That Highway of Nations.

The broad Atlantic is ever a stormy thoroughfare. Yet how the winds sweep so fiercely, and the waves ever so lofty, seamen must man the good ships, tourists will brave the passage, and commercial travelers and havers must visit this center of foreign trade and manufacture. That atrocious malady, seasickness, together with colicky pains and much inward weakness is often endured when Hostetter's stomach Bitter would have fortified the voyagers against them. Sea captains, and in fact all old salts and veteran travelers acquainted with the protective value of this estimable preventive and remedy, and are rarely unprovided with it. Emigrants to the far West should use it as a safeguard against malaria. Seek the aid of the Bitter for dyspepsia, constipation, liver complaint, kidney troubles, and all ailments that impair the harmonious and vigorous action of the vital power.
