JOINTINGS ABOUT TOWN. Col. Irish left for California Saturday. Ice cream at the city restaurant today.

Boys go to F. M. French's for a gold-headed cane. Less betting was done on the election in Linn county than ever before.

Ex-Gov. Chadwick passed up on south last night on his way to Coquille. Corporal Tanner passed up on the express last evening on his way to San Francisco.

The public dinner given by the ladies of the Baptist church yesterday was well attended. Dr. E. Beckwith and family left last night for California, where they will hereafter reside.

The HERALD's subscription list has been increased by fifty names during the past week. It will not be clearing news to discover that will be telegraphed to St. Louis from Oregon today.

L. Viereck is having electric lights put into his barber shop recently purchased of Daniel Sutt on. Bicycle riding is growing in popularity in this city. It is possible that a bicycle tournament will be given in this city about July 4.

Lebanon will probably not send a team to the firemen's tournament on account of the change of the place of holding it to Seattle. The postmaster-general has extended the mail service from Galatia in Douglas county, Oregon, to the gold mining region of Turve Out.

A farmer's team ran away on Second street yesterday, but luckily it ran against an electric light pole and was stopped without doing serious damage. Mr. H. Kenton exhibited yesterday some fine quartz taken from his mines up the Santiam. He will send 100 pounds to Portland to have it tested.

F. L. Kenton has just received a large invoice of soap direct from the factory. The Premium Savon is an excellent soap and is sold at 81 00 per box. Mr. Canterbury, an attorney of Texas, uncle of Judge R. S. Strahan, is in the city. He is much pleased with Albany and this portion of Oregon.

Win. Richards, of Crook county, is in this city. He will return in a few days accompanied by his father, who will make his future home over there. Messrs. Allen & Goff have received an electric motor, which was placed yesterday in the job printing office of J. H. Burkhardt, for the purpose of running his presses.

Mr. John Luper, of Tangent, called at our office yesterday. He reports crops in the vicinity of Tangent as looking nicely with the chances of being greatly improved by the present rain. Yesterday morning a quantity of ornamental plastering fell from the ceiling of the First National bank building, doing about \$100 damages. The bank will remove into their new quarters in about two weeks.

Messrs. Read, Woolin & Co. will leave in a few days for their mines up the Santiam. They have taken out some excellent specimens of gold, galena and silver ore. The Santiam mines are receiving more attention now than ever before. The HERALD gives its readers the latest election returns received up to 3 o'clock this morning. The count is yet incomplete, but the returns are sufficiently full to determine the election of several men beyond a doubt.

The swellest thing that has appeared in collars for several years has recently been introduced in Portland. It is known as the "Purgatory" collar, and probably owes its name to the fact that it keeps men having thick necks and double-chins out of the purgatory into which the conventional collar has plunged them. It is a combination of a turn-down and stand-up collar. It is simply a low straight collar, with lapped ends surmounted at the sides and back with flaring top, into which a big chin can nestle comfortably without breaking either the chin or the collar.

THE ELECTION.

Hermann Will Be Re-Elected by Nearly 2500 Majority.

HEWITT ELECTED DIST ATTORNEY

Blackburn and Geo. Davis will Probably Be Elected—Meigs Returns from Linn County Precincts.

The election yesterday was one of the most quiet and orderly, yet at the same time accompanied by more determination, than has been held for many years. Before 4 o'clock more votes had been cast in East and West Albany than at the election two years ago. The saloons of the city all obeyed the requirements of the law and remained closed. No fights or disorderly conduct was observed and there was little or no drunkenness. Political discussions were rare, what there was being confined principally to the prohibition question.

The returns from this city and as far as could be obtained by wire last night are as follows: WEST ALBANY. Congressman—Hermann, 189; Gearin, 136. Supreme judge—Lord, 194; Burnett, 138. District attorney—Hewitt, 219; Belt, 113.

The average democratic vote was about 60.

