

Morning Daily Herald

Table with columns for NORTH BOUND, SOUTH BOUND, and LEBANON BRANCH, listing arrival and departure times for various routes.

NOTICES ABOUT TOWN.

Pat J. R. Hornier, of Roseburg, is in the city. Miss Lilly Crawford is visiting friends in Harrisburg.

J. M. Williams, of this city, has removed upon his farm near Tangent for the summer.

A fine selection of fresh millinery just arrived from New York at E. & C. Howard's.

Misses Winnie and Flora Springs of Salem are visiting in this city, the guests of Miss Lillian Hackerman.

Patronize home industry and try some of J. Joseph's Havana millinery, the first of his own manufacture.

School Superintendent L. M. Cui has returned from Klamath, Eastern Oregon. He will reside in this city.

The old county officers completed their terms of office yesterday and tomorrow the new officers will take their seats.

If the signal service indications can be relied upon, Oregon will now have some fair weather, the first time for many weeks.

The Fourth will be a quiet day in Albany. The business houses will be closed, and many people will go to Yajquina, Corvallis, Waterloo and Portland.

J. L. Cowan returned last night from St. Louis. He was accompanied by Miss Lee Prather, of Columbia, Mo., who will spend a few weeks visiting in this city.

Rev. T. J. Wilson and wife of Halsey are in the city, and will leave Monday morning for the Warm Spring Indian Agency, where he is engaged in educational and mission work.

Keep on the flies by using seven drops and windows, manufactured and put in your house complete at a reasonable price, by R. B. Vank, Sher on corner of Second and Ellsworth streets.

Prof. J. D. Letcher, a graduate of the Virginia military school, and an experienced and successful civil engineer, was in the city yesterday. Prof. Letcher is an old schoolmate and friend of our townsman, Gen. E. Chamberlain.

E. & C. Howard are actually selling millinery cheaper than any one else in the city, especially flowers and white hats, which are sold at cost till all are sold. They never carry old goods, but keep a clear, fresh stock constantly on hand.

There will be no service in the M. E. church today on account of the repairs in progress on the inside. The Sunday school will be held at the M. E. Church South at 2:30 p. m. The Y. P. C. E. society of the M. E. church will meet at the parsonage at 9:30 a. m.

THE PORTLAND HOTEL COMPANY.

Pays the Sum of \$125,000 for the Villard Block Today.

The Portland News says: W. H. Holcomb, Trustee of the Oregon Railway & Navigation and Oregon Transcontinental Companies, decided block 172, known as the Villard block, to the Portland Hotel Company for the consideration of \$125,000.

Of this amount \$75,000 goes to the O. R. & N. Co. and the remaining \$50,000 to the Oregon Transcontinental. It was feared that the money had been paid, and the property is now owned by the Portland Company. With this transfer consummated, it will not be long ere the hotel will be finished. Hasten the day, for Portland has become one of the chief points on the coast visited by tourists. They will fill the new hotel to overflowing.

Linn County Postoffice Appointments

E. E. Montague, postmaster at Lebanon and Henry B. Miller, postmaster at Millers Linn county, Oregon, have resigned, and J. H. P. Hope and C. D. Vandyke have been appointed postmasters of the respective offices. Mr. Montague's resignation is occasioned by his removal as county clerk, his new residence in this city.

The School Census.

According to Prof. McElroy, the schools of Oregon are in a flourishing condition. He estimates that the returns for 1888 will show the school population to be upwards of 50,000. It is increasing very rapidly, and at the rate at which it will soon reach 100,000.

Will Be Appointed.

Judge J. J. Whitney as attorney for Linn county has filed an answer in the suit of District Attorney Bell vs. the county, and he states that the case will be appointed to the supreme court.

LINN COUNTY PIONEERS.

An Interesting Meeting Held at Crawfordville—The Object Shared.

An interesting meeting of the Linn County Pioneer Association was held at Crawfordville during the past week, commencing on Wednesday.

The attendance would have been much larger had it not been for the continued rains. The meeting was held at the excellent camp ground adjoining the town, and away of the pioneers of the frontier met each other around the camp fire and participated in the social reunion, such the speeches pioneer experiences had a prominent place.

The opening address was delivered by Chas. Gray of Halsey. Short speeches were also delivered by other pioneers. The exercises were interspersed with music by the Crawfordville band, which also had in charge the grounds and which deserves much credit for the excellent manner in which they had been arranged.

A constitution and by laws were presented and read, but action upon the same was deferred until the second day.

On Thursday a large delegation arrived from Halsey, accompanied by the Halsey band.

An address was delivered by Harvey Bond of Halsey, which was followed by five minute speeches.

