Some Difficulties Attending in the Dark Continent.

LAND TRAVERSED BY PATES.

Slavery Witchcraft-Barriers in the Way of the Government-Some Peculiarities of the Inhabitants.

Pall Mall Budget.

Probably no country in the world, civilized or uncivilized, is better supplied with paths than the unmapped continent. Every village is connected with some other village, every tribe with the next tribe, every State with its neighbor, and therefore with all the rest. The explorer's business is simply to select from this netvork of track, keep a general dir ection and hold on his way. Let him begin at Zanzibar, plant his foot on a native footpath, and set his face toward Tanganyika. In eight months he will be there. is there any art in finding out these successive villages with their intercommunicating links. He army of guides, servants, carriers, soldiers and camp-followers accompany him in the march, and this D. R. N. BLACKBURN, ATTORNEY AT hellow's Temple. Will practice in all courts of the state, and give special attention to all grow wild even in Africa. Every meal has to be bought and paid for in cloth and beads. The native are the same in character all over in the war against the big sugar Africa. They are veritable foot- trusts of New York by selling paths, never over a foot in breadth, 5000 barrels of sugar in the Chi
