Democrat's statements can be relied upon the straight facts are that Mr. Irish did cancel his appointment at Halsey in the evening, and he did go to Corvallis in the evening.

It might be interesting to state, however, that after his speech at Halsey in the afternoon, he was followed by Corporal Tanner, who completely upset Mr. Irish's free trade argument.

Notice.

Those receiving invitations to the flag presentation will meet at the W. C. T. U. hall at 8 o'clock Tuesday evening. Please present invitation at the door. Committee.

Death of Mrs. Sanborn.

Mrs. G. W. Sanborn died at her home in this city at 4 p. m. yesterday of consumption after a lingering illness, aged about 45.

The funeral will occur from the First Presbyterian church to-day at 2:30 o'clock. Friends of the family are invited to attend.

Donations of flowers for use on Decoration day are most earnestly solicited, at the G. A. R. Hall on Tuesday afternoon.

We would respectfully request that the flags of the city be placed at half-mast on that day, and that the stores and places of business be closed from 10 a. m. to 12 m.