The constitution and by-laws were then adopted.

The following officers were elected for the ensuing year: President, Chas. Gray, of Halsey; vice-president, Dr. G. W. Gray, Albany; secretary, Jos. Templeton, Brownsville; treasurer, Riley Kirk, Brownsville; trustees, J. M. Moyer and Mr. Colbert, Brownsville, and R. Gauss, Crawfordville.

It was decided to hold the next annual reunion at Brownsville on the third Wednesday in June, 1889.

LEGISLATIVE NOTES.

EDUCATION, June 29.

Commencement week in Eugene is an event long looked forward to by the more thoughtful of the people. It is safe to say that the exercises were of so good a character as to disappoint nobody.

There was a marked excellence from the noble baccalaureate sermon of Prof. Van Seoy all through the week to an oration of especial merit by graduate MeGinn, of Portland. The criticism so often made, that the essays and orations of commencement are not of a practical nature was this time certainly without foundation. The faculty and citizens generally may well be proud of the state university.

There were no college graduates from the law school and 2 from the music department of the university.

On Tuesday evening occurred one of the strangest runaways imaginable. As John Sloan's team was standing at Matlock's corner, the lines around the brake-bar, and the driver intently listening to Lash's minstrel, the horses becoming alarmed at the cheering, turned suddenly around, broke the tongue of the carriage and sped away to parts unknown—literally so—because up to the present they cannot find hide nor hair of the horses.

On Tuesday evening while one of our horse carriages was being taken down the street with great speed, a boy who belongs in Primeville, named Sam Lytle, was knocked senseless and dragged 20 or 30 feet. Fortunately for him no bones were broken and he is in a fair way of recovery.

There were more visitors present this year at the university commencement than ever before. All parts of the state were represented and indeed it is a sight to see the noble Villard hall densely packed with a well-dressed, intelligent audience.

The distance of the university from the town makes us badly feel the need of our proposed street railway. But we are sure to have this great convenience by next commencement.

We have had a diphtheria scare, but it is all over now. It was confined to one family and they are convalescing.

Prof. Vawter's familiar face was again seen on our streets during commencement. May his shadow never grow less.

The students wound up their year at Eugene by a party, which was pronounced a decided success.

Prof. Williams, of Halsey, our new principal of schools, will move here in August.

The Corvallis Celebration.

It is announced that the passenger train will leave Albany on the Fourth at 1 p. m., carrying excursionists to Corvallis. A special will be run from Corvallis to Albany at 10 p. m. of the Fourth, so that those who can not get hotel accommodations at Corvallis can sleep at Albany. They can catch the next morning's overland also. The O. P. boat will also leave Corvallis on the forenoon of the fifth for down river points. It will arrive at Salem about 5 p. m. A special excursion train will also leave Albany for Corvallis on the morning of the 4th, after the arrival of the overland.

Married at Yajquina.

Mr. W. E. Burke and Miss Mary E. Halsey were married at the residence of her father, Rev. Mr. Halsey, of Yajquina Bay, on Wednesday. Several mutual friends of the contracting couple were present, and a banquet was spread after the ceremony. Mr. and Mrs. Burke are now in Salem, and have taken up their residence in their new cottage at the university, adjacent.

Albany Weather Signals.

Representative Hermann called upon the signal service division of the war department, Friday and left for Albany, Oregon, to be instrumental at Albany Oregon, of the weather signals which have been discontinued in many portions of the country of late, and, freely, chief signal officer, gave Mr. Hermann an assurance that the weather signals shall be maintained at Albany.

BULLETIN OF INFORMATION.

Mr. McElroy saw a Circular Letter to the Public.

State Supt. E. E. McElroy has issued a circular of information regarding the National Educational Association, setting forth rates and all information that might be desired by parties contemplating attending.

The Oregon and California has established the following rates to San Francisco: From Portland, Oregon City and Salem \$35.35, from Albany \$34.15, from Eugene \$33.80, from Roseburg \$36.80, from Grand's Pass \$31.55, from Medford \$39.80. These round-trip tickets include the \$2.00 fee for membership in the association. All persons holding such are entitled, free of other charge, to have included to them the bound volume of the proceedings of the meeting of 1888; also will be entitled to all of the free excursions in California, etc.; but care must be taken while in San Francisco, to obtain a certificate of membership from the secretary and proper arrangements have been made for the issuance of the membership certificates, and official souvenir badges, without imposing on members loss of time or serious trouble. These tickets will be placed on sale from July 10th to 15th, inclusive, good for going passage until September 30th inclusive.

