THE BUSY TONGEL.

The evil that can be wrought by careless, gossiping tongue is incalculable. There is no truer more repulsive to our feelings than port. to have unkind observations made

on our lives by those who through between the two sections. The curiosity intrude themselves into the privacy of our homes. A most respectable family of my acquaintance was thrown into the to build bridges, barns, and all manner deepest embarrassment by the tongue of a gossip. There had been family trouble of a serious specifications free of t charge. Satis been family trouble of a serious specifications free of t charge. Satis private nature, which concerned jaction guaranteed W. C. CASSELthe family alone, and any outside interference was neither needed nor wanted. The facts became known to this social scavenger. who mercilessly spread the news here and there, until it reached the ears of a newspaper reporter. Eager for news of a sensational nature, he colored the story to suit his fancy and gave it for publication. Imagine the horror of the family to see their sorrow under a flaring heading in a weekly paper.

As painful as the facts were they had been cruelly exaggerated as it passed from mouth to mouth. The distress and martyrdom suffered by that form this unjust scandal was the direct result of a too free use of an unguarded tongue. The tongues of such persons are indeed nothing of it. The accident is a grow and are refreshingly green grievous offenders. By them good reputations are ruined and the peace and happiness of homes sacplaymates been older, he would ing farmers of the East should rificed. I am told of certain perhave been saved, but being near meander—meander, though it were sons who have a most insatiable desire for prying into other peo-