HALSEY PRECINCT. Congressman—Hermann, 119; Gearin, 74. Supreme judge—Lord, 126; Burnett, 73. Prosecuting Attorney—Hewitt, 125; Belt, 74. Representatives—Irvine, 117; Richardson, 119; Kirk, 114; Miller, 70; Myers, 71; Morelock, 70. Judge—Blackburn, 119; Whitney, 70. Clerk—Davis, 107; Montague, 82. WARRISBURG PRECINCT. Board stopped counting before completing the count. The vote stands about forty majority for the democrats. Montague is running behind somewhat. SCIO. As we go to press Scio is receiving, which gives the following majorities: Gearin 130, Burnett 147, Belt 96, representatives, Miller 185, Myers 190, Morelock 179, Kirk 51, Irvine 43, Richardson 52, Whitney 127, Montague 133, Davis 7, Smallman 121, Farwell 106, Cooper 177, Phillips 179, Savage 42, Brandon 53, Moss 131, Curl 149, O'Conner 137, Shea 127. Twenty-six prohibition votes were cast. FRANKLIN BUTTE. Gives a democratic majority of 81. THE STATE. PORTLAND, June 4, 10:20.—It is now confidently claimed that Hermann's majority for congress will be not less than 2500, the republicans claim more. The republicans estimate the legislature at from ten to fourteen on joint ballot. The count is proceeding very slowly, and the returns are tardy.

POSTLAND, June 4, 12:20.—The very latest returns from the principal points in the state do not materially change the estimate. The returns are yet very fragmentary. The chairman of the state central committee has just been interviewed. He has the best facilities to know the true state of affairs. He said: "From the very best and latest sources of information I estimate Hermann's majority in state for congress to be between 2000 and 2500. On joint ballot I feel confident that the republicans will have all the way from six to seven majority. There is no doubt but Oregon will give a round republican majority in November, no difference who is the nominee."

PORTLAND, June 4, 1:30.—The board has stopped counting and adjourned until morning. Multnomah county is claimed by the republicans by 500 to 1000, and the state by 2500. WASHINGTON COUNTY. HILLSBOROUGH, June 4.—Indications are that Hermann has carried this county by 200 majority, and the republicans have elected entire county ticket. FROM SALEM. SALEM, June 4.—In the four Salem precincts the vote was 8 per cent. less than two years ago, when it was 1552. An unusual number of straight ballots were cast, and the county is considered safe for the republicans. The vote in East and West Salem gives Herman, 396; Gearin, 227. Hewitt, 474; Belt, 498. The republican legislative ticket averages 158 majority. Indications now point strongly to the defeat of Babcock, candidate for clerk. The prohibition ticket so far as heard from shows a decrease from last year.

WOODBURN PRECINCT. WOODBURN, June 4.—Majority for Herman is 24; Lord, 40; Hewitt, 53. Average legislative majority, republicans, 30. Prohibitionists, 30 votes. EAST ALBANY. The count is still progressing, and will probably not be completed before 8 o'clock this morning. At 3:30 Hermann was ahead 20, Burnett 25, Hewitt 16. Miller was the lowest on the representative ticket and Morelock highest, with the others about even. Blackburn was ahead 46, Davis 40, Brandon 11, Smallman 4, Farwell 21, O'Conner 35. The others are about even. Geo. Humphrey is elected justice of the peace and C. G. Burkhardt constable.

Firemen Meeting. The regular meeting of Albany Engine Co. No. 1 was adjourned last evening to meet to-night at 7:30 sharp. Election of officers and other important business will come before the meeting and a full attendance is desired. By order of the foreman, Henry Susens.

COAST NOTES. No hopes are entertained of the recovery of Mrs. Stephen Minard of Roseburg, who was injured in the runaway of the team on the mountain road to Coos bay. Two towns are bidding for the county seat of Wallowa. Joseph has offered to furnish the county building for a period of ten years providing the county seat remains there, while Enterprise has made the same offer for a term of two years. A camp meeting will commence at Sodaville Friday, conducted by Rev. Jones and wife.

THEY'RE ALL COMING.

Fire Companies That will Attend the Tournament.

