Two Ways. Choose Which!

There are two ways of doing what Nature sometimes does incompletely, namely, to relieve the bowels. One is to swallow a drastic purgative which evacuates profusely, abruptly and with pain, the other is to take Hostetter's Stomach Bitters, the effect of which is not violent, but sufficiently thorough, and which does not grip the intestines. If the first is selected, the person employing it need not expect permanent benefit, and he cannot hope to escape the debilitating reaction which leaves the organ as bad or worse off than before. If, on the other hand, he resorts to the Bitters, he can rely upon the restoration of a regular habit of body, consequent upon a renewal of a healthy tone in the intestinal canal. Besides, the healthfully relaxing the bowels, the Bitters arouses a dormant liver, imparts a beneficial impetus to the action of the kidneys, and counteracts the early twinges of rheumatism, a tendency to gout, and malaria in all its forms.

Don't Experiment.

You cannot afford to waste time in experimenting when your lungs are in danger. Consumption always seems, at first, only a cold. Do not permit any dealer to impose upon you with some cheap imitation of Dr. King's New Discovery for Consumption, Coughs and Colds, but be sure you get the genuine. Because he can make more profit he may tell you he has something just as good, or just the same. Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all Throat, Lung and Chest affections. Trial bottles free at Foshay & Mason's drug store. Large bottles \$1.
