NATIONAL REPUBLICAN TICKET.

FOR PRESIDENT, BENJAMIN HARRISON, OF INDIANA.

FOR VICE-PRESIDENT, LEVI P. MORTON, OF NEW YORK.

FOR PRESIDENTIAL ELECTORS, ROBERT M'LEAN, WM. KAPUS, C. W. FULTON.

EDITORIAL NOTES.

The cry is very frequently heard that the result of elections is brought about by the use of money. Indeed the accusation has passed into a proverb and is tacitly accepted as a fact.

In Crawford county, Illinois, a mass meeting of farmers decided not to raise any wheat, barley or rye for three years; to burn ever in fall and spring all headlands, thickets and woodlands, and to destroy all rubbish that could afford winter harborage to the chinch bug; to cultivate only clover for forage, and to sow plats of wheat and rye in order to collect the bugs of the vicinity and destroy them.

PRESIDENT CLEVELAND has been severely criticized for absenting himself from the field of Gettysburg on the occasion of the recent veterans reunion. This is decidedly bad taste.

GEN. SALOMON, ex-president of the island of Hayti, with his family and several members of his cabinet, recently arrived in New York, being fugitives. Those island republics are not very stable in their governmental affairs and their rulers are about as uneasy as veritable monarchs.

A WELL-TO-DO farmer was heard to remark yesterday that the very large yield of wheat in Oregon this year was due, without doubt, to the exhilarating effects of the overwhelming victory for protection in the election last June.

FLORIDA, in addition to yellow fever, has a new and a very dangerous pest that caused the people to rush into the streets, but resulting in no other damage but the insect.

A SPECIMEN.

The Umpqua Herald has again changed hands and now comes to us a bright spicy Democratic semi-weekly edited and published by Floed and Fisher. Here is our boys, and we wish you success. We now think we can hold our way up street contemporary level by reviewing his actions and heralding the news abroad of Grover Cleveland's strength and victory.—Roseburg Review.

As a specimen of what the Review calls "bright spicy," we clip the following from the paper referred to, the Umpqua Herald "In the defense of Col. Ben. Harrison, Jas. G. Blaine has an opportunity to distinguish himself as a criminal lawyer."

Bro. Bell is one of the advocates of a clean, unpersonal canvas. As he so fervently endorses the Umpqua Herald, we suppose this unmitigatedly dirty innuendo that Gen. Harrison is a "Col." and even a "criminal" is his idea of a clean canvas.

The City of Chester collision in the entrance of San Francisco harbor, resulted in fifteen deaths.

A KANSAS man is trying to breed up a stock of cattle that will produce buffalo robes.

Eureka. The motto of California means, I have found it. Only in the land of sunshine, where the orange, lemon, olive, fig and grape bloom and ripen, and attain their highest perfection in mid-winter, are the herbs and gum found, that are used in that pleasant remedy for all throat and lung troubles, Santa Abie the ruler of coughs, asthma and consumption. Fosney & Mason, sells it under a guarantee at \$1.00 a bottle. Try California Cat-R-Cure, the only guaranteed cure for catarrh.
