The concert announced to be
given by the M. E. church and
congregation has been postponed
until Friday, the 22d inst.

Your school tax is now due and
unless paid very soon will become
delinquent. Pay the same before
costs of collection are added.

Thompson will remain there for a
few days visiting relatives.

Peiffer will deliver ice instantane-
ously to any part of the city. Or-
der of the driver or at the store.

the Russ House, where she is pre-
pared to offer first-class board and
lodging by the week or month.

Mr. C. J. Stewart, general
freighting freight and passenger

The wool clip of 1888 is begin-
ning to come in, and offered for
sale. The quotation is fifteen cents,
and that price is being taken
generally, there being a feeling
that while the pernicious Mills bill
is before congress the price won't
raise.

LAYING THE CORNER STONE.
On Friday, June 15, at 10 o'clock
A. M., the interesting ceremony of
laying the corner stone of the mag-
nificent exhibition building and
zoological gardens of the North Pacific
Industrial Association will take place
in Portland. This association, or-
ganized with a capital of \$150,000,000,
is now erecting a mammoth building.
Work on the structure will be pushed
forward day and night, and the
building will be ready for the first
annual exposition early the coming
fall. No expense will be spared to
make this the grandest display of the
industrial interests of the coast that
has ever been attempted. Its con-
prehensive scope and the perfection
of detail give evidence that no merely
ordinary fair is in contemplation, and
the names connected with the enter-
prise are sufficient assurance that it
will be a complete success in every
feature. The whole northwest should
unite in a determination to make this
truly representative of the vast in-
terests of the region. It will be a
wonderful aggregation.

The grand lodge of Masons of the
state of Oregon has been invited to
conduct the ceremonies, and Hon.
Geo. H. Williams, of Portland, and
Hon. Elwood Evans, of Tacoma, will
be the principal speakers.

The Pioneers' Reunion
Arrangements have been made
with the Oregon Railway & Naviga-
tion company, Oregon & California
railroad and Oregon Railway com-
pany, limited, to make the usual
reduction of fares to all who desire
to attend the sixteenth annual re-
union on Friday, June 15, in Portland.
There will doubtless be a large
attendance.

THE OREGON PACIFIC.

THE OREGON PACIFIC.
They Pay Us Their fine Checks and
Other Indebtedness to April First.

In conversation yesterday with a
prominent official of the road it
was learned that the business of
the road between this city and
Yaquina pays considerably more
than running expenses. This com-
pany is fast regaining the traffic
lost by the disaster to their steam-
ship line, and the passenger busi-
ness to Yaquina promises this
season to be enormous.

The river steamer Bentley,
which was recently sunk in the
Willamette below Salem, has been
thoroughly repaired and in about
a week will be again running on
the river. The company will then
have three steamers again running
on the river. The recent rains
have caused a rise in the river,
which promises to keep it up to a
good boating stage for some time.
In reference to the further con-
struction of the road eastward it
can be said that every indication
points to the conclusion that the
company intends to build at least
20 miles of road eastward this
season. It is stated that one con-
tractor with about fifty teams is in
this city awaiting the commence-
ment of work and the company is
paying the expenses of keeping his
teams in readiness for such work.

THE CITY COUNCIL.

A Quiet Meeting Last Night—The New Fire
Engine Claims Allowed.

Regular meeting of the city council
was held last night.

In the absence of the mayor
Councilman Gradwohl were elected
mayor pro tem. Councilmen were
all present, but on motion council-
man Tabler was excused from at-
tendance.

streets and public property in re-
ference to improvement of various
side and crosswalks, recommend-
ing that they be made within thirty
days, also that the petition of M.
Sternberg to connect with Broad-
bent street sewer, also for cross-
walks on Hill, Jefferson, Jackson,
Lafayette and Railroad streets,
were adopted.

The committee on streets and
public property was instructed to
examine the bridge on Vine and
9th streets and accept the same
when completed.

A petition of hotel proprietors
that the charge for hack license on
the buses running to the depot be
reimposed was referred to the ap-
propriate committee.

A communication from Clapp &
Jones in reference to the new fire
engine was read and the necessary
security for payment for the same
was provided.

Property owners in block 18 were
ordered to connect with the sewer.

The report of the city surveyor in
reference to changing the grade in
certain districts was adopted and
the committee on ordinances was
instructed to draft an ordinance to
meet the requirements of the sur-
vey.

The petition of W. E. Turrell and
others in reference to grading a
portion of Seventh street was taken
from the table and the work order-
ed completed within 40 days.

It was ordered that new bids be
advertised for a sewer on Railroad
street, all bids to be opened at the
next regular meeting.

Bids for building sewers across
Ellsworth and Calipooia streets
were opened and the work awarded
to James Laurent.

The Fruit Industry.

Mr. H. W. Settlemeir proprietor
of the Tangent Nursery was in the
city yesterday. He states that the
demand for prune trees has been so
great this season that there will be
a scarcity of this variety of fruit
trees. He has already engaged
over 10,000. Many farmers of
Linn county, Mr. Settlemeir states
will plant out this fall from 3 to 30
acres in fruit. In fact there is a
steadily growing tendency to stop
exclusive grain crops and to raise
more fruit. The storm of Satur-
day did severe damage to fruit trees
breaking down about 100 of Mr.
Settlemeir's. His nursery is in a
thrifty condition and is stocked
with a choice variety of fruit trees.
He has recently sold several hun-
dred trees to Jay W. Blain, Dr. J.
L. Hill and others of this city, who
own farms near Albany, and be-
lieve there is money in the fruit
business.

Funeral of J. H. Foster.

All that was mortal of the late
J. H. Foster was laid to rest in the
cemetery adjoining this city yester-
day afternoon. Funeral ser-
vices were held at the family resi-
dence at 2 o'clock, and were large-
ly attended. An appropriate
funeral discourse was delivered by
Rev. S. G. Irvine and remarks
were made by Rev. H. V. Rom-
inger. The musical service was
conducted by Prof. W. H. Lee, and
the floral tributes were beautiful
and impressive. His funeral wit-
nessed the laying to rest of one of
Albany's earliest pioneers.

A REMARKABLE SUICIDE.

A Young Attorney from Spokane
Falls Takes Morphine.
PORTLAND, June 12.—G. J.
Parks, a young attorney from
Spokane Falls, committed suicide
at the St. Charles hotel to-day by
taking an overdose of morphine.
He came down a few days ago and
had been living fast since his ar-
rival. He came down stairs early
this morning and was seen in the
office of the hotel. He went back
to his room and was seen no more
until about 1 o'clock, when he was
found in bed in a dying condition.
All efforts to save him were un-
availing. On the table was found
a box half full of morphine pills.
Nothing was found that furnished
any clue or assigned a reason for the
act. Everything indicates that it
was deliberate suicide.
