IT LOOKS ENCOURAGING.

Chicago & Northwestern officials. Accompanied by Capitalists. Now in Oregon.

As confirmation of the statement published by the HERALD yesterday that a deal is now being considered between the officials of the Oregon Pacific and Chicago & Northwestern roads, looking to the eastern extension of the road eastward from this city, the following San Francisco dispatch under date of July 30, will be read with interest:

The presence here of a party of Chicago & Northwestern officials, and Chicago capitalists has caused much talk in railroad circles. The party arrived here on Monday last, in the directors' car of the North western, and after staying only a day went north, first to Woodland, then to Red Bluff, then to Maryville, and now, it is understood they are some where in Oregon.

M. M. Kirkman, comptroller of the Northwestern, is in charge of the party. With him, among others, are V. W. Foster, William Blanchard, M. W. Kirk, W. T. Kirk, John B. Kirk and A. McNally. All hail from Chicago. It is stated that the party will go north to Albany, Or., and thence travel over the proposed route of the Oregon Pacific, in which company certain directors of the Northwestern are interested. No one here knows the exact object of the visit of the party to Maryville, but considered in connection with the situation of affairs in that locality, with reference to an Eastern extension, the movement is suggestive.

Committee Meeting.

The special committee appointed at the last meeting of the Board of Trade to consider the question of granting a franchise for a gas-manufacturing in this city will meet at the office of J. K. Weatherford at 8 p. m. Thursday night. The committee consists of Messrs. L. Plinn, J. H. Kirkhart, N. H. Allen, C. E. Walverson, Train & Whitney, Dr. G. Maston, W. F. Read, D. B. Monteith, L. Vierick, E. F. Sox, H. Bryant, John Schmeier, Stiles & Nutting, G. F. Simpson, J. K. Weatherford. By order of the committee.

Excellent Books.

Andrew Hale is out with the Daughters of America and his primrose album. Look out for him and Mrs. F. E. Robinson, as they are going to canvass this city in behalf of the Daughters of America. A nicely gotten up, and very interesting book, telling us all about what our great women of America have done, and still doing. Published by True & Co., Augusta, Me., and their primrose album, from the same house. They will sell like hot cakes. Subscribe for a copy of each.

A Midnight Row.

Shortly after midnight yesterday morning several young men became engaged in a row in the Star brewery. They were put out by the proprietor. They afterwards attempted to break in, and broke out windows in a promiscuous manner. Four of them were arrested yesterday. Wm. Eddy and C. Williams were fined \$15, and in default of that sum the latter went to jail. Harry Clark and Sid Ennis were discharged. The cases were tried before Justice M. E. Brink.

Robbery in Chastown.

La Monday night a Chinaman named Ah Lee lodged a complaint in Justice Brink's court that he had been robbed of \$100 in a gambling game in the Chinese house of Kwong Mow & Co. He claimed that he had the money on the table and Lew Tim seized it and ran to the restaurant of F. Hoffman where he was engaged as a cook and deposited it in the safe. He was arrested yesterday, and his trial will occur at 1 o'clock to-day.

Yaquina Coal Mines.

Yaquina Post: Rumor has it that active operations will soon commence, looking to the opening up of one of the coal mines near the bay, none of which have as yet been given a partial prospecting. The indications are very good and induce the belief that valuable deposits of coal, easy of access, are located handy to the waters of the bay, and that it will not take a very large expenditure of time and money to demonstrate the fact.

The Watkins Case.

D. F. Watkins, the mail agent on the narrow gauge charged with purloining a registered letter containing a about \$300, is still in jail, having failed to furnish the bonds required. Witnesses were subpoenaed from Scio, and his case will probably come up for examination before the U. S. commissioner in Portland to-day.

For the Seaside.

A special excursion from Albany to Yaquina and return will be run on Friday, August 31. Fare for round trip, \$2.50. Train will leave Albany upon the arrival of the north and south bound trains on the O. & C. R. R., at 1 o'clock p. m. Tickets good for ten days. For tickets and full information apply to Curran & Monteith.

Well Borings.

STATE DISPATCHES.

Proprietor of the Portland News Arrested for Blackmail—Sentences Commuted.

Special to the Herald: PORTLAND, July 31.—A warrant was issued to-day for the arrest of John D. Wilcox, proprietor of the Daily News for blackmailing Mrs. Dr. Murray. This is the outgrowth of the same case in which Isaacson has figured as agent of the Daily News in attempting to blackmail Mrs. Dr. Murray. There is a girl mixed up in the case and some sensational developments are expected.

