The broad Atlantic is ever a stormy thorough fare. Yet how the winds ever so heavily, and rife the waves ever so high, seamen must man the "road ship," tourists will brave the passage, and commercial travelers and buyers must visit this coast of foreign trade and manufacture. Their atrocious malady, seasickness, together with colicky pains and much inward uneasiness is often endured when Huxter's Stomach Bitters would have fortified the voyagers against their Sea captains, and in fact all old salts and veteran travelers are acquainted with the protective value of this estimable preventive and remedy, and are rarely unprovided with it. Emigrants to the far West should use it as a safeguard against malaria. Seek the aid of the Bitters for dyspepsia, constipation, liver complaint, kidney troubles, and all ailments that impair the harmonious and vigorous action of the vital power.
