#### THE POSTAL SERVICE.

Its Continual Growth in All Parts of the Country.

It is estimated at the Postoffice

Department that the deficiency in the revenues of the postal service of the fiscal year just closed will be about \$4,000,000. Last year Indian Raid-More Floods-Suiciding Judge the deficiency was something over \$5,500,000. Owing to the cheap rates of postage, especially for newspapers, the bulk of mail matter has increased at such a rate that the cost of the service has grown

immensely.

The force of employes, especially in the large offices, is taxed to handle the quantity of matter that daily comes pouring in. In some instances the newspapers are not sent to the postoffice at all, but are weighed, and stamped at the office of publication by some one au thorized to do the work, and the bags are sent directly to the railhandwriting have been based on road depots. #### Relping the Right Side. To help the right side is not only

ommendable in a general polic of view, but is judicious and prudent when that help is enlisted in behalf of the right side of the body, just over the lower ribs in the region of the liver. The most efficient help is af-forded by Hostetter's Stomach Bitters an anti-billious medicine of incomparable efficacy. Inaction of the liver is accompanied by constipation, sickheadache, furred tongue, nausea occasional vertigo, an unpleasant hreath, yellowness of the skin and ball of the eye. The author of these symptoms, liver complaint, routed by the Bitters is accompanied by them in its flight. Fever and ague, which al-ways involves the liver, dysnepsia, rhenmatism' debility and kidney troubles are all maladies to the early relief and final cure of which this standard medicine is adapted.