The Oregon Railway and Navigation Co. makes a rate of \$25 from Portland and return, by steamer. This rate will include meals and berths on the steamer, and the \$2 membership fee. These excursion tickets will be placed on sale from July 7th to July 15th, inclusive, and will be good for return passage until September 30th. These excursion tickets will be placed on sale at all the leading stations in Eastern Oregon on the line of the O. R. & N. railway, and will be sold to teachers and others from July 24 to July 15th, inclusive. These arrangements will enable all persons to attend the State Teachers' Association at Salem, July 5th, 6th and 7th, and then reach San Francisco in ample time prior to the National Association.

The Oregon Pacific Railroad company will sell round-trip excursion tickets from Albany or Corvallis to San Francisco and return for \$14 and will include meals and berths on the steamer. These tickets will be placed on sale on or about July 7th, and will make them good to return on or before September 30th. The steamer will sail from Yajquina City on or about July 13th.

The circular quotes Pullman car rates, and gives much necessary information concerning hotels and hotel accommodations. Oregon headquarters will be established in parlors 105 and 106 Occidental hotel at San Francisco. Supt. McElroy will be glad to furnish all needed information to any one desiring. It is important, perhaps, to say that these excursion rates are open to everybody, and are not confined to teachers.

University of Oregon.

The annual meeting of the board of regents of the University of Oregon was held on Thursday last. Considerable business, but not of great importance, was transacted. The receipts of the university for the past year were about \$2000 in excess of the expenses. It was ordered that an observatory be constructed on Skinner's butte for a transit instrument. An addition for other instruments will be built at some future time. The board of regents adjourned to the call of the chairman. The school will open on September 17. Officers of the Alumni-Association of the University, elected are President, C. S. Williams, class of 1881; Vice Presidents, C. A. Wooddy, class of 1881, Mrs. Nettie McCormack Collier, 1880; Secretary and Treasurer, Miss Anna Patterson, class of 1885; Literary programme for the Alumni exercises, June 18, 1888: Orator, W. T. Slater, class of 1883; Alternate, George W. Hill, class of 1884; Essayist, Miss Lura E. Murch, class of 1887; Liberate Mrs. Julia Adams McDaniel, class of 1879; Poet, W. C. Taylor, class of 1884; Alternate, T. C. Jenkins, class of 1883.

Leg Broken.

Alex. Downing, who resides in Linn county a short distance across the Santiam river from Stayton, came to Salem Thursday evening, and a message followed him to the effect that his 14-year old son, Sam, had his leg broken a short distance above the ankle. The boy, it seems, was riding a horse that was unshod, and the animal slipped on the wet ground and fell, catching the boy's leg with the above result. A doctor from Stayton was summoned and set the fracture, and the sufferer is getting along nicely. He was but a short distance from home when the accident happened, so his shouts brought out his mother, who assisted him to the house. Mr. Downing hurried home as fast as possible.—Salem Statesman.

The Salem Excursionists.

The officers and members of the different fire companies are respectfully requested to meet at No. 2's engine house at 10:30 this morning for the purpose of receiving the visiting firemen and excursionists from Salem. It is also requested that the public halls of the city be left open for the convenience of the visitors. By order of Jos. Weisber, chief of the Albany fire department.

Baumgartner's, corner first east of Black man's drug store.

Get your spectacles at F. M. French's and have them properly fitted by Johnson's Patent Eye Meter. A sure fit guaranteed.

A Warning.

The modes of death's approach are various, and statistics show conclusively that more persons die from diseases of the throat and lungs than any other. It is probable that everyone, without exception, receives vast numbers of Tubercle Germs into the system, and where these germs fall upon suitable soil they start into life and develop, at first slowly and is shown by a slight tickling sensation in the throat and if allowed to continue their ravages they extend to the lungs, producing consumption and to the head, causing catarrh. Now all this is dangerous and if allowed to proceed will in time cause death. At the onset you must act with promptness, allowing a cold to go without attention is dangerous and may lose you your life. As soon as you feel that something is wrong with your throat, lungs or nostrils, obtain a bottle of Bescher's German Syrup. It will give you immediate relief.

A Natural Product of California. It is only found in Butte County, California and in no other part of the world. We refer to the tree that produces the healing and penetrating gum used in that pleasant and effective cure for consumption, asthma, bronchitis, and coughs Santa Ana the King of Consumption, Foster & Mason guarantees and sells it for \$1 a bottle, or three for \$2.50. By the use of California Cat-R-Cure, all symptoms of catarrh are dispelled and the diseased nasal passage is speedily restored to a healthy condition. \$1.00 a package. By mail \$1.10. Circulars free.