FROM THE STATE CAPITAL.

SALEM, July 31.—Gov. Penoyer to-day committed the sentences of three prisoners at the penitentiary. Wm. Peck, sentenced from Multnomah county, September 27, 1886, for 5 years for larceny in store; on recommendation of the district attorney and in consideration of the severity of the sentence. August Schultz, sentenced from Clackamas county April 23, 1888, for arson; reason in this case was grave doubts as to guilt, based upon facts that all persons upon whose testimony he was convicted have subsequently been found to be perjurers. His testimony was false. S. J. Hinchens, sentenced to five years from Polk county for assault with intent to commit rape; commutation is based on the recommendation of the district attorney and grave doubts as to guilt.

COAST NOTES.

Mr. and Mrs. G. T. Burnett, of Dallas, have lost their infant daughter, aged 3 months and 14 days.

Fred, the 10-year-old son of Senator Hatch of McCoy, was thrown by a pony the other day and his arm broken.

The Yamhill County Agricultural Association will hold its annual fair commencing September 10, and continuing four days.

Mr. George Coote, of Yaquina, having received an appointment in the Corvallis Agricultural College, has removed with his family to that city.

L. W. Robertson of Independence, will build a large and commodious brick business house, two story, the top part will be used as an opera hall.

Miss Lizzie Wilson accidentally discharged a shotgun in the drug store at Arlie, Polk county, which took her things generally, but luckily no one was hurt.

Report has it that Mrs. Titman was arrested at Newport last week, charged with an attempt to poison her husband, and that she gave bail to appear and answer.

Yaquina cannerymen are busy preparing for the expected big run of salmon during the present season. Last season was a partial failure on this bay, although the catch at Alsea was very good.

J. Mills of Amity jumped off a wood shed recently, running a nail one and a half inches into his foot. Blood poisoning was threatened for awhile, but Mr. Mills is now able to be on the street.

J. R. Syron, who lives with his son Peter, near Sheridan, was born in New York 99 years ago. He came to this country nearly forty years ago. He is now quite feeble, but keeps knocking around and can read without glasses better than he could twenty years ago.

A wager on the presidential election was made on Saturday between Tom Richmond and Wm. Percival, of Dallas, Polk county. If Cleveland is elected Richmond receives of Percival his blooded 2-year-old bay filly, sired by Altamont, dam Stranger and Snowstorm. If, on the other hand, Harrison is elected, Tom will have the pleasure of paying him \$300.

A Warning.

The modes of death's approach are various, and statistics show conclusively that more persons die from diseases of the throat and lungs than any other. It is probable that everyone, without exception, receives vast numbers of Tubercle Germs into the system and where these germs fall upon suitable soil they start into life and develop, at first slowly and is shown by a slight tickling sensation in the throat and if allowed to continue their ravages they extend to the lungs, producing consumption and to the head, causing catarrh. Now all this is dangerous and if allowed to proceed will in time cause death. At the onset you must act with promptness; allowing a cold to go without attention is dangerous and may lose your life. As soon as you feel that something is wrong with your throat, nose or nostrils, obtain a bottle of Boschee's German Syrup. It will give you immediate relief.

Two Ways. Choose Which!

There are two ways of doing what Nature sometimes does incompletely, namely, to relieve the bowels. One is to swallow a drastic purgative which evacuates profusely, and abruptly with pain, the other is to take Hostetter's Stomach Bitters, the effect of which is not violent, but sufficiently thorough, and which does not grip the intestines. If the first is selected, the person employing it need not expect permanent benefit, and he cannot hope to escape the debilitating reaction which leaves the organ as bad or worse off than before. If, on the other hand, he resorts to the Bitters, he can rely upon the restoration of a regular habit of body, consequent upon the renewal of a healthful tone in the intestinal canal. Besides healthfully relaxing the bowels, the Bitters arouses a dormant liver, and imparts a new impetus to the action of the kidneys, and counteracts the early tendencies of rheumatism, a tendency to gout, and malaria in all its forms.

You are feeling depressed, your appetite is poor, you are bothered with headache, you are dizzily, nervous, and generally out of sorts, and want to brace up. Brace up, but not with stimulants, spring medicines, or bitters, which have for their basis very cheap, but whiskey, and which stimulate you for an hour, and then leave you in a worse condition than before. What you want is an alternative that will purify your blood, start healthy action of liver and kidneys, restore your vitality, and give renewed human strength. Such a medicine you will find in Electric Bitters, and only 50 cents a bottle at Fostley & Mason's.
