

SONG OF MIKADO CLEVELAND. Behold your Chief Executive, ye rostra slaves, give heed and list. On ruling a second And third time I've reckoned Protection won't be missed. It is my humane endeavor to make a few States control. All legislation Within this nation And the South boss the whole. REFRAS. My objects quite sublime I shall achieve in time. To make each democrat sing the rhyme, Each democrat sing the rhyme, Of the good old Free Trade time, The good old Free Trade time, When each poor laborer worked for a dime— Worked twelve long hours for a dime. I'm quite surprised that Oregon against me at the start has gone. The Pacific coast I've treated the worst— No more could I have done. I quarrel there to the full extent my Eastern Mugwump band; This denunciation Of indignation I can't therefore understand. REFRAS ETC. The Bourbons of the olden time required platforms strong and steady; In both nominated And jubilated. Before the planks are ready. The very simple explanation of this proceeding's rather brief. This mighty nation Depends for salvation On a red bandana hawkerchief. REFRAS ETC. —San Francisco Chronicle.

MEMORIOUS DRIFT. Nobody but millionaires on this coast can afford to heap coals of fire on their enemies' head. Nobody foresaw when that scriptural injunction was written that a forgiving disposition would ever cost \$16 per ton. Citizen—My wife and I have both got a bad cold, doctor. What ought we to take? Physician—Faxed lemonade I generally recommend. Citizens—Thanks; how much will it be? Physician—Four dollars, please; two dollars apiece. Mortgages are signed by two witnesses the same as last year, and are folded so as to fit the side pocket. The back taxes are combed forward and parted on the side nearest the mortgage. In this climate mortgages are generally mature in the winter season. Seaside hotel proprietor (to searper in search of an engagement)—No, I don't think I shall have any use for you this season; I've got the promise of a society actress, two bogus lords, a political convention, and a scandal in high life, and my bill of attractions is about full. Boston dame—If Mr. Sullivan is going to retire from the prize-ring what are his plans for the future? Editor sporting journal—Nothing decided yet, madam. I wonder if he would accept a position in a private family? Possibly, if the job suits him. Well, I want to engage him as a sort of household messenger to carry orders from the honouir to the kitchen. A Concord lady who recently sent 50 cents for a box of ribbons "warranted all silk," in answer to a Maine firm's glowing advertisement, received a small lot of worthless cotton ribbons and a printed card, which "added insult to injury," by the inscription "Some folks expect the earth for 10 cents."

Walter Lurwell, with one or two companions went bear hunting on last Saturday. They succeeded in killing two; an old one, and a cub. Henry Hayes, a young gentleman formerly of Iowa, is visiting with the families of John and Peter Chance. There is again some talk of developing the soda springs at this place. That there is a fine spring here, there is no doubt; but its present condition is of very little value. Quite a sensation was produced on last Tuesday, by report that Miss Vis Chances, a young girl of sixteen, a daughter of Peter Chance had eloped with John Edwards during Monday night. In some manner the young folks secured a marriage license, and were married in Albany, since which they have not been heard from at this writing.

COUNTY COURT. In the matter of improving the county road in district No. 10, ordered that \$100 be appropriated for such purpose. Train & Whitney printing, \$ 8 50 Doyoe & Robson, misc., 50 20 Carrying election returns, 17 20 Witness fees, 6 00 Geo. W. Young Oak Creek bridge, 18 00 J. H. Stue witness fees, 2 00 Amos Harvey aid, 8 00 A. Brandon fees, 24 50 E. J. Miller fees, 16 00 J. J. Whitney sala, 75 00 D. S. Smith fees, 10 00 The court adjourned to meet June 20 at 1 o'clock for the purpose of settling with the clerk, and sheriff and close the business of the present officers for their term of office.

FEMINE BREVITIES. Mrs. Cleveland has never seen a horse ace. Senator Edmunds' daughter is an artist of ability. Lady Dudley always sleeps between black silk sheets. The Princess of Wales and her associates are setting the fashion of wearing as much jewelry as possible. The belle of Baton Rouge, La., a lady of graceful and attractive manners, owns and personally conducts a job printing office. There are 21,000,000 w dows in India. This may explain the reason why English officers consider India such a dangerous station to be assigned to. A lady who died at Marseilles desired by her will that her heart might be placed in the tomb of her second husband, but her body in her first husband's tomb in America. Mrs. John Wanamaker's youngest daughter has at their country house a little house built on the grounds, furnished throughout, and containing everything that another contains, a kitchen, dining-room, parlor, chamber, etc., only everything is about one-half or one-third the usual size. It is very "cute."

They are sold at \$1 per package, or three for \$2.50 and are recommended and used by the leading physicians of the Pacific Coast. No secret ingredients. Guaranteed by Foshay & Mason. Race-horse—What a hum-drum life you carriage-horses lead. Why I am greeted with cheers wherever I appear, and my pedigree has been printed in all the papers. Carriage-horse—Pooh! Any fool of a horse with long enough ears can run fast. My glory is not in my speed, but in my brains. "Brains, eh?" "Yes; I've been driven by a woman for five years, and haven't let her run me into anything yet." Brown—You are looking bright and happy this morning, Dumley. Dumley—Yes. I'm out of debt at last. Every bill I owed was outlawed yesterday. I tell you, Brown, a man feels like a man when he is square with the world.