The Seattle Post-Intelligencer has the following to say in regard to the tournament there. From the number and sounding of the companies that will be represented, it can be seen that our boys will have no walk over: "Notwithstanding the freely published assertion of Mr. Alisky in the Oregonian that Oregon and Washington towns would not participate in the firemen's tournament at Seattle several letters and telegrams have been received showing quite a different feeling, among the firemen. C. W. Watts, manager of the Albany team says: "We will attend at Seattle. We are glad of the change and if expenses are a little higher we will get there just the same." Mr. Parker, of Astoria, secretary of the association, telegraphs: "Astoria will be in Seattle with two strapping teams. We will come 300 strong." Walls Walla writes, "We will come, God willing." Spokane will be fully represented. The Salem and Lebanon departments both write, "We will be there to carry away those handsome prizes," and "We come to have a good time." Vancouver, B. C. will send a rattling team. Seattle will enter two teams and Tacoma will not lay behind.

WHAT MR. COWAN SAYS. The San Francisco Chronicle's dispatches from St. Louis contains the following interview with Mr. J. L. Cowan, of this city, delegate to the democratic national convention in that city: "The Oregon delegate, who will probably represent that state upon the committee on platform and resolutions, is James L. Cowan, a banker at Albany."

"What position will you take, Mr. Cowan, on the free trade question?" inquired the Chronicle correspondent this evening. "I think the president's message is about right and defines the democratic doctrine. The Oregon democrats have approved of it, and I shall vote for a platform on the same line if I am on that committee."

The democratic state convention which met at Pendleton, Or., instructed the Oregon delegates to present the name of Governor Penney for vice-president. Mr. Soltner claims that Penney could carry Oregon and California, but in the event that Thurman is a candidate for the vice-presidential nomination Penney's name will not be presented.

Table Surveys in Oregon. The committee on appropriations has agreed to insert the appropriation bill proviso, asked for by Representative Hermann, and recommended by the interior department, for an extension of the public surveys, in Oregon; and for increased compensation. They will provide for a survey of all lands heavily timbered or mountain covered with dense undergrowth, at rates not exceeding \$13 per linear mile, for standard and meander lines; \$11 for township and for section lines; and in cases of exceptional difficulty, or where a survey cannot be contracted for, at these rates, the commissioner of the general land office is authorized, in his discretion, and under direction of the secretary of the interior to allow compensation for surveys and re-surveys by the day instead of by the mile, at such fair and reasonable rates as in his judgment may be necessary to insure the accurate and faithful execution of the work.

Patents Granted. The following patents were granted to the citizens of the Pacific States during the past week, and reported for the HERALD by C. A. Snow & Co. patent lawyers, Washington, D. C.: F. W. Cook, San Francisco, inserted saw tooth; F. J. Crouch, Eugene City, Oregon, rheostat; J. D. Culp, San Felipe, Cal. electrophorus; J. B. Gill, San Francisco, telegraph call box; M. Medges, Murietta, Cal. lifting jack; W. A. Howard, Petaluma, Cal. power mechanism; D. B. James, Visalia, Cal. traction engine; J. S. Johnstone, Portland, Oregon, soldering cylindrical cans; E. C. Jones, San Francisco, billiard marker; J. C. Ludwig, San Francisco, stockton, harvester; C. Vogel, San Francisco, safety catch for cable railways; D. Weseman, Los Angeles, Cal. wire screen, etc.

Come East. Col. John Lee, superintendent of the Indian school at Chemawa, has gone East. Indian Commissioner Adkins has resigned, and it is said the doughty colonel intends to speak to the president about the appointment of his successor, and to suggest the propriety of being named for the position himself. He will also attend the democratic convention at St. Louis.

A Late Vote. The total vote cast yesterday in East and West Albany was 843, there being 595 in East Albany and 248 in West Albany. The vote two years ago was 708, making an increase of 135 votes. This would indicate an increase in the population of about 650 during the past two years.

Salesman Wanted. An active, energetic man, of good business qualifications to act as agent for a San Francisco firm for Albany and vicinity. References required; salary or commission to the right man. Apply Tuesday or Wednesday from 8:30 to 10 A. M. and 5 to 6 P. M. F. F. MULLER, Reverse House.
